

PROSPECTUS OF THE JACKSON OIL COMPANY, OF PHILADELPHIA. CAPITAL, 400,000. Divided into 80,000 Shares at \$5 per share. SUBSCRIPTION PRICE \$2 PER SHARE. With a reserved Working capital of \$50,000. E. W. DAVIS, President. L. W. BRODHEAD, Sec. & Treas. DIRECTORS: E. W. DAVIS, THOS. M. McILHANEY, JAS. M. SELLERS, GEO. E. PAINTER, GEO. S. JONES, A. REEVES JACKSON, L. W. BRODHEAD.

This Company owns in fee simple seventy-seven and three-tenths acres on the East side of the Allegheny River, in Rockland township, Venango County, Pennsylvania. It is situated five miles below the town of Franklin, opposite the mouth of the West Sandy Creek, and has a frontage of 110 rods on the river. It is but a short distance below the celebrated Hoover well which is yielding 200 barrels of oil daily. Other yielding wells surround it in every direction, and within the past few weeks two new wells have been struck in the immediate neighborhood, one of which is producing daily 30 barrels of heavy lubricating oil worth at the well \$30 per barrel.

A fine vein of Bituminous coal, easily accessible, is on part of the land, and in view of the enormous high price of coal in that region, is an important consideration, and will enable the company not only to supply its own wants in that respect, but to derive an income from its sale to others. The adjoining properties are in the hands of good and prosperous companies, all in successful operation, and it is believed that no oil company has started out with better prospects for paying large and regular monthly dividends.

This Company intend developing their land without the least delay, and for this purpose have arranged for the necessary engines, tools, tubing, &c., all of which will be put upon the ground and in operation as soon as the season will permit. In addition to their own wells, the Company also propose to lease to responsible parties portions of their land divided into lots of 10 square rods each, at a rent of one half the oil, the Company to be at no expense whatever. They will have at least fifty such lots to lease, all of which can be leased at once if deemed expedient, with covenants binding lessees to sink wells with all possible despatch to the depth of five hundred or more feet. Estimating, only one well to each lot, fifty wells, at the very moderate average of ten barrels each, would make a daily product of 500 barrels. Of this the Company's share would be 250 barrels. Value of daily yield to the Company at \$30 per Barrel, \$7,500.

Allowing 250 working days to the year, the Company's annual net receipts from leases alone would be \$1,875,000. The Company also intend sinking on their own account, at least five wells. Should they be successful with only one, it would produce, estimating as above, a yearly income of \$75,000. From which deduct for expenses (a large estimate) 15,000. And it leaves an annual net income of 60,000. To which add income from leases 1,875,000. Making a yearly income of \$1,935,000. This is thought by those who are acquainted with this locality, to be a moderate estimate, and yet it is easy to see that even this amount of success would make the property of the Company in value, almost surpass belief.

The durability of this immediate oil section is illustrated by the fact that wells above and below this property have been pumping over four years, with a steady yield, and without any diminution. A FEW PLAIN WORDS TO SUBSCRIBERS. Subscribers to the stock of this Company cannot expect to receive immediately large monthly dividends; if they were able to do so they could not purchase it for ten times the amount at which it is offered. But the basis on which the Company rests, will, it is believed, make the investment entirely safe, and, prospectively, of enormous value.

The President, Col. E. W. Davis, formerly of Franklin, Venango County, is well known as one of the most successful and energetic business men who have engaged in the petroleum interest, and the respectability and integrity of the other officers and Directors of the Company, furnish a sufficient guaranty that their conduct of the business of the Company will be entitled to the confidence and approval of all who may invest in the enterprise. The Directors have determined to sell only a limited amount of the Capital Stock at the subscription price of \$2 per share, per value \$5, the same being full paid up stock, not liable to any further assessment, in which respects the original subscribers, and those who may now subscribe, stand on precisely the same footing.

Subscriptions will be received at the office of the Company, 224 South Fourth st., Philadelphia, or at the office of the undersigned, A. REEVES JACKSON, Subscription Agent. Stroudsburg, Feb. 16, 1865.

IMPORTANT TO ALL INVALIDS.

IRON IN THE BLOOD. It is well known to the medical profession that IRON is the Vital Principle of Life Element of the blood. This is derived chiefly from the food we eat; but if the food is not properly digested, or if, from any cause whatever, the necessary quantity of iron is not taken into the circulation, or becomes reduced, the whole system suffers. The bad blood will irritate the heart, will clog up the lungs, will stupefy the brain, will obstruct the liver, and will send its disease-producing elements to all parts of the system, and every one will suffer in whatever organ may be predisposed to disease.

The great value of IRON AS A MEDICINE is well known and acknowledged by all medical men. The difficulty has been to obtain such a preparation of it as will enter the circulation and assimilate at once with the blood. This point, says Dr. Hayes, Massachusetts State Chemist, has been attained in the Peruvian Syrup, by combination in a way before unknown. THE PERUVIAN SYRUP is a PROTRACTED solution of the PEROXIDE OF IRON. A NEW DISCOVERY IN MEDICINE, that Strikes at the Root of Disease by supplying the blood with its Vital Principle or Life Element—Iron.

THE PERUVIAN SYRUP Cures Dyspepsia, Liver complaint, Dropsy Fever and Ague, Loss of Energy, Low Spirits. THE PERUVIAN SYRUP Infuses strength, vigor, and new life into the system, and builds up an "Iron Constitution."

THE PERUVIAN SYRUP Cures Chronic Diarrhea, Scrofula, Boils, Scoury, Loss of Constitutional Vigor. THE PERUVIAN SYRUP Cures Nervous Affections, Female Complaints, and all diseases of the Kidneys and Bladder.

THE PERUVIAN SYRUP is a Specific for all diseases originating in a BAD STATE OF THE BLOOD, or accompanied by Debility or a Low State of the System. Pamphlets containing certificates of cures and recommendations from some of the most eminent Physicians, Clergymen, and others, will be sent FREE to any address.
