

Accounts from Tennessee show that the guerilla bands which are still organized in that region are engaged in a terrible work of outrage and murder in cold blood, and indiscriminate plunder and robbery are the order of the day in some quarters. It seems as though these rebels need a little more of military rule to arrest them in their murderous work.

DOCT. D. E. BREINIG

Desires to call the attention of the consumers of Paints and Linseed Oil, of Stroudsburg and vicinity, to an article manufactured by Bigelow & Holms, of New York city, under the supervision of D. E. Breinig, Chemist, from pure Linseed Oil, called

BREINIG'S IMPROVED LINSEED OIL.

The inventor of this Improvement for many years studied and experimented upon the nature and properties of Linseed Oil, and it gives him great pleasure that his labors have not been in vain. He has succeeded in greatly increasing these properties, which render Linseed Oil the only

True and Efficient Paint Oil.

Breinig's Improved Linseed Oil is a SELF-DRYING OIL, and readily united with white Lead, Zinc, and all colored paints in the same proportion as Linseed Oil.

Paints ground in pure Linseed Oil, and thinned with this oil will never CRACK, PEEL, or SHELL OFF. It will wear better, and last longer than the ordinary Linseed Oil.

I can assure my friends that I have tested it in every possible way and manner, side by side with both raw and boiled oil, and it has proved far superior in every respect.

For a further description of this valuable article, parties will please call at Dreher & Bro's Drug Store, Stroudsburg, where it is kept for sale.

HELMBOLD'S EXTRACT BUCHU.

HELMBOLD'S BUCHU. HELMBOLD'S BUCHU. HELMBOLD'S BUCHU.

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most urgent symptoms.

Are you troubled with that distressing pain in the small of the back and through the hips? A teaspoonful a day of Helmbold's Buchu will relieve you.

PHYSICIANS AND OTHERS PLEASE NOTICE.

I make no secret of ingredients. Helmbold's Extract Buchu is composed of Buchu, Cubebs, and Juniper Berries, selected with great care, prepared in *vacuo* and according to rules of

PHARMACY AND CHEMISTRY. These ingredients are known as the most valuable Diuretics afforded.

A DIURETIC

Is that which acts upon the kidneys.

HELMBOLD'S EXTRACT BUCHU ACTS GENTLY.

Is pleasant in taste and odor, free from all injurious properties, and immediate in its action.

FOR THE SATISFACTION OF ALL,

See Medical Properties contained in Dispensatory of the U. S., of which the following is a correct copy:

"Buchu.—Its odor is strong, diffusible, and somewhat aromatic, its taste bitterish, and analogous to that of mint. It is given chiefly in complaints of the Urinary Organs, such as Gravel, Chronic Catarrh of the Bladder, Morbid Irritation of the Bladder and Uretira, Diseases of the Prostate, and Retention or the Incontinence of Urine, from a loss of tone in the parts concerned in its evacuation. It has also been recommended in Dyspepsia, Chronic Rheumatism, Cutaneous Affections, and Dropsy."

FROM THE LARGEST

Manufacturing Chemist

IN THE WORLD.

I am acquainted with H. T. Helmbold; he occupied the drug store opposite my residence, and was successful in conducting the business where others had not been equally so before him. I have been favorably impressed with his character and enterprise.

WM. WIGHTMAN, (Firm of Powers & Wightman,) Manufacturing Chemist, Ninth and Brown Streets, Philadelphia.

[From the Philadelphia Evening Bulletin, March 10th.]

We are gratified to hear of the continued success, in New York, of our townsmen, Mr. H. T. Helmbold, Druggist. His store, next to the Metropolitan Hotel, is 25 feet front, 230 feet deep, and five stories in height. It is certainly a grand establishment, and speaks favorably of the merit of his articles. He retains his Office and Laboratory in this city, which are also model establishments of their class.

The proprietor has been induced to make this statement from the fact that his remedies, although advertised, are

GENUINE PREPARATIONS,

And, knowing that the intelligent refrain from using any thing pertaining to Quackery, or the Patent Medicine order—most of which are prepared by self-styled Doctors, who are too ignorant to read a physician's simplest prescription, much less competent to prepare pharmaceutical preparations.

These Parties Resort

to various means of effecting sales, such as copying parts of advertisements of popular remedies, and finishing with certificates.

The Science of Medicine stands SIMPLE, PURE, MAJESTIC,—having Fact for its Basis, Induction for its Pillar, Truth alone for its Capital.

A WORD OF CAUTION.

Health is most important; and the afflicted should not use an advertised medicine, or any remedy, unless its contents or ingredients are known to other besides the manufacturer, or until they are satisfied of the qualifications of the party so offering.

Ayer's Sarsaparilla,

A compound remedy, in which we have labored to produce the most effectual alternative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alternative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:

SCROFULA and SCROFULOUS COMPLAINTS, ERUPTIONS and ERYTHRINE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYRILIS and STYRILITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA or TIC DOULOUREUX, DEBILITY, DYSPEPSIA AND INDIGESTION, EXSYPHLEA, ROSE, OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of many tedious and tedious sores, through which the system will arrive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alternative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this purgation of the blood, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtues that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been made upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and theft. Still we call this compound, Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

PREPARED BY DR. J. C. AYER & CO., LOWELL, MASS.

Price, \$1 per Bottle; Six Bottles for \$5.

Ayer's Cherry Pectoral

has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use than assure us that its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

Ayer's Cathartic Pills,

FOR THE CURE OF Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Piles, Hemorrhoids, Erysipelas, Itch, Scald Head, Catarrh of the Bladder, Dropsy, Tetters, Tumors and Salt Rheum, Worms, Gout, Neuralgia, or a Dinner Pill, and for Purifying the Blood.

They are sugar-coated, so that the most sensitive can take them pleasantly, and they are the best purgative in the world for all the purposes of a family physic.

Price 25 cents per Box; Five Boxes for \$1.00.

Great numbers of Clergymen, Physicians, Statesmen, and eminent persons, have lent their names to certify the unparalleled usefulness of these remedies, but our space here will not permit the insertion of them. The Agents below named furnish gratis our AMERICAN ALMANAC in which they are given; with also full descriptions of the above complaints, and the treatment that should be followed for their cure. Do not be put off by unprincipled dealers with other preparations that make more profit than our own. Demand Ayer's, and take no others. The sick want the best aid there is for them, and they should have it.

All our remedies are for sale by
