

THANKSGIVING DAY.
Governor Curtin's Proclamation.
In the name and by the authority of the Commonwealth of Pennsylvania, Andrew G. Curtin Governor of the said Commonwealth.

A PROCLAMATION.
WHEREAS, It is the honored custom of Pennsylvania to set apart, on the recommendation of the Executive, a day for returning thanks to the Giver of all Good, the Shepherd and Bishop of our souls; now, therefore,
I, ANDREW G. CURTIN, Governor as aforesaid, do recommend that the people throughout the Commonwealth observe **THURSDAY**, the twenty-fourth day of November instant, as a day of Thanksgiving to Almighty God,
For the gathered fruits of the earth;
For the continuance of health;
For the prosperity of industry;
For the preservation of good order and tranquility throughout our borders;
For the victories which he has vouchsafed to us over armed traitors;
And for the manifold blessings which he has heaped upon us, unworthy.
And that they do, moreover, humbly beseech Him to renew and increase His merciful favor toward us during the year to come, so that, rebellion being overthrown, peace may be restored to our distracted country, and, in every State, with grateful and loving accord, the incense of praise and thanksgiving may be offered by all the people unto His holy name.
Given under my hand and the great seal of the State at Harrisburg, this second day of November, in the year of our Lord one thousand eight hundred and sixty-four, and of the Commonwealth the eighty-ninth.

[L. S.] By the Governor:
ELI SLIFER, Sec'y of the Commonwealth.

IMPROVEMENTS.
Men are apt to denounce all projects proposed,
Which they do not at once comprehend,
To discourage, instead of promoting a good,
Too often their efforts they lend.
In all ages improvement projectors have met
With discouragements in every plan
For the comfort, domestic and public,
Of that sprig of humanity—man.
It is very unsafe to affirm positively,
This thing or that cannot be done,
Notwithstanding prognostics of failure sometimes,
Important achievements are won.
In matters of dress even some men believe
It is best to adhere to old styles,
Not so however, that promulgator of Fashions,
Our enterprising citizen, Pyle,
I have just placed on my counters a splendid assortment of Boy's and Children's Clothing for winter wear, to which the attention of the public is particularly invited.
R. C. Pyle.

Ayer's Cathartic Pills
ARE the most perfect purgative which we are able to produce or which we think has ever been made by any body. Their effects have abundantly shown to the community how much they excel the ordinary medicines in use. They are safe and pleasant to take, but powerful to cure. Their purgative properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart a healthy tone with strength to the whole system. Not only do they cure the every-day complaints of everybody, but also formidable and dangerous diseases. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief, were they not substantiated by men of such exalted position and character, as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of our remedies, while others have sent us the assurance of their conviction that our Preparations contribute immensely to the relief of our afflicted, suffering fellow men.
The agent below named is pleased to furnish gratis our American Almanac, containing directions for the use and certificates of their cures, of the following complaints:—
Constiness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from foul stomach, Nausea, Indigestion, Morbid inclination of the Bowels and Pain arising therefrom, Flatulency, loss of Appetite, all Diseases which require an evacuant medicine. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body, or obstruction of its functions.
Do not be put off by unprincipled dealers with other preparations which they make more profit on. Demand AYER'S and take no others. The sick want the best aid there is for them, and they should have it.
Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by Wm. Hollingshead, Dreher & Brother, in Stroudsburg, and by dealers in medicine everywhere.

