FROM SHERMAN. Nashville, Oct. 8, 1864. Have not heard direct from Sherman; but Gen. Corse, at Allatoona, informs me that Sherman is at Kenesaw repairing the railroad between Atlanta, and so far as the main army is concerned feels secure.

Gen. Rousseau reports that Forrest has escaped him by crossing the Tennessee on flat-boats above and below Florence, on the 6th inst., while he (Rousseau) was detained by high-water in Shoal Creek and Elk River.

ALATOONA, Oct. 9, 1864.—S. p. m. Maj. Gen. Halleck, Chief of Staff: I reached Kenesaw Mountain October 6, just in time to witness at a distance the attack on Alatoon.

The attack was met and repulsed, the enemy losing some 200 dead, and more than 1,000 wounded and prisoners. Our loss was about 700 in the aggregate. The enemy captured the small garrisons at Big Shanty and Aekworth, and burned about seven miles of our railroad, but we have at Altoona and Atlanta an abundance of provisions. Hood observing our approach has moved rapidly back to Dallas and Van Wert, and I am watching him in case he tries to reach Kingston or Rome. Atlanta is perfectly secure to us, and this army is better off than in camp.

The ship Anna Schmidt, which was destroyed by the Alabama off the coast of South America, had on board a quantity of Ayer's Cherry Pectoral for California. Dr. Ayer & Co. now appeal for redress direct to the British Government, as the responsible party in this wicked business, and base their claim for payment and protection on the ground of humanity, as their commodities are wholly for the sick. Their point is well taken, and will doubtless be pressed with the pluck and persistency which characterize the operations of these celebrated chemists. [Baltimore Clipper.]

"Well," said a Republican to a loud mouthed peace Copperhead the other day, "so Lincoln has sent Peace Commissioners to treat with the rebels." "Has he?" eagerly responded the peace cracker; "Who are they?" "Why he sent such fellows as Grant, Meade, Farragut, Sherman, and I believe one Phil Sheridan, and they are forwarding the peace movement most handsomely." It is unnecessary to say that the Copperhead wilted.

"Nigger-on-the-brain is a Copperhead complaint which they would willingly communicate to others. They are welcome to their disease; and the remedies will be applied by Dr. Grant before, and Dr. Lincoln after, the second Tuesday in November."

A Quaker, having sold a fine looking but blind horse, asked the purchaser, "Well, my friend, dost thou see any fault in him?" "No," said the purchaser. "Neither will he ever see any in thee."

Let every sweetheart tell her lover to-day that if he would be worthy of her love, or if he would have her wear the ring he gave, he must be true to his country.

MARRIED. October 6th, at the German Reformed Parsonage, Fennerville, by Rev. G. B. Dechant, Mr. L. P. Featherman, and Miss Kate Van-Gorden, both of Warren Co., N. J.

On Thursday, 6th inst., by Rev. W. J. Paxson, Mr. Jacob D. Addis, and Miss Nancy Litta, both of Knowlton township, Warren Co., N. J. (Warren Co. papers please copy.)

On Tuesday, the 11th inst., by the same, Mr. Edward F. Stewart, of Easton, Pa., and Miss Etta Spragle, of Stroudsburg, Pa. The bottle of excellent and sparkling champagne, which accompanied the above notice, was duly discussed by all hands in the office, accompanied with the warmest wishes for the future health, prosperity and happiness of the happy couple. In response to the patriotic sentiment which was found posted on the bottle, our "Inn" offered the following: May the Union of hearts, like the Union of States Never by traitors hands be destroyed, But may it be blessed in life early and late, With contentment and Peace unalloyed. And when in good old age, those united do set By the warm fireside, sparkling and pretty, May hosts of young Stewarts stand by them yet To bless the Union of Edward and Ettie.

On Monday, July 4th, by Rev. W. J. Paxson, Mr. Daniel H. Wyckoff, and Miss Hannah Dewitt, both of Stroudsburg.

BLANK LEASES For Sale at this Office.

U. S. 7-30 Loan.

The Secretary of the Treasury gives notice that subscriptions will be received for Coupon Treasury Notes, payable three years from Aug. 15th, 1864, with semi-annual interest at the rate of seven and three-tenths per cent. per annum,—principal and interest both to be paid in lawful money.

These notes will be convertible at the option of the holder at maturity, into six per cent. gold bearing bonds, payable not less than five nor more than twenty years from their date, as the Government may elect.—They will be issued in denominations of \$50, \$100, \$500, \$1,000, and \$5,000, and all subscriptions must be for fifty dollars or some multiple of fifty dollars.

