SCROFULA AND SCROFULOUS DISEASES. From Emery Edes, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your SARSAPAR-ILLA, but never yet one bottle which fuiled of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community." Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.

From Rev. Robt. Stratton, Bristol, England. "I only do my duty to you and the public, when I add my testimony to that you publish of the me-dicinal virtues of your SAESAPARILLA. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

From Mrs. Jane E. Rice, a well-known and much-esteemed lady of Dennisville, Cape May Co., N. J. "My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your SAR-SAPARILLA, which soon completely cured her."

From Charles P. Gage, Esq., of the widely-known firm of Gage, Murray & Co., manufacturers of enam-elled papers in Nashua, N. H. "I had for several years a very troublesome hu-mor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost everything a man could of both advice and medicine, but without any relief whetever until I took your SASAAPATTALE. whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as anybody's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

Erysipelas - General Debility - Purify the Blood.

From Dr. Robt. Sawin, Houston St., N. Y. Dn. AYER: I seldom fail to remove Eruptions and Scrofulous Sores by the persevering use of your SARSAPARILLA, and I have just now cured an attack of Malignant Ergsipelas with it. No altera-tive we possess equals the SARSAPARILLA you have supplied to the profession as well as to the people."

From J. E. Johnston, Esq., Wakeman, Ohio. "For twelve years I had the yellow Erysipeins on my right arm, during which time I tried all the cel-ebrated physicians I could reach, and took hundreds of dollars' worth of medicines The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bottles, and some of your FILLS. Together they have cured me. I am now as well and sound as anybody. Being in a public place, my case is known to everybody in this community, and excites the wonder of all."

From Hon. Henry Monro, M. P. P., of Newcastle, C. W., a leading member of the Canadian Parliament. "I have used your SARSAPARILLA in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confidence in commending it to the afficted."

St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes.

From Harvey Sickler, Esq., the able editor of the Tunckhannock Democrat, Pennsylvania.

" Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your SARSAPARILLA, and applying the iodide of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other Tho whole neighborhood predicted that the child must die. at Providence, for Olyghant and Carbondale.

J. LANTZ, DENTIST, BANKERS, BROKERS, Has permanently located him-Antes self in Stroudsburg, and moved his office next door to Dr. S. General Collectors. Walton, where he is fully prepared to treat the natural teeth, and also to insert incorrup-

latest and most improved manner. Most articles of his manufacture, viz: persons know the danger and folly of trustenlist under him will find comrades with kins, Esherich, Black & Co., Hon. James Pol- the traveline work to the ignorant as well as whom it will be an honor to be connected, and a leader whose past career gives the as-surance that he cannot fall short of the full No. Warren J. Woodward, V. L. Bradford, of cases, and if the dentist lives at a distancer the traveling dentist. It matters not how Macaboy,

Syphilis and Mercurial Disease.

From Dr. Hiram Sloat, of St. Louis, Missouri. "I find your SARSAPAULLA a more effectual remedy for the secondary symptoms of Syphilis, and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicines we have."

From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts.

"Dr. Aven - My dear Sir: I have found your SAUSAPARILLA an excellent remedy for Syphilis both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alterative is required."

Mr. Chas. S. Van Liew, of New Brunsweck, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of AYER'S SARSAPAULLA relieved him. Few cases can be found more invetorate and distressing than this, and it took several dozen botties to cure him.

Leucorrhoa, Whites, Female Weakness, are generally produced by internal Scrafulous Ulceration, and are very often cured by the alterative effect of this SANSAPARILLA. Some cares require, however, in aid of the SARSAPARILLA, the skiiful application of local remedies.

From the well-known and widely-celebrated Dr. Jacob Morrill, of Cincinnati.

"I have found your SARSAPARHLLS an excellent alterative in discases of females Many ences of ir-regularity, Lencormon, Internal Ulceration, and local debility, arising from the scretulous diathesis, have yielded to it, and there are few that do not. when its effect is properly aided by local treatment." A lady, unwilling to allow the publication of her

name, writes: "My daughter and myself have been cured of a very debilitating Leucorthom of long standing, by two bottles of your SARSAPARILLA."

He has also laid in, and will keep on hand Rheumatism, Gout. Liver Complaint, Dyspepsia Heart Disease, Neura-gia,

when caused by Scrofula in the system, are rapidly cured by this EXT. SARSAPARILLA.

AYER'S CATHARTIC PILLS

possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done
