

**MARCH.**  
 March entered Time's course,  
 In Eighteen Sixty-Four,  
 Not as usual he does,  
 With a frisk and a roar.

Capricious and blustering,  
 With all sorts of weather,  
 In one day, (by his fitful mood),  
 Jumbled together.

One moment with southern breeze,  
 Calling buds forth;  
 Next driving them back  
 With rude blasts from the north.

But dropping with gentleness  
 In vale and on height,  
 A soft even covering  
 Of pure, spotless white.

Winter, loath to depart,  
 O'er thy pathway will fling  
 In displeasure, some storms,  
 March, Birthday of Spring.

But we know grass and flow'rets  
 Will soon deck the plain,  
 And groves with birds' warblings,  
 Re-echo again.

Thy advent, bold Martins,  
 They too greet with smiles  
 Who're expecting Spring Fashions  
 To be brought forth by Pyle.

Pyle has just received a large and splendid stock of goods for the Spring trade, which all should call and examine before making their selections elsewhere. Always on hand Ready Made Clothing of the latest and most fashionable style. Call in and look at his assortment.

**J. LANTZ, DENTIST,**  
 Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far. Hence the necessity of obtaining the services of a dentist near home. All work warranted.

W. HOLLINGSHEAD.  
 Stroudsburg, Feb. 4, 1864.

The peculiar faint of infection which we call SCROFULA lurks in the constitutions of multitudes of men. It either produces or is produced by an enfeebled, vitiated state of the blood, wherein that fluid becomes impure; and the vital forces in their endeavor to purify the system, fall into disorder and decay. The scrofulous contamination is variously caused by mercurial disease, low living, disordered digestion from unwholesome food, impure air, filthy and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending from parents to children into the third and fourth generation; indeed, it seems to be the root of Him who says, "I will visit the iniquities of the fathers upon their children." The diseases which it originates take various names, according to the organs it attacks. In the lungs, Scrofula produces tubercles, and finally Consumption; in the blood, Purpura, the white and red spots, and leucorrhoea; in the stomach and bowels, derangements which produce indigestion, dyspepsia, and liver complaints; on the skin, eruptions and cutaneous affections. Those all having the same origin, require the same remedy, viz. purification and invigoration of the blood. Purify the blood, and these dangerous distempers leave you. With feeble, foul, or corrupted blood, you cannot have health; with that "life of the flesh" healthy, you cannot have scrofulous disease.

**Ayer's Sarsaparilla**

is compounded from the most effectual antitoxics that medical science has discovered for its afflicting distemper, and for the cure of the disorders it entails. That it will visit superior to any other remedy yet devised, is known by all who have given it a trial. That it does combine virtues truly extraordinary in its effect upon this class of complaints, is indisputably proven by the great multitude of publicly known and remarkable cures it has effected in the following diseases: King's Evil or Glandular Swelling, Tumors, Eruptions, Pimples, Blisters and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Conga from tuberculous deposits in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Venereal Diseases, Female Weaknesses, and the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in AYER'S AMERICAN ALMANAC, which is furnished to the druggists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief. Those cases are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak to him of its benefits from personal experience. Scrofula depresses the vital energies, and thus leaves the victim far more subject to disease and its fatal results than are healthy constitutions. Hence it tends to shorten, and does greatly shorten, the average duration of human life. The vast importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of AYER'S SARSAPARILLA, although it is composed of ingredients, some of which exceed the best of Sarsaparilla in alterative power. By its aid you may protect yourself from the suffering and danger of these disorders. Purge out the food corruptions that rot and fester in the blood; purge out the causes of disease, and vigorous health will follow. By its peculiar virtues this remedy stimulates the vital functions, and thus expels the distempers which lurk within the system or burst out on any part of it.

We know the public have been deceived by many compounds of Sarsaparilla, that purport to be the same, but they will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been available to them.

**AYER'S**  
**CHERRY PECTORAL,**  
 The World's Great Remedy for Coughs, Colds, Incipient Consumption, and for the relief of Consumptive patients in advanced stages of the disease.

This has been so long used and so universally known, that we need do no more than assure the public that its quality is kept up to the best it ever has been, and that it may be relied on to do all it has ever done.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass.  
 Sold by all druggists everywhere.

The undersigned having completed his new Foundry and Machine Shop would respectfully inform his old friends, and the public generally, that he is fully prepared to fill all orders in his line with promptness, and in a style superior even to what he was able to do in the old establishment destroyed by the flood. Having a full assortment of patterns made of the best material, he is prepared to supply all demands for

**Mill Work, Bark Mills, Plow Castings and Sash Weights, STEAM ENGINES, MACHINE WORK, &c., &c.** Being an experienced workman himself, and employing none but the best hands and the best material, the public may rest assured that all work coming from his shop will be fully equal, if not superior, to that produced by any other establishment in the country. The new Foundry and Machine Shop is located on Walton street, near Elizabeth street, in the borough of Stroudsburg, where the orders of old friends as well as new one are solicited.
