HEAD QUARTERS DEPT. OF THE SUSQUEHANNA, CHAMBERSBURG, Pa.,
January 20th, 1864. }
To the people of the Department of the Susquehanna.

I cordially invite the attention of all persons within the Department of the Susquehanna to the address recently issued by Major General Hancock, Commanding 2d Army Corps in which that distinguished officer announces, that he has come to Pennsylvania under the authorities of the War Department for the purpose of recruiting his Corps to 50,000 men with a view to special service.

The gallantry and Military ability of Major General Hancock, and the courage and discipline of his Corps have been tested on many battle fields and have justly won the admiration of the people. Those who shall enlist under him will find comrades with whom it will be an honor to be connected, and a leader whose past career gives the assurance that he cannot fall short of the full performance of all his duties as an officer, a soldier and a gentleman.

Having been associated with Major General Hancock on many trying occasions, I heartily commend him to the patriotism of the people of this Department, and earnestly advise those fit for military duty, to embrace this opportunity of taking a position in which they will gain honor and distinction for themselves, and render essential service to their country.

J. LANTZ, DENTIST,
Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far. Hence the necessity of obtaining the services of a dentist near home. All work warranted.

U. S. 5-20'S.

The Secretary of the Treasury has not given notice of any intention to withdraw this popular Loan from Sale at Par, and until ten days notice is given, the undersigned, as "General Subscription Agent," will continue to supply the public.

The whole amount of the Loan authorized is Five Hundred Millions of Dollars. Nearly Four Hundred Millions have been already subscribed for and paid into the Treasury, mostly within the last seven months. The large demand from abroad, and the rapidly increasing home demand for use as the basis for circulation by National Banking Associations now organizing in all parts of the country, will, in a very short period, absorb the balance. Sales have lately ranged from ten to fifteen millions weekly, frequently exceeding three millions daily, and as it is well known that the Secretary of the Treasury has ample and unfailing resources in the Duties on Imports and Internal Revenue, and in the issue of the Interest-bearing Legal Tender Treasury Notes, it is almost a certainty that he will not find it necessary, for a long time to come, to seek a market for any other long or permanent loans. THE INTEREST AND PRINCIPAL OF WHICH ARE PAYABLE IN GOLD.

Prudence and self interest must force the minds of those contemplating the formation of National Banking Associations, as well as the minds of all who have the idle money on their hands, to the prompt conclusion that they should lose no time in subscribing to this most popular Loan. It will soon be beyond their reach, and advance to a handsome premium, as was the result with the "Seven Thirty" Loan, when it was all sold and could no longer be subscribed for at par.

It is a Six per Cent Loan, the Interest and Principal payable in Coin, thus yielding over Nine per Cent per annum at the present rate of premium on coin.

The Government requires all duties on imports to be paid in Coin; these duties have for a long time past amounted to over a Quarter of a Million of Dollars daily, a sum nearly three times greater than that required in the payment of the interest on all the 5-20's and other permanent Loans. So that it is hoped that the surplus Coin in the Treasury, at no distant day, will enable the United States to resume specie payments upon all its liabilities.

The Loan is called 5-20 from the fact that whilst the Bonds may run for 20 years yet the Government has a right to pay them off in Gold at par, at any time after 5 years.
The Interest is paid half-yearly, viz: on the first days of November and May.
Subscribers can have Coupon Bonds, which are payable to bearer, and are \$50, \$100, \$500, and \$1000; or registered Bonds of same denominations, and in addition, \$5,000, and \$10,000. For banking purposes and for investments of Trust-moneys the Registered Bonds are preferable.

These 5-20's cannot be taxed by States, cities, towns or counties, and the Government tax on them is only one-and-a-half per cent, on the holder exceeds Six Hundred dollars per annum; all other investments, such as income from Mortgages, Railroad Stock and Bonds, etc., must pay from three to five per cent tax on the income.
Banks and Bankers throughout the Country will continue to dispense of the Bonds; and all orders by mail, or otherwise, promptly attended to.

