

Ayer's Cherry Pectoral.

FOR THE RAPID CURE OF
Coughs, Colds, Influenza, Hoarseness,
Croup, Bronchitis, Incipient, Consumption,
and for the relief of Consumptive
Patients in advanced stages of the dis-
ease.

So wide is the field of its usefulness and
so numerous are the cures, that almost every
section of country abounds in persons pub-
licly known, who have been restored from a
laming and even desperate diseases of the
lungs by its use. When once tried, its su-
periority over every other expectorant is too
apparent to escape observation, and where
its virtues are known, the public no longer
hesitate what antidote to employ for the dis-
tressing and dangerous affections of the pul-
monary organs that are incident to our cli-
mate. While many inferior remedies thrust
upon the community have failed and been
discarded, this has gained friends by every
trial, conferred benefits on the afflicted that
can never be forgotten, and produced cures too
numerous and too remarkable to be forgotten.

We can only assure the public, that its
quality is carefully kept up to the best it ever
has been, and that it may be relied on to do
for the relief all that it has ever done.

Great numbers of Clergymen, Physicians,
Statesmen, and eminent persons, have
lent their names to certify the unparalleled
usefulness of our remedies, but space here
will not permit the insertion of them. The
Agents below named furnish gratis our
American Almanac in which they are given;
with also full descriptions of the complaints
they cure.

Those who require an alternative medicine
to purify the blood will find Ayer's Comp.
Ext. Sassaaparilla the remedy to use. Try
it once, and you will know its value.

Prepared by J. C. Ayre & Co., Lowell,
Mass., and sold by Wm. Hollinshead, Dreher
& Broth, in Stroudsburg, and by dealers
in medicine everywhere.

The White Mountain Bank, Lancaster,
New Hampshire, has suspended payment
and its assets are now in the hands of
assignees.

Barnum's Museum with all the curiosi-
ties, and several adjoining buildings in
New York, were destroyed by fire on
Thursday. The loss amounts to about
\$1,000,000.

The receipts of the Treasury from In-
ternal Revenue, average a little more than
\$400,000 a day.

Gen. Grant's log house, in which he
lived whilst before Richmond, is now on
its way to Philadelphia.

There were extensive freshets along the
line of the Raritan River, in New Jersey,
on Sunday, and in the Schuylkill, at
Philadelphia. Railway bridges were car-
ried away, freight trains smashed up, and
a great amount of damage done.

A farmer from Warren county, N. J.,
named George Best, was swindled out of
\$600 by a sharper in New York, on the
4th inst. He advanced the money, re-
ceiving for security a check for \$7,000
on a Chicago Bank, which was entirely
worthless.

A Missouri paper says there is a young
lady in Henry county, in that State, not
yet sixteen who is this year cultivating
sixteen acres of corn. She does all the
necessary work, including plowing. She
has undertaken this piece of work to ob-
tain money with which to educate her-
self.

There is a set of inhuman charlatans
going about the country, applying sul-
phuric acid to the teeth of their dupes,
which, while it gives a temporary brilliant
whiteness to the teeth in a short time ruins
them forever. Our country friends
should look out for these rascals, and
keep all such preparations from their
mouths.

In Bath, New York, a dwelling house
was burned, on one of the shades trees in
front of which a robin had built her nest.
While the flames were in progress the
mother flew back and forth, calling her
little brood, in the liveliest distress. But
when all proved unavailing, she calmly
took her place on the nest and perished
in the flames with her young.

A farmer told a friend of his, who had
come from town for a few days shooting,
that he once had an excellent gun that went
off upon a third coming into the house al-
though not charged. "Wonderful gun in-
deed," said the sportsman; "but how did it
happen? Must have been an Irish gun."
"Not at all," said the farmer; "the thief
and it went off together, and before I had
time to charge him with it."

TO THE NERVOUS, DEBILITATED
AND DESPONDENT OF BOTH
SEXES. A great sufferer having been
restored to health in a few days, after many
years of misery, is willing to assist his suf-
fering fellow-creatures by sending (free), on
the receipt of a postpaid addressed envelope,
a copy of the formula of cure employed.—

THE PHOENIX PECTORAL

WILL CURE YOUR COUGH.

AND SENEKA SNAKE ROOT,
Will cure the Diseases of the
Throat and Lungs,

Such as Colds, Coughs, Croup, Asthma,
Bronchitis, Catarrh, Sore Throat,
Hoarseness, Whooping Cough, &c.

ITS TIMELY USE WILL PREVENT
PULMONARY CONSUMPTION,
And even where this fearful disease has taken
any hold it will afford greater relief than
any other medicine.

Miss Kate Vanderslice of Pottsville, says:
"I was benefitted more by using the Phoe-
nix Pectoral than any other medicine I ever
used."

Elias Oberholtzer, of Lionville, Chester
county, was cured of a cough of many years'
standing by using the Phoenix Pectoral.

John Royer, editor of the Independent
Phoenix, having used it, has no hesitation in
pronouncing it a complete remedy for cough,
hoarseness and irritation in the throat.

Dr. Oberholtzer is a member of the Alumni
of the Medical Department of the University
of Pennsylvania, at which institution he
graduated in 1854.

Mrs. Mary Butler, mother of Hon. Wm.
Butler, President Judge of the Chester and
Delaware District, says that she cannot do
without the Phoenix Pectoral.

The proprietor of this medicine has so
much confidence in its curative powers, from
the testimony of hundreds who have used it,
that the money will be paid back to any pur-
chaser who is not satisfied with its effects.

It is so pleasant to take that children cry
for it.
It costs only 25 cents, large bottles \$1.
It is intended for only one class of dis-
eases, namely, those of the throat and lungs.
