

THE UNION, "IT MUST AND SHALL BE PRESERVED."

The Northern Eagle,
An Independent, loyal Newspaper, advocating the suppression of treason and the sustenance of *True Constitutional Liberty*, is published at Milford, Pike County, Pa., every Tuesday morning, EDWARD HALIDAY, Proprietor.

Apart from its efforts to sustain the Nationality of our Country, and the Union of the States, by cheering the hearts of our Soldiers in the field, and unmasking the designs of traitors at our firesides,

The Northern Eagle

will be found one of **THE BEST FAMILY NEWSPAPERS** issued from the Country press, as no pains or expense will be spared to secure the ablest writers on general Literature, Education, Correspondence, and every other topic of the day.

The want of a newspaper in Pike County, giving to the Government an unqualified support in its efforts to suppress the rebellion now threatening our National existence, has long been felt by the friends of the Union.

In no other county in the Commonwealth has the Peace movement, inaugurated by Fernando Wood and his party, so many friends and supporters. In no county is the Government so openly assailed, its policy so misrepresented, and the laws so openly defied.

While there are some members of the Democratic party in this locality, who have openly and manfully stood up for, and aided the Government, the great mass of that party, and its Milford organ, have been open in their denunciation of the war, and in discouraging our soldiers in the field.

Under these circumstances, confidently relying upon the support of loyal men, we have determined to publish *The Northern Eagle*, with a view of correcting and enlightening the public mind as to the true issues involved in the war.

The Eagle will give the Government a hearty and cheerful support in all its efforts to save the country, and will have no connection with those who are directly or indirectly in sympathy with the traitors of the South. Beyond this *The Eagle* will know no party.

Walton, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far. Hence the necessity of obtaining the services of a dentist near home. All work warranted.