The inconvenience of a few days delay in the delivery of the Bonds is unavoidable, the demand being so great; but as interest commences from the day of subscription, no less is occasioned, and every effort is being made to diminish the delay.

SARSAPARILLA

SCROFULA AND SCROFULOUS DISEASES.
From *British Eclectic*, a well-known medical journal.
"I have sold large quantities of your SARSAPARILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they find it has been no medicine like it before in our community."
Eruptions, Pimples, Blisters, Pustules, Ulcers, Sores, and all Diseases of the Skin.

From *Rev. Robt. Stratton, Bristol, England*.
"I only do my duty to God and the public when I add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting humor in her eyes, ears, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."
From *Mrs. Jane E. Rice*, a well-known and much-esteemed lady of *Dennettsville, Cape May Co., N. J.*
"My daughter has suffered for a year past with a scrofulous eruption, which was a very troublesome thing. Nothing afforded any relief until we tried your SARSAPARILLA, which soon completely cured her."
From *Charles F. Page*, Esq., of the *Philadelphia* papers in *Virginia, N. H.*
"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost everything that a man could do both medicinally and surgically, but without success. I then took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face was as smooth as anybody's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."
Erysipelas—General Debility—Purify the Blood.

From *Dr. Robt. Savin, Johnston St., N. Y.*
DR. AYER'S Seldom fail to remove Eruptions and Scrofulous sores by the persevering use of your SARSAPARILLA, and I have long cured a case of Malignant Erysipelas with it. No alternative we possess equals the SARSAPARILLA you have supplied to the profession, and to the people.
From *J. E. Johnston, Esq., Yellow Springs, Ohio*.
"For twelve years I had the *Waller's Erysipelas* on my right arm, during which time I consulted the best of the celebrated physicians I could reach, and took hundreds of dollars' worth of medicines. The ulcers were so bad that the contents became visible, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bottles, and some of your Pills. Together they have cured me. I am now as well and sound as any other man. Being a public place, my case is known to everybody in this community, and excites the wonder of all."
From *Hon. Henry Moore, M. P., of Massachusetts, C. W.*, a leading member of the *Canadian Parliament*.
"I have used your SARSAPARILLA in my family for general debility, and for purifying the blood, with very beneficial results, and for confidence in recommending it to the afflicted."
St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes.

From *Harvey Sicker, Esq., the able editor of the "Tribune,"* *Manchester, Massachusetts*.
"Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome crust, which covered his face, and actually blinded his eyes for some days. A kind physician applied nitrate of silver and other remedies, but without success. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his forehead. I began trying your SARSAPARILLA, and applying the sodic of potash lotion, as you directed. The cure began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyes, which had become nearly blind, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."
Syphilis and Mercurial Diseases.

From *Dr. Hiram Swick, of St. Louis, Missouri*.
"I had your SARSAPARILLA a more effectual remedy for the secondary symptoms of Syphilis, and for syphilitic disease than any other I know of. The profession are indebted to you for some of the best medicines we have."
From *A. J. French, M. D., an eminent physician of the Legislature of Massachusetts*.
"Dr. AYER'S—My dear Sir: I have found your SARSAPARILLA an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know how we can employ with more certainty of success, where a powerful alternative is required."
From *Chas. S. Van Loan, of New Brunswick, N. J.*
"I had dreadful ulcers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied. The persevering use of AYER'S SARSAPARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him."
Leucorrhoea, Whites, Femal Weakness, are generally produced by internal Scrofulous Ulceration, and are very often cured by the alternative effect of this SARSAPARILLA. Some cases require, however, in aid of the SARSAPARILLA, the skillful application of local remedies.

From *the well-known and widely-celebrated Dr. Jacob Morrill, of Cincinnati*.
"I have found your SARSAPARILLA an excellent alternative in diseases of females. Many cases of irregularity, Leucorrhoea, Intestinal Ulceration, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when it is used in properly aided by local treatment. A lady, unwilling to allow the publication of her name, writes:
