Scrofula, or King's Evil,

is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy. The scrofulous taint is variously caused by mercurial disease, low living, disordered or unhealthy food, impure air, filth, and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children, and into the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children."

Its effects commence by deposition from the blood of corrupt or ulcerous matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, eruptions or sores. This foul corruption, which renders in the blood, depresses the energies of life, so that scrofulous constitutions not only suffer from scrofulous complaints, but they have less power to withstand the attacks of other diseases; consequently, vast numbers perish by disorders which, although not scrofulous in their nature, are still rendered fatal by this taint in the system. Most of the consumption which decimates the human family has its origin directly in this scrofulous contamination; and many destructive diseases of the liver, kidneys, brain, and, indeed, of all the organs, arise from or are aggravated by the same cause.

AYER'S Compound Extract of Sarsaparilla,

the most effectual remedy which the medical skill of our times can devise for this ever-where prevailing and fatal malady. It is combined from the most active remedies that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the system from its destructive consequences. Hence it should be employed for the cure of not only scrofula, but also those other affections which arise from it, such as ERYTHRINE and SKIN DISEASES, ST. ANTHONY'S FIRE, ROSE, OR ERYSIPELAS, PIMPLES, PUSTULES, BLOTCHES, BLAINS and BOILS, TUMORS, TETTER, and SALT RHEUM, SCALD HEAD, RINGWORM, BRUICEMATIS, SYPHILITIC and MERCURIAL DISEASES, DROPSY, DYSPESIA, DEBILITY, and, indeed, ALL COMPLAINTS ARISING FROM VITIATED OR IMPURE BLOOD. The popular belief in "impurity of the blood," is founded in truth, for scrofula is a degeneration of the blood. The particular purpose and virtue of this Sarsaparilla is to purify and regenerate this vital fluid, without which sound health is impossible in contaminated constitutions.

Ayer's Cathartic Pills,

FOR ALL THE PURPOSES OF A FAMILY PHYSIC, are so composed that disease within the range of their action can rarely withstand or evade them. Their penetrating properties search, and cleanse, and invigorate every portion of the human organism, correcting its diseased action, and restoring its healthy vitalities. As a consequence of these properties, the invalid who is bowed down with pain or physical debility is astonished to find his health and energy restored by a remedy at once so simple and inviting.
 Not only do they cure the every-day complaints of every body, but also many formidable and dangerous diseases. The agent below named is pleased to furnish gratis my American Almanac, containing certificates of their cures, and directions for their use in the following complaints: Costiveness, Heartburn, Headache arising from a disordered Stomach, Nausea, Indigestion, Pain in and Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Jaundice, and other kindred complaints, arising from a low state of the body or obstruction of its functions.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF
Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.
 So wide is the field of its usefulness, and so numerous are the cases of its cures, that almost every section of country abounds in persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried, its superiority over every other medicine of its kind is too apparent to escape observation, and where its virtues are known, the public no longer hesitate to purchase and employ for the distressing and dangerous affections of the pulmonary organs that are incident to our climate. While many inferior remedies thrust upon the community alarm and even despoilate, this has gained friends by every trial, conferred benefits on the afflicted that can never forget, and produced cures too numerous and too remarkable to be forgotten.

DOCT. D. E. BREINIG

Desires to call the attention of the consumers of Paints and Linseed Oil, of Stroudsburg and vicinity, to an article manufactured by Biglow & Holmes, of New York City, under the supervision of D. E. Breinig, Chemist, from pure Linseed Oil, called

BREINIG'S IMPROVED LINSEED OIL.

The inventor of this improvement for many years studied and experimented upon the nature and properties of Linseed Oil, and it gives him great pleasure that his labors have not been in vain. He has succeeded in greatly increasing these properties, which render Linseed Oil the only
True and Efficient Paint Oil.
 Breinig's Improved Linseed Oil is a
SELF-DRYING OIL,
 and readily united with white Lead, Zincs, and all colored pigments in the same proportion as Linseed Oil.
 Paints ground in pure Linseed Oil, and thinned with this oil will never CRACK, PEEL or SHELL OFF. It will wear better, and last longer than the ordinary Linseed Oil.
 I can assure my friends that I have tested it in every possible way and manner, side by side with both raw and boiled oil, and it has proved far superior in every respect.
 For a further description of this valuable article, parties will please call at Dreher & Bro.'s Drug Store, Stroudsburg, where it is kept for sale.
