

U. S. 7-30 Loan.

The sale of the first series of \$300,000,000 of the 7-30 Loan was completed on the 31st of March, 1865. The sale of the second series of Three Hundred Millions, payable three years from the 15th day of June, 1865, was begun on the 1st of April. In the short space of thirty days, over One Hundred Millions of this series have been sold—leaving this day less than Two Hundred Millions to be disposed of. The interest is payable semi-annually in currency on the 15th of December and 15th of June by Coupons attached to each note, which are readily cashed anywhere.

The interest amounts to
One cent per day on a \$50 note.

MORE AND MORE DESIRABLE.
The Rebellion is suppressed, and the Government has already adopted measures to reduce expenditures as rapidly as possible to a peace footing, thus withdrawing from market as borrower and purchaser.
This is the ONLY LOAN IN MARKET now offered by the Government, and constitutes the GREAT POPULAR LOAN OF THE PEOPLE.

The Seven-Thirty Notes are convertible on their maturity, at the option of the holder, into

U. S. 5-20 Six per cent Gold-Bearing Bonds.

Which are always worth a premium.

Free from Taxation.

The 7.30 Notes cannot be taxed by Towns, Cities, Counties or States, and the interest is not taxed unless on a surplus of the owner's income exceeding six hundred dollars a year. This fact increases their value from one to three per cent. per annum, according to the rate levied on other property.

Subscribe Quickly.

Less than \$200,000,000 of the Loan authorized by the last Congress are now on the market. This amount, at the rate at which it is being absorbed, will be subscribed for within two months, when the notes will undoubtedly command a premium, as has uniformly been the case on closing the subscriptions to other Loans. It now seems probable that no considerable amount beyond the present series will be offered to the public.

In order that citizens of every town and section of the country may be afforded facilities for taking the loan, the National Banks, State Banks, and Private Banks throughout the country have generally agreed to receive subscriptions at par. Subscribers will select their own agents, in whom they have confidence, and who only are to be responsible for the delivery of the notes for which they receive orders.
JAY COOKE,
Subscription Agent, Philadelphia.
Subscriptions will be received by the Stroudsburg Bank, and the First National Bank of Scranton Pa. May 11, 1865.

COMPOUND SYRUP OF WILD CHERRY AND SENEKA SNAKE ROOT,
Will cure the Diseases of the
Throat and Lungs,
Such as Colds, Coughs, Croup, Asthma, Bronchitis, Catarrh, Sore Throat, Hoarseness, Whooping Cough, &c.

ITS TIMELY USE WILL PREVENT PULMONARY CONSUMPTION,
And even where this fearful disease has taken hold it will afford greater relief than any other medicine.
Miss Kate Vanderslice of Pottsville, says: "I was benefitted more by using the Phoenix Pectoral than any other medicine I ever used."

Elias Oberholtzer, of Lionville, Chester county, was cured of a cough of many years' standing by using the Phoenix Pectoral.
John Royer, editor of the Independent Phoenix, having used it, has no hesitation in pronouncing it a complete remedy for cough, hoarseness and irritation in the throat.
Dr. Oberholtzer is a member of the Alumni of the Medical Department of the University of Pennsylvania, at which institution he graduated in 1854.
Mrs. Mary Butler, mother of Hon. Wm. Butler, President Judge of the Chester and Delaware District, says that she cannot do without the Phoenix Pectoral.
The proprietor of this medicine has so much confidence in its curative powers, from the testimony of hundreds who have used it, that the money will be paid back to any purchaser who is not satisfied with its effects.
It is so pleasant to take that children cry for it.
It costs only 25 cents, large bottles \$1.
It is intended for only one class of diseases, namely, those of the throat and lungs.

Manhood: how Lost, how Restored.

Just published, a new edition of
Dr. Cutverwell's Celebrated Essay on the radical cure (without medicine) of SPERMATORRHOEA, or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc.; also CONSUMPTION, EPILEPSY, and FITS; induced by self-indulgence or sexual extravagance.
Price, in a sealed envelope, only six cents.
The celebrated author in this admirable essay clearly demonstrates, from a thirty years' successful practice, that the alarming consequence of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife—pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter his condition may be, may cure himself cheaply, privately, and radically.
This Lecture should be in the hands of every youth and every man in the land.

PROSPECTUS OF THE JACKSON OIL COMPANY,

OF PHILADELPHIA.
CAPITAL, 400,000.
Divided into 80,000 Shares at \$5 per share
SUBSCRIPTION PRICE \$2 PER SHARE.
With a reserved Working capital of \$50,000.

DIRECTORS.

