Ayer's Sarsaparilla,

A compound remedy, in which we have labored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumons complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellowcitizens. How completely this compound will do it has been proven by experiment on many Mutual Fire Insurance Company. of the worst cases to be found of the following

SCHOPULA AND SCHOPULOUS COMPLAINTS, ERUPTIONS AND EMPRINE DISEASES, UL-CEES, PINPLES, BLOTCHES, TUHORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHI-LITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALDIA OR TIC DOULDUREAUX, DEBILITY, PASPERSIA AND INDIGESTION, ERYSIPELAS, ROSE, OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising | Company. from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to exthat season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul cruptions and alcerous sores, through which the system will strive to rid itself of corruptions if not assisted to do this through the natural channels of the body by an altermive medicine. Cleanse out the vitinted blood whenever you find its impurities bursting through the skin in pimples, cruptions, or speed; cleanse it when you find it is obstructed and slaggish in the Robert Boys, veins; cleanse it whenever it is foul, and your | Sm'l S. Dreher, feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleaning the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sconer or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation of accomplishing these cuds. But the world has been egregiously deceived by preparations of it, parily because the drug alone has not I o'clock P. M. all the virtue that is claimed for it, but more because many preparations, pretending to be con-centrated extracts of it, contain but little of the virtue of Sarsaparida, or may thing else.

During late years the public have been misled by large botder, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, better and painful disappointment has followed the use of the various extracts of Sassaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsapsrilla, and intend to supply such a remedy as shall rescue the name from the | did stock of load of obloquy which rests upon it. And we think we have ground for believing it has virtues which me irresistible by the ordinary run of the diseases it is intended to cure. In order to recure their complete endication from the system, the remedy should be indiciously taken acconding to directions on the bottle.