U. S. 7-30 Loan.
The Secretary of the Treasury gives notice that subscriptions will be received for Coupon Treasury Notes, payable three years from Aug. 16th, 1864, with semi-annual interest at the rate of seven and three-tenths per cent per annum,—principal and interest both to be paid in lawful money.
These notes will be convertible at the option of the holder at maturity, into six per cent gold bearing bonds, payable not less than five nor more than twenty years from their date, as the Government may elect.—They will be issued in denominations of \$50, \$100, \$500, \$1,000, and \$5,000, and all subscriptions must be for fifty dollars or some multiple of fifty dollars.
The notes will be transmitted to the owners free of transportation charges as soon after the receipt of the original Certificates of Deposit as they can be prepared.
As the notes draw interest from August 15, persons making deposits subsequent to that date must pay the interest accrued from date of deposit.
Parties depositing twenty-five thousand dollars and upwards for these notes at any one time will be allowed a commission of one quarter of one per cent, which will be paid by the Treasury Department upon the receipt of a bill for the amount, certified to by the officer with whom the deposit was made. No deductions for commissions must be made from the deposits.
Special Advantages of this Loan.
It is a National Savings Bank, offering a higher rate of interest than any other, and the best security. Any savings bank which pays its depositors in U. S. Notes, considers that it is paying in the best circulating medium of the country, and it cannot pay in anything better, for its own assets are either in government securities or in notes or bonds payable in government paper.
It is equally convenient as a temporary or permanent investment. The notes can always be sold for within a fraction of their face and accumulated interest, and are the best security with banks as collaterals for discounts.
Convertible into a Six per Cent. 5-20 Gold Bond.
In addition to the very liberal interest on the notes for three years, this privilege of conversion is now worth about three per cent per annum, for the current rate 5-20 Bonds is not less than nine per cent premium, and before the war the premium on six per cent U. S. stocks was over twenty per cent. It will be seen that the actual profits on this loan, at the present market rates, is not less than ten per cent per annum.

Its Exemption from State or Municipal Taxation.
But aside from all the advantages we have enumerated, a special Act of Congress exempts all bonds and Treasury notes from local taxation. On the average, this exemption is worth about two per cent per annum, according to the rate of taxation in various parts of the country.
It is believed that no securities offer so great inducements to lenders as those issued by the government. In all other forms of indebtedness, the faith or ability of private parties or stock companies or separate communities only, is pledged for payment, while the whole property of the country is held to secure the discharge of all the obligations of the United States.
While the government offers the most liberal terms for its loans, it believes that the very strongest appeal will be to the loyalty and patriotism of the people.
Duplicate certificates will be issued for all deposits. The party depositing must endorse upon the original certificate the denomination of notes required, and whether they are to be issued in blank or payable to order.—When so endorsed it must be left with the officer receiving the deposit, to be forwarded to the Treasury Department.
Subscriptions will be received by the Treasurer of the United States, at Washington, the several Assistant Treasurers and designated Depositories and by the
First National Bank of Scranton Pa.
Second National Bank of Scranton, Pa.
and by all National Banks which a depositaries of public money, and all
RESPECTABLE BANKS AND BANKERS
throughout the country will give further information and
Afford every Facility to Subscribers.

IMPORTANT TO ALL INVALIDS.
IRON IN THE BLOOD.
It is well known to the medical profession that IRON is the Vital Principle of Life Element of the blood. This is derived chiefly from the food we eat; but if the food is not properly digested, or if, from any cause whatever, the necessary quantity of iron is not taken into the circulation, or becomes reduced, the whole system suffers. The bad blood will irritate the heart, will clog up the lungs, will stupefy the brain, will obstruct the liver, and will send its disease-producing elements to all parts of the system, and every one will suffer in whatever organ may be predisposed to disease.
The great value of
IRON AS A MEDICINE
is well known and acknowledged by all medical men. The difficulty has been to obtain such a preparation of it as will enter the circulation and assimilate at once with the blood. This point, says Dr. Hayes, Massachusetts State Chemist, has been attained in the Peruvian Syrup, by combination in a way before unknown.
THE PERUVIAN SYRUP
is a PROTRACTED solution of the PROTOXIDE OF IRON. A NEW DISCOVERY IN MEDICINE, that Strikes at the Root of Disease by supplying the blood with its Vital Principle or Life Element—IRON.
THE PERUVIAN SYRUP
Cures Dyspepsia, Liver complaint, Dropsy, Fever and Ague, Loss of Energy, Low Spirits.
THE PERUVIAN SYRUP
Infuses strength, vigor, and new life into the system, and builds up an "Iron Constitution."
THE PERUVIAN SYRUP
Cures Chronic Diarrhoea, Scrophulous, Scoury, Loss of Constitutional Vigor
THE PERUVIAN SYRUP
Cures Nervous Affections, Female Complaints, and all diseases of the Kidneys and Bladder.
THE PERUVIAN SYRUP
is a Specific for all diseases originating in a BAD STATE OF THE BLOOD, or accompanied by Debility or a Low State of the System.

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth of ivory and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far. Hence the necessity of obtaining the services of a dentist near home. All work warranted.
