

Ayre's Ague Cure.

FOR THE SPEEDY CURE OF
Intermittent Fever, or Fever and Ague,
Remittent Fever, Chill Fever, Dumb
Ague, Periodical Headache or Bilious
Headache, and Bilious Fevers, indeed
for the whole class of diseases originating
in biliary derangement, caused by
the Malaria of miasmatic countries.
Fever and Ague is not the only conse-
quence of the miasmatic poison. A great
variety of disorders arise from its irritation,
in malarious districts, among which are Neu-
ralgia, Rheumatism, Gout, Headache, Blind-
ness, Toothache, Earache, Catarrh, Asthma,
Palpitation, Painful Affection of the Spine,
Hysterics, Pain in the Bowels, Colic, Paraly-
sis, and Derangement of the Stomach, all
of which, when originating in this cause put
on the intermittent type, or become periodical.
This "Cure" expels the poison from
the blood, and thus cures them all alike. It
is not only the most effectual remedy ever
discovered for this class of complaints, but
it is the cheapest and moreover is perfectly
safe. No harm can arise from its use, and
the patient when cured is left as healthy as
if he had never had the disease. Can this
be said of any other cure for Chills and Fe-
ver? It is true of this, and its importance
to those afflicted with the complaint cannot
be over estimated. So sure is it to cure the
Fever and Ague, that it may be truthfully
said to be a certain remedy. One Dealer
complains that it is not a good medicine to
sell, because one bottle cures a whole neigh-
borhood.
Prepared by J. C. Ayre & Co., Lowell,
Mass., and sold by Wm. Hollinshead, Dreher
& Brother, in Stroudsburg, and by dealers
in medicine everywhere.

U. S. 7-30 Loan.

The Secretary of the Treasury gives notice
that subscriptions will be received for
Coupon Treasury Notes, payable three years
from Aug. 15th, 1864, with semi-annual in-
terest at the rate of seven and three-tenths
per cent. per annum,—principal and inter-
est both to be paid in lawful money.

These notes will be convertible at the op-
tion of the holder at maturity, into six per
cent. gold bearing bonds, payable not less
than five nor more than twenty years from
their date, as the Government may elect.—
They will be issued in denominations of \$50,
\$100, \$500, \$1,000, and \$5,000, and all
subscriptions must be for fifty dollars or some
multiple of fifty dollars.

The notes will be transmitted to the own-
ers free of transportation charges as soon as
the receipt of the original Certificates of
Deposit as they can be prepared.

As the notes draw interest from August
15, persons making deposits subsequent to
that date must pay the interest accrued from
date of deposit

Parties depositing twenty-five thousand
dollars and upwards for these notes at any
one time will be allowed a commission of one
quarter of one per cent., which will be paid
by the Treasury Department upon the re-
ceipt of a bill for the amount, certified to by
the officer with whom the deposit was made.
No deductions for commissions must be made
from the deposits.

Special Advantages of this Loan.

It is a National Savings Bank, offering a
higher rate of interest than any other, and
the best security. Any savings bank which
pays its depositors in U. S. Notes, considers
that it is paying in the best circulating me-
dium of the country, and it cannot pay in
anything better, for its own assets are either
in government securities or in notes or bonds
payable in government paper.

It is equally convenient as a temporary or
permanent investment. The notes can al-
ways be sold for within a fraction of their
face and accumulated interest, and are the
best security with banks as collaterals for
discounts.

Convertible into a Six per Cent. 5-20 Gold Bond.

In addition to the very liberal interest on
the notes for three years, this privilege of
conversion is now worth about three per cent
per annum, for the current rate 5-20 Bonds
is not less than nine per cent. premium,
and before the war the premium on six per
cent. U. S. stocks was over twenty per cent.
It will be seen that the actual profits on this
loan, at the present market rates, is not less
than ten per cent. per annum.

Its Exemption from State or Municipal Taxation.

But aside from all the advantages we have
enumerated, a special Act of Congress ex-
empts all bonds and Treasury notes from
local taxation. On the average, this exemp-
tion is worth about two per cent. per an-
num, according to the rate of taxation in va-
rious parts of the country.

It is believed that no securities offer so
great inducements to lenders as those issued
by the government. In all other forms of
indebtedness, the faith or ability of private
parties or stock companies or separate com-
munities only, is pledged for payment,
while the whole property of the country is held
to secure the discharge of all the obligations
of the United States.

While the government offers the most lib-
eral terms for its loans, it believes that the
very strongest appeal will be to the loyalty
and patriotism of the people

Duplicate certificates will be issued for all
deposits. The party depositing must endorse
upon the original certificate the denomina-
tion of notes required, and whether they are
to be issued in blank or payable to order.—
When so endorsed it must be left with the
officer receiving the deposit, to be forwarded
to the Treasury Department.

Subscriptions will be received by the
Treasurer of the United States, at Washing-
ton, the several Assistant Treasurers and
designated Depositories and by the

First National Bank of Scranton Pa.

Second National Bank of Scranton, Pa.

and by all National Banks which a deposita-
ries of public money, and all

RESPECTABLE BANKS AND BANKERS

throughout the country will give further in-
formation and

Afford every Facility to Subscribers.

Ayer's Cathartic Pills

ARE the most perfect purgative which we
are able to produce or which we think
has ever been made by any body. Their ef-
fects have abundantly shown to the com-
munity how much they excel the ordinary me-
dicines in use. They are safe and pleasant
to take, but powerful to cure. Their pen-
etrating properties stimulate the vital activi-
ties of the body, remove the obstructions of
its organs, purify the blood, and expel dis-
ease. They purge out the foul humors which
breed and grow distemper, stimulate sluggish
or disordered organs into their natural ac-
tion, and impart a healthy tone with strength
to the whole system. Not only do they cure
the every-day complaints of everybody, but
also formidable and dangerous diseases.—
While they produce powerful effects, they
are at the same time, in diminished doses,
the safest and best physic that can be em-
ployed for children. Being sugar-coated,
they are pleasant to take; and being purely
vegetable, are free from any risk of harm.—
Cures have been made which surpass belief,
were they not substantiated by men of such
exalted position and character, as to forbid
the suspicion of untruth. Many eminent
clergymen and physicians have lent their
names to certify to the public the reliability
of our remedies, while others have sent us
the assurance of their conviction that our
Preparations contribute immensely to the re-
lief of our afflicted, suffering fellow men.
The agent below named is pleased to fur-
nish gratis our American Almanac, contain-
ing directions for the use and certificates of
their cures, of the following complaints:—
Constiveness, Bilious Complaints, Rheuma-
tism, Dropsy, Heartburn, Headache arising
from foul stomach, Nausea, Indigestion, Mor-
bid insinuation of the Bowels and Pain arising
therefrom, Flatulency, loss of Appetite, all
Diseases which require an evacuant medicine.
They also, by purifying the blood and stimu-
lating the system, cure many complaints which
it would not be supposed they could reach,
such as Deafness, Partial Blindness, Neural-
gia and Nervous Irritability, Derangements
of the Liver and Kidneys, Gout, and other
kindred complaints arising from a low state
of the body, or obstruction of its functions.
Do not be put off by unprincipled dealers
with other preparations which they make
more profit on. Demand Ayer's and take
no others. The sick want the best aid there
is for them, and they should have it.
Prepared by Dr. J. C. AYER & Co., Low-
ell, Mass., and sold by Wm. Hollinshead,
Dreher & Brother, in Stroudsburg, and by
dealers in medicine everywhere.
