

**Items Worth Committing to Memory**  
A bit of glue dissolved in skim milk and water will restore old craps.  
Half a cranberry bound on a corn will soon kill it.  
An ink stand was turned over a white table cloth; a servant threw over it a mixture of salt and pepper plentifully, and all traces of it disappeared.  
Picture frames and glasses are preserved from flies by painting them with a brush dipped in a mixture made by boiling three or four onions in a pint of water.  
Bed bugs are kept away by washing the crevices with strong salt water, put on with a brush.  
Soft soap should be kept in a dry place in the cellar, and not be used until three months old.  
Stings and bites are often instantaneously cured by washing them in hartshorn or turpentine.

**To Sweeten Butter Firkins.**  
Before packing butter into new firkins put them out of doors in the vicinity of the well, fill them with water and throw in a few handfuls of salt. Let them stand three or four days and change the water once during that time. Butter firkins should be made of white oak, and this process effectually takes out acid contained in that wood, and makes the firkin sweet. If the butter is well made and rightly packed it will keep good all summer, even if the firkins be kept in store above ground. To cleanse old firkins in which butter has been packed and left exposed some time to the air, fill with sour milk, and leave standing for twenty-four hours; then wash clean and scald with brine. This makes them as good as new.

SECTION 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same, That for the purpose of ascertaining the sense of the people of this Commonwealth, in regard to the adoption, or rejection, of said amendments, or either of them, the governor of this Commonwealth shall issue a writ of election, directed to each, and every, sheriff of this Commonwealth, commanding them to give notice, in the usual manner, in not less than two newspapers in each city, and country. Provided, That so many are published therein, and by at least two printed handbills, in each election district, of every city and county, wherein no newspaper is published, that an election will be held, in each of the townships, boroughs, wards, precincts, and districts, therein, on the first Tuesday of August, in the year of our Lord one thousand eight hundred and sixty-four, for the purpose of deciding upon the approval and ratification, or rejection, of the said amendments; which said election shall be opened, held, and closed, upon the day last aforesaid, at the places, and within the hours at, and within, which the general elections of this Commonwealth are directed to be opened, held, and closed; and it shall be the duty of the judges, inspectors, and clerks, of each of said townships, boroughs, wards, precincts, and districts, to receive, at the said election, tickets, not exceeding the number of proposed amendments, either written or printed, or partly written and partly printed, from each of the qualified voters of this state, who may offer the same, and to deposit them in a box, or boxes, to be for that purpose provided by the proper officers; which tickets shall be, respectively, labelled, on the outside, "First Amendment," "Second Amendment," and "Third Amendment;" and those who are favorable to said amendments, or any of them, may express their approval thereof by voting, each, as many separate, written or printed, or partly written and partly printed, ballots, or tickets, as there are amendments approved by them, containing, on the inside thereof, the words, "For the Amendment;" and those who are opposed to such amendments, or any of them, may express their opposition by voting, each, as many separate, written or printed, or partly written and partly printed, ballots, or tickets, as there are amendments not approved by them, containing, on the inside thereof, the words, "Against the Amendment;" the electors, voting for, or against, the first amendment, shall be considered as voting for, or against, the proposed fourth section to article three of the constitution, extending the right of suffrage to soldiers; electors, voting for, or against, the second amendment, shall be considered as voting for, or against, the proposed eighth section to article eleven of the constitution; and electors, voting for, or against, the third amendment, shall be considered as voting for, or against, the proposed ninth section to article eleven of the constitution.

SECTION 2. That the election, on the said proposed amendments, shall, in all respects be conducted as the general elections of this Commonwealth, are now conducted; and it shall be the duty of the return judges, of the respective counties, and districts, thereof, first having carefully ascertained the number of votes given for, or against, each of said amendments, in the manner aforesaid, to make out duplicate returns thereof, expressed in words, at length, and not in figures, only; one of which returns, so made, shall be lodged in the prothonotary's office, of the court of common pleas, of the proper county, and the other sealed, and directed, to the secretary of the Commonwealth, and by one of said judges deposited, forthwith, in the most convenient post office, upon which, postage shall be prepaid, at the expense of the proper county.

