The Only Known Remedy for DIABETES,
 Irritation of the Neck of the Bladder, Inflammation of the Kidneys, Catarrh of the Bladder, Strangury or painful Urinating.
 For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most urgent symptoms.
 Are you troubled with that distressing pain in the small of the back and through the hips? A teaspoonful a day of Helmbold's Buchu will relieve you.

PHYSICIANS AND OTHERS PLEASE NOTICE.

I make no secret of ingredients. Helmbold's Extract Buchu is composed of Buchu, Cubebs, and Juniper Berries, selected with great care, prepared in vacuo and according to rules of
PHARMACY AND CHEMISTRY.
 These ingredients are known as the most valuable Diuretics afforded.

DIURETIC

Is that which acts upon the kidneys.
HELMBOLD'S EXTRACT BUCHU ACTS GENTLY,
 Is pleasant in taste and odor, free from all injurious properties, and immediate in its action.

FOR THE SATISFACTION OF ALL,

See Medical Properties contained in Dispensatory of the U. S., of which the following is a correct copy:
 "Buchu.—Its odor is strong, diffusive, and somewhat aromatic, its taste bitterish, and analogous to that of mint. It is given chiefly in complaints of the Urinary Organs, such as Gravel, Chronic Catarrh of the Bladder, Morbid Irritation of the Bladder and Urethra, Diseases of the Prostate, and Retention or the Incontinence of Urine, from a loss of tone in the parts concerned in its evacuation. FROM THE **LARGEST Manufacturing Chemist** IN THE WORLD.

I am acquainted with H. T. Helmbold; he occupied the drug store opposite my residence, and was successful in conducting the business where others had not been equally so before him. I have been favorably impressed with his character and enterprise.
W. M. WEIGHTMAN,

 Manufacturing Chemist,
 Ninth and Brown Streets, Philadelphia.

[From the Philadelphia Evening Bulletin, March 10th.]
 We are gratified to hear of the continued success, in New York, of our townsman, Mr. H. T. Helmbold, Druggist. His store, next to the Metropolitan Hotel, is 28 feet front, 230 feet deep, and five stories in height. It is certainly a grand establishment, and speaks favorably of the merit of his articles. He retains his Office and Laboratory in this city, which are also model establishments of their class.
 The proprietor has been induced to make this statement from the fact that his remedies, although advertised, are

GENUINE PREPARATIONS.

And, knowing that the intelligent refrain from using any thing pertaining to Quackery, or the Patent Medicine order—most of which are prepared by self-styled Doctors, who are too ignorant to read a physician's simplest prescription, much less competent to prepare pharmaceutical preparations.

These Parties Resort

to various means of effecting sales, such as copying parts of advertisements of popular remedies, and finishing with certificates.
 The Science of Medicine stands SIMPLE, PURE, MAJESTIC,—having Fact for its Basis, Induction for its Pillar, Truth alone for its Capital.

A WORD OF CAUTION.

Health is most important; and the afflicted should not use an advertised medicine, or any remedy, unless its contents or ingredients are known to other besides the manufacturer, or until they are satisfied of the qualifications of the party so offering.

DOCT. D. E. BREINIG

Desires to call the attention of the consumers of Paints and Linseed Oil, of Stroudsburg and vicinity, to an article manufactured by Bigelow & Holms, of New York city, under the supervision of D. E. Breinig, Chemist, from pure Linseed Oil, called
BREINIG'S IMPROVED LINSEED OIL.
 The inventor of this Improvement for many years studied and experimented upon the nature and properties of Linseed Oil, and it gives him great pleasure that his labors have not been in vain. He has succeeded in greatly increasing these properties, which render Linseed Oil the only
True and Efficient Paint Oil.
 Breinig's Improved Linseed Oil is a **SELF-DRYING OIL,** and readily united with white Lead, Zincs, and all colored paints in the same proportion as Linseed Oil.
 Paints ground in pure Linseed Oil, and thinned with this oil will never CRACK, PEEL or SHELL OFF. It will wear better, and last longer than the ordinary Linseed Oil.
 I can assure my friends that I have tested it in every possible way and manner, side by side with both raw and boiled oil, and it has proved far superior in every respect.
 For a further description of this valuable article, parties will please call at Dreher & Bro's. Drug Store, Stroudsburg, where it is kept for sale.
