THURSDAY, MAY 19, 1864.

WAR NEWS.

We devote a large portion of this Grant holds out as he has began, and for granted.

manufacturers of Farm Implements and Machinery to a circular addressed to them paper. The suggestions contained there- sis are very foolish to object to him. in should engage their serious attention. No more noble work can be engaged in, than to assist in alleviating the sufferings of our sick and wounded Soldiers. We should be proud to chronicle that our Manufacturers in these branches were represented in the great June Fair by specimens of their handiwork.

THE DRAFT.

The following exhibits the deficiency and excess of the borough and several Beauregard Attempts to Reinforce townships in the coming draft. From it each township will learn the number of men required of them to fill its quota, or the number for which credit will be allowed on a future draft.

Our Advertising Columns.

The favors of our advertising friends still continue to crowd upon us. This week,

Messrs. Sontheimer & Herrmann issue a new card to their mercantile friends. in which they offer rare inducements in shape of Bargains to purchasers. We are pleased to learn that their success is even exceeding their expectations. By the way, the ladies should see to it that their merchants secure to them the privilege of purchasing, J English & Co's. Needles. These are, without doubt, the Darling. best needles in market, and as they are stuck in papers like pins, are secure from loss and as handy as they can'well be .-Sontheimer & Herrmann have them by thousands, so that merchants can have right at dusk last evening. It was gal- Bridge. It had been partially destroyed no excuse for not keeping them.

Mr Alexander Raubenold, through the same channel informs our readers that "time is money," and in his advertisement tells us where time can be secured cheaply and satisfactorily. He comes among us well recommended as an excellent workman in his line of business, and one worthy of all confidence .--A short acquaintance has satisfied us that small. he is a gentleman and very clever fellow. His stock is worthy of examination .-Give him a call.

Messrs. Brown & Keller, renew their advertisement this week. From a perusal of it our readers will learn that almost everything they can think of can be found at this establishment. An acare sure to turn out as recommended.

known his ability to supply the wants of three P. M. Gen. Butler superintended the public, with Fruits, Candies, Nuts the concentrating of the batteries. and Confections generally. We have Yesterday afternoon the advance picket spoken of his establishment before, but it will do no harm to inform our readers mand of Dragge's Bluff which said of Land.

The wounded will not excent the total losses not over 350.