SECTION 3. That it shall be the duty of the secretary of the Commonwealth, on the twenty-third day of August next, before four o'clock, post meridian, to deliver to the speaker of the Senate, or the speaker of the House of Representatives, the returns of the said election, from the several counties of the Commonwealth; and the same shall, on the same day, and hour, be opened, and published, in the presence of the members of the Senate, and House of Representatives; and the number of votes given for, and against, said amendments, respectively, shall be carefully summed up, and ascertained, and duplicate certificates, of the result, shall be signed by the speakers of the two houses. One of said certificates shall be delivered to the secretary of the Commonwealth, who shall cause the same to be recorded and filed in his office, and the other of said certificates shall be delivered to the governor, who shall forthwith issue his proclamation, declaring whether the said amendments, or either of them, have been approved, and ratified, by a majority of the qualified voters, of this state, voting thereon: Provided, That if, for any cause, a quorum of either house of the legislature, shall not be present, at the day and hour, above mentioned, then the said votes shall be opened, in the presence of such members, of said houses, as shall be present; and, in case of the absence of the speaker, of either of said houses, the said certificates shall be signed by the speaker present; or, in case of the absence of both speakers, by the chief clerks of both houses, or either of them, in case of the absence of one of said clerks.

SECTION 4. That the several duties required to be performed by the sheriffs, commissioners, constables, judges, inspectors, and all other officers, whatever, in, and about, the general elections of this Commonwealth, shall be performed, by such officers, in, and about, the election herein provided for; and all persons, whether officers or others shall be liable to the same punishment for the neglect of any duty, or the commission of any offence, at, in, or about, the said election, as they would, for the neglect of like duty, or the commission of like offence, at,

**U. S. 10-40 Bonds.**  
These Bonds are issued under the Act of Congress of March 8th 1864, which provides that all Bonds issued under this Act shall be EXEMPT FROM TAXATION by or under any state or municipal authority.—Subscriptions to these Bonds are received in United States notes or notes of National Banks. They are TO BE REDEEMED IN COIN, at the pleasure of the Government at any period not less than ten nor more than forty years from their date, and until their redemption FIVE PER CENT. INTEREST WILL BE PAID IN COIN, on Bonds of not over one hundred dollars annually and all other Bonds semi-annually.—The interest is payable on the first days of March and September in each year.  
Subscribers will receive either Registered or Coupon Bonds, as they may prefer. Registered Bonds are recorded on the books of the U. S. Treasurer, and can be transferred only on the owner's orders. Coupon Bonds are payable to bearer, and are more convenient for commercial uses.  
Subscribers to this loan will have the option of having their Bonds draw interest from March 1st, by paying the accrued interest in coin—(or in United States notes or the notes of National Banks, adding fifty per cent. for premium.) or receive their drawing interest from the date of subscription and deposit. As these Bonds are Exempt from Municipal or State Taxation, their value is increased from one to three per cent. per annum, according to the rate of tax levied in various parts of the country. At the present rate of premium on gold they pay Over Eight Per Cent Interest in currency, and are of equal convenience as a permanent or temporary investment. It is believed that no securities offer so great inducements to lenders as the various descriptions of U. S. Bonds. In all other forms of indebtedness, the faith or ability of private parties or stock companies or separate communities only is pledged for payment, while for the debts of the United States the whole property of the country is held to secure the payment of both principal and interest in coin.  
These Bonds may be subscribed for in sums from \$50 up to any magnitude, on the same terms and are thus made equally available to the smallest lender and the largest capitalist. They can be converted into money at any moment, and the holder will have the benefit of the interest.  
It may be useful to state in this connection that the total Funded Debt of the United States on which interest is payable in gold, on the 3d day of March, 1864, was \$768,965,000. The interest on this debt for the coming fiscal year will be \$45,937,126, while the customs revenue in gold for the current fiscal year, ending June 30th, 1864, has been so far at the rate of over \$100,000,000 per annum.  
It will be seen that even the present gold revenues of the Government are largely in excess of the Treasury for the payment of gold interest, while the recent increase of the tariff will doubtless raise the annual receipts from customs on the same amount of importations, to \$150,000,000 per annum.  
Instructions to the National Banks acting as loan agents were not issued from the United States Treasury until March 26, but in the first three weeks of April the subscriptions averaged more than TEN MILLIONS A WEEK.  
Subscriptions will be received by the First National Bank of Philadelphia, Pa. Second National Bank of Philadelphia, Pa. Third National Bank of Philadelphia, Pa. AND BY ALL NATIONAL BANKS which are depositaries of Public money, and all RESPECTABLE BANKS AND BANKERS throughout the country, (acting as agents of the National Depository Banks.) will furnish further information on application and Afford every Facility to Subscribers.
