

THE UNION,  
"IT MUST AND SHALL BE PRESERVED"

**The Northern Eagle,**  
An Independent, loyal Newspaper, advocating the suppression of treason and the sustenance of True Constitutional Liberty, is published at Milford, Pike County, Pa., every Tuesday morning, EDWARD HALIDAY, Proprietor.

Apart from its efforts to sustain the Nationality of our Country, and the Union of the States, by cheering the hearts of our Soldiers in the field, and unmasking the designs of traitors at our firesides,

**The Northern Eagle** will be found one of THE BEST FAMILY NEWSPAPERS issued from the Country press, as no pains or expense will be spared to secure the ablest writers on general Literature, Education, Correspondence, and every other topic of the day.

The want of a newspaper in Pike County, giving to the Government an unqualified support in its efforts to suppress the rebellion now threatening our National existence, has long been felt by the friends of the Union.

In no other county in the Commonwealth has the Peace movement, inaugurated by Fernando Wood and his party, so many friends and supporters. In no county is the Government so openly assailed, its policy so misrepresented, and the laws so openly defied.

While there are some members of the Democratic party in this locality, who have openly and manfully stood up for, and aided the Government, the great mass of that party, and its Milford organ, have been open in their denunciation of the war, and in discouraging our soldiers in the field.

Under these circumstances, confidently relying upon the support of loyal men, we have determined to publish *The Northern Eagle*, with a view of correcting and enlightening the public mind as to the true issues involved in the war.

*The Eagle* will give the Government a hearty and cheerful support in all its efforts to save the country, and will have no connection with those who are directly or indirectly in sympathy with the traitors of the South. Beyond this *The Eagle* will know no party.

**BLANK DEEDS**  
For sale at this Office

### U. S. 10-40 Bonds.

These Bonds are issued under the Act of Congress of March 8th 1864, which provides that all Bonds issued under this Act shall be EXEMPT FROM TAXATION by or under any state or municipal authority.—Subscriptions to these Bonds are received in United States notes or notes of National Banks. They are TO BE REDEEMED IN COIN, at the pleasure of the Government at any period not less than ten nor more than forty years from their date, and until their redemption FIVE PER CENT. INTEREST WILL BE PAID IN COIN, on Bonds of not over one hundred dollars annually and all other Bonds semi-annually.—The interest is payable on the first days of March and September in each year.

Subscribers will receive either Registered or Coupon Bonds, as they may prefer. Registered Bonds are recorded on the books of the U. S. Treasurer, and can be transferred only on the owner's orders. Coupon Bonds are payable to bearer, and are more convenient for commercial uses.

Subscribers to this loan will have the option of having their Bonds draw interest from March 1st, by paying the accrued interest in coin—(or in United States notes or the notes of National Banks, adding fifty per cent. for premium,) or receive their drawing interest from the date of subscription and deposit. As these Bonds are

Exempt from Municipal or State Taxation,

their value is increased from one to three per cent. per annum, according to the rate of tax levied in various parts of the country. At the present rate of premium on gold they pay

Over Eight Per Cent Interest in currency, and are of equal convenience as a permanent or temporary investment.

It is believed that no securities offer so great inducements to lenders as the various descriptions of U. S. Bonds. In all other forms of indebtedness, the faith or ability of private parties or stock companies or separate communities only is pledged for payment, while for the debts of the United States the whole property of the country is held to secure the payment of both principal and interest in coin.

These Bonds may be subscribed for in sums from \$50 up to any magnitude, on the same terms and are thus made equally available to the smallest lender and the largest capitalist. They can be converted into money at any moment, and the holder will have the benefit of the interest.

It may be useful to state in this connection that the total Funded Debt of the United States on which interest is payable in gold, on the 31 day of March, 1864, was \$769,965,000. The interest on this debt for the coming fiscal year will be \$45,937,126, while the customs revenue in gold for the current fiscal year, ending June 30th, 1864, has been so far at the rate of over \$100,000,000 per annum.

It will be seen that even the present gold revenues of the Government are largely in excess of the Treasury for the payment of gold interest, while the recent increase of the tariff will doubtless raise the annual receipts from customs on the same amount of importations, to \$150,000,000 per annum.

Instructions to the National Banks acting as loan agents were not issued from the United States Treasury until March 26, but in the first three weeks of April the subscriptions averaged more than TEN MILLIONS A WEEK.

Subscriptions will be received by the First National Bank of Philadelphia, Pa. Second National Bank of Philadelphia, Pa. Third National Bank of Philadelphia, Pa. AND BY ALL NATIONAL BANKS which are depositaries of Public money, and all

RESPECTABLE BANKS AND BANKERS throughout the country, (acting as agents of the National Depository Banks,) will furnish further information on application and Afford every Facility to Subscribers.

**J. LANTZ, DENTIST,**  
Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far. Hence the necessity of obtaining the services of a dentist near home. All work warranted.

**Ayer's Sarsaparilla**  
THE WORLD'S GREAT REMEDY  
**SCROFULA AND SCROFULOUS DISEASES.**  
From Emory Edes, a well-known merchant of Ogdun, Maine.  
"I have sold large quantities of your Sarsaparilla, but never yet one bottle which failed of the medicinal virtues of your Sarsaparilla. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your Sarsaparilla. She has been well for some months."  
From Mrs. Jane E. Rice, a well-known and much-esteemed lady of Dennistown, Cape May Co., N. J.  
"My daughter suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your Sarsaparilla, which soon completely cured her."  
From Charles P. Gage, Esq., of the widely-known firm of Gage, Murray & Co., manufacturers of engraved papers in Nashua, N. H.  
"For several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost everything a man could do for both advice and medicine, but without any relief, until I took your Sarsaparilla. It not only cured my face, but it cured me of the humor in my face, and in a few weeks the new skin began to form under the blotches, and continued until my face was as smooth as anybody's, and I am without any symptoms of the disease that I knew of. I enjoy perfect health, and without a doubt owe it to your Sarsaparilla."  
Erysipelas—General Debility—Purify the Blood.  
From Dr. Robt. Sawin, Houston St., N. Y.  
DR. AYER: I seldom fail to remove Erysipelas and Scrofulous Sores by the persevering use of your Sarsaparilla, and I have just now cured an attack of Malignant Erysipelas with it. No alternative medicine equal to your Sarsaparilla you have supplied to the profession as well as to the people."  
From J. E. Johnston, Esq., Walsman, Ohio.  
"For twelve years I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars' worth of medicine. The ulcers were so bad that my arm became visible, and the doctor decided that my arm must be amputated. I began taking your Sarsaparilla. Took two bottles, and my right arm healed. Together they have cured me I am now as well and sound as anybody. Being in a public place, my case is known to everybody in this community, and excites the wonder of all.