E. W. DAVIS, THOS. M. McILHANEY,
JAS. M. SELLERS, GEO. E. PAINTER,
GEO. S. JONES, A. REEVES JACKSON,
L. W. BRODHEAD.

This Company owns in fee simple seventy-seven and three-tenths acres on the East side of the Allegheny River, in Rockland township, Venango County, Pennsylvania. It is situated five miles below the town of Franklin, opposite the mouth of the West Sandy Creek, and has a frontage of 110 rods on the river. It is but a short distance below the celebrated Hoover well which is yielding 200 barrels of oil daily. Other yielding wells surround it in every direction, and within the past few weeks two new wells have been struck in the immediate neighborhood, one of which is producing daily 30 barrels of heavy lubricating oil worth at the well \$30 per barrel.
A fine vein of Bituminous coal, easily accessible, is on part of the land, and in view of the enormously high price of coal in that region, is an important consideration, and will enable the company not only to supply its own wants in that respect, but to derive an income from its sale to others.
The adjoining properties are in the hands of good and prosperous companies, all in successful operation, and it is believed that no oil company has started out with better prospects for paying large and regular monthly dividends.

This Company intend developing their land without the least delay, and for this purpose have arranged for the necessary engines, tools, tubing, &c., all of which will be put upon the ground and in operation as soon as the season will permit.
In addition to their own wells, the Company also propose to lease to responsible parties portions of their land divided into lots of 10 square rods each, at a rent of one half the oil, the Company to be at no expense whatever. They will have at least fifty such lots to lease, all of which can be leased at once if deemed expedient, with covenants binding lessees to sink wells with all possible despatch to the depth of five hundred or more feet. Estimating, only one well to each lot, fifty wells, at the very moderate average of ten barrels each, would make a daily product of 500 barrels. Of this the Company's share would be 250 barrels.

Value of daily yield to the Company at \$20 per Barrel, \$7,500.
Allowing 250 working days to the year, the Company's annual net receipts from leases alone would be \$1,875,000.
The Company also intend sinking on their own account, at least five wells. Should they be successful with only one, it would produce, estimating as above, a yearly income of \$75,000.
From which deduct for expenses 15,000
And it leaves an annual net income of 60,000
To which add income from leases 1,875,000
Making a yearly income of \$1,935,000

This is thought by those who are acquainted with this locality, to be a moderate estimate, and yet it is easy to see that even this amount of success would make the property of the Company in value, almost surpass belief.
The durability of this immediate oil section is illustrated by the fact that wells above and below this property have been pumping over four years, with a steady yield, and without any diminution.
A FEW PLAIN WORDS TO SUBSCRIBERS.
Subscribers to the stock of this Company cannot expect to receive immediately large monthly dividends; if they were able to do so they could not purchase it for ten times the amount at which it is offered. But the basis on which the Company rests, will, it is believed, make the investment entirely safe, and, prospectively, of enormous value.
The President, Col. E. W. Davis, formerly of Franklin, Venango County, is well known as one of the most successful and energetic business men who have engaged in the petroleum interest, and the respectability and integrity of the other officers and Directors of the Company, furnish a sufficient guaranty that their conduct of the business of the Company will be entitled to the confidence and approval of all who may invest in the enterprise.
The Directors have determined to sell only a limited amount of the Capital Stock at the subscription price of \$2 per share, par value \$5, the same being full paid up stock, not liable to any further assessment, in which respects the original subscribers, and those who may now subscribe, stand on precisely the same footing.
Subscriptions will be received at the office of the Company, 224 South Fourth st., Philadelphia, or at the office of the undersigned.

Wistar's Balsam

OF WILD CHERRY.
ONE OF THE OLDEST AND MOST RELIABLE REMEDIES IN THE WORLD FOR
Coughs, Colds, Whooping Cough, Bronchitis, Difficulty of Breathing, Asthma, Hoarseness, Sore Throat, Croup and every affection of THE THROAT, LUNGS AND CHEST, INCLUDING EVEN CONSUMPTION.
Wistar's Balsam of Wild Cherry.
So general has the use of this remedy become, and so popular is it everywhere, that it is unnecessary to recount its virtues. Its works speak for it, and fine utterance in the abundant and voluntary testimony of the many who from long suffering and settled disease have by its use been restored to pristine vigor and health. We can present a mass of evidence in proof of our assertions that CANNOT BE DISCREDITED.

The Rev. Jacob Sechler, Well known and much respected among the German population in this country, makes the following statement for the benefit of the afflicted.
HAROVER, Pa. Feb. 16, 1860.
Dear Sirs:—Having realized in my family important benefits from the use of your valuable preparation—Wistar's Balsam of Wild Cherry—it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case, made frequent use of your valuable medicine, and have always been benefited by it.
JACOB SECHLER.

From Hon. John E. Smith, a distinguished Lawyer in Westminster, Md.
I have on several occasions used Dr. Wistar's Balsam of Wild Cherry for severe colds, and always with decided benefit. I know of no preparation that is more efficacious or more deserving of general use.
The Balsam has also been used with excellent effect by J. B. ELLIOTT, Merchant, Hall's Cross Roads, Md.
