Mary E. Surratt, the Murderess, is thus spoken of in a Boston paper: "Mary E. Surratt was a South American woman, who was brought to the United States when a child. She kept a resort for rebels and persons engaged in blockade-running. She was not only a rebel spy of the most dangerous type, but she has been in conspiracies of one sort and another all her life. She has long borne the reputation of a very dangerous as well as a very bad woman. She wielded a wonderful power over dissolute young men."

**Ayer's Cherry Pectoral.** FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.

So wide is the field of its usefulness, and so numerous are the cures, that almost every section of country abounds in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried, its superiority over every other expectorant is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs that are incident to our climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted that can never forget, and produced cures too numerous and too remarkable to be forgotten.

We can only assure the public, that its quality is carefully kept up to the best it ever has been, and that it may be relied on to do for the relief all that it has ever done.

Great numbers of Clergymen, Physicians, Statesmen, and eminent personages, have lent their names to certify the unparalleled usefulness of our remedies, but space here will not permit the insertion of them. The Agents below named furnish gratis our American Almanac in which they are given; with also full descriptions of the complaints they cure.

Those who require an alterative medicine to purify the blood will find Ayer's Comp. Ext. Sarsaparilla the remedy to use. Try it once, and you will know its value.

Prepared by J. C. Ayre & Co., Lowell, Mass., and sold by Wm. Hollingshead, Dreher & Brother, in Stroudsburg, and by dealers in medicine everywhere. August 4, 1864.—1yc2m.

**U. S. 7-30 Loan.**

**THIRD SERIES, \$230,000,000.**

By authority of the Secretary of the Treasury, the undersigned, the General Subscription Agent for the sale of United States Securities, offers to the public the third series of Treasury Notes, bearing seven and three-tenths per cent. interest per annum, known as the

**7-30 LOAN.** These notes are issued under date of July 15, 1865, and are payable three years from that date in currency, or are convertible at the option of the holder into

**U. S. 5-20 Six per cent Gold-Bearing Bonds.** These bonds are now worth a handsome premium, and are exempt, as are all the Government Bonds, from State, County, and Municipal taxation, which adds from one to three per cent. per annum to their value, according to the rate levied upon the other property. The interest is payable semi-annually by coupons attached to each note, which may be cut off and sold in any bank or banker.

The interest at 7-30 per cent. amounts to One cent per day on a \$50 note. Two cents " " " " \$100 " Ten " " " " " \$500 " 20 " " " " " \$1000 " \$1 " " " " " \$5000 "

Notes of all the denominations named will be promptly furnished upon receipt of subscriptions.

The Notes of this Third Series are precisely similar in form and privilege to the Seven-Thirties already sold, except that the Government reserves to itself the option of paying interest in gold coin at 6 per cent. instead of 7 3/10ths in currency. Subscribers will deduct the interest in currency up to July 15th, at the time when they subscribe.

The delivery of the notes of this third series of the Seven-thirties will commence on the 1st of June, and will be made promptly and continuously after that date.

The slight change made in the condition of this THIRD SERIES affects only the matter of the interest. The payment in gold, if made, will be equivalent to currency interest of the higher rate.

The return to specie payments, in the event of which only will the option to pay interest in Gold be availed of, would so reduce and equalize prices that purchases made with six per cent. in gold would be fully equal to those made with seven and three-tenths per cent. in currency. This is

**The Only Loan in Market** Now offered by the Government, and its superior advantages make it the

**Great Popular Loan of the People.** Less than \$230,000,000 of the Loan authorized by the last Congress are now on the market. This amount, at the rate at which it is being absorbed, will be subscribed for within two months, when the notes will undoubtedly command a premium, as has uniformly been the case on closing the subscriptions to other Loans.

In order that citizens of every town and section of the country may be afforded facilities for taking the loan, the National Banks, State Banks, and Private Bankers throughout the country have generally agreed to receive subscriptions at par. Subscribers will select their own agents, in whom they have confidence, and who only are to be responsible for the delivery of the notes for which they receive orders.

JAY COOKE, Subscription Agent, Philadelphia. Subscriptions will be received by the Stroudsburg Bank, and the First National Bank of Scranton Pa. May 25, 1865.

We can present a mass of evidence in proof of our assertions that CANNOT BE DISCREDITED.

**The Rev. Jacob Sechler,** Well known and much respected among the German population in this country, makes the following statement for the benefit of the afflicted.

HANOVER, Pa. Feb. 16, 1850. Dear Sirs:—Having realized in my family important benefits from the use of your valuable preparation—Wistar's Balsam of Wild Cherry—it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case, made frequent use of your valuable medicine, and have always been benefited by it.

JACOB SECHLER, From Hon. John E. Smith, a distinguished Lawyer in Westminster, Md.

I have on several occasions used Dr. Wistar's Balsam of Wild Cherry for severe colds, and always with decided benefit. I know of no preparation that is more efficacious or more deserving of general use.

The Balsam has also been used with excellent effect by J. B. Ellor, Merchant, Hall's Cross Roads, Md.