The notes will be transmitted to the owners free of transportation charges as soon after the receipt of the original Certificates of Deposit as they can be prepared. As the notes draw interest from August 15, persons making deposits subsequent to that date must pay the interest accrued from date of deposit.

Parties depositing twenty-five thousand dollars and upwards for these notes at any one time will be allowed a commission of one quarter of one per cent, which will be paid by the Treasury Department upon the receipt of a bill for the amount, certified to by the officer with whom the deposit was made. No deductions for commissions must be made from the deposits.

Special Advantages of this Loan. It is a National Savings Bank, offering a higher rate of interest than any other, and the best security. Any savings bank which pays its depositors in U. S. Notes, considers that it is paying in the best circulating medium of the country, and it cannot pay in anything better, for its own assets are either in government securities or in notes or bonds payable in government paper.

It is equally convenient as a temporary or permanent investment. The notes can always be sold for within a fraction of their face and accumulated interest, and are the best security with banks as collaterals for discounts.

Convertible into a Six per Cent. 5-20 Gold Bond. In addition to the very liberal interest on the notes for three years, this privilege of conversion is now worth about three per cent per annum, for the current rate 5-20 Bonds is not less than nine per cent. premium, and before the war the premium on six per cent. U. S. stocks was over twenty per cent. It will be seen that the actual profits on this loan, at the present market rates, is not less than ten per cent. per annum.

Its Exemption from State or Municipal Taxation. But aside from all the advantages we have enumerated, a special Act of Congress exempts all bonds and Treasury notes from local taxation. On the average, this exemption is worth about two per cent. per annum, according to the rate of taxation in various parts of the country.

It is believed that no securities offer so great inducements to lenders as those issued by the government. In all other forms of indebtedness, the faith or ability of private parties or stock companies or separate communities only, is pledged for payment, while the whole property of the country is held to secure the discharge of all the obligations of the United States.

While the government offers the most liberal terms for its loans, it believes that the very strongest appeal will be to the loyalty and patriotism of the people. Duplicate certificates will be issued for all deposits. The party depositing must endorse upon the original certificate the denomination of notes required, and whether they are to be issued in blank or payable to order.—When so endorsed it must be left with the officer receiving the deposit, to be forwarded to the Treasury Department.

Subscriptions will be received by the Treasurer of the United States, at Washington, the several Assistant Treasurers and designated Depositories and by the First National Bank of Scranton Pa., Second National Bank of Scranton, Pa. and by all National Banks which a depositories of public money, and all RESPECTABLE BANKS and BANKERS throughout the country will give further information and Afford every Facility to Subscribers. September 1, 1864.

IMPORTANT TO ALL INVALIDS.

IRON IN THE BLOOD. It is well known to the medical profession that IRON is the Vital Principle of Life Element of the Blood. This is derived chiefly from the food we eat; but if the food is not properly digested, or if, from any cause whatever, the necessary quantity of iron is not taken into the circulation, or becomes reduced, the whole system suffers. The bad blood will irritate the heart, will clog up the lungs, will stupify the brain, will obstruct the liver, and will send its disease-producing elements to all parts of the system, and every one will suffer in whatever organ may be predisposed to disease.

The great value of IRON AS A MEDICINE is well known and acknowledged by all medical men. The difficulty has been to obtain such a preparation of it as will enter the circulation and assimilate at once with the blood. This point, says Dr. Hayes, Massachusetts State Chemist, has been attained in the Peruvian Syrup, by combination in a way before unknown.

THE PERUVIAN SYRUP is a PROTRACTED solution of the PROTOXIDE OF IRON. A NEW DISCOVERY IN MEDICINE, that strikes at the Root of Disease by supplying the blood with its Vital Principle or Life Element—Iron.

THE PERUVIAN SYRUP Cures Dyspepsia, Liver complaint, Dropsy, Fever and Ague, Loss of Energy, Low Spirits.

THE PERUVIAN SYRUP Infuses strength, vigor, and new life into the system, and builds up an "Iron Constitution."

THE PERUVIAN SYRUP Cures Chronic Diarrhoea, Scrofula, Boils, Scoury, Loss of Constitutional Vigor.

THE PERUVIAN SYRUP Cures Nervous Affections, Female Complaints, and all diseases of the Kidneys and Bladder.

THE PERUVIAN SYRUP Is a Specific for all diseases originating in a BAD STATE OF THE BLOOD, or accompanied by Debility or a Low State of the System.
