J. LANTZ, DENTIST.
Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far. Hence the necessity of obtaining the services of a dentist near home. All work warranted.

DOCT. D. E. BREINIG
Desires to call the attention of the consumers of Paints and Linseed Oil, of Stroudsburg and vicinity, to an article manufactured by Bigelow & Hols, of New York city, under the supervision of D. E. Breinig, Chemist, from pure Linseed Oil, called

BREINIG'S IMPROVED LINSEED OIL.
The inventor of this Improvement for many years studied and experimented upon the nature and properties of Linseed Oil, and it gives him great pleasure that his labors have not been in vain. He has succeeded in greatly increasing these properties, which render Linseed Oil the only

True and Efficient Paint Oil.
Breinig's Improved Linseed Oil is a **SELF-DRYING OIL**, and readily united with white Lead, Zincs, and all colored paints in the same proportion as Linseed Oil.

Paints ground in pure Linseed Oil, and thinned with this oil will never CRACK, PEEL or SHELL OFF. It will wear better, and last longer than the ordinary Linseed Oil.

I can assure my friends that I have tested it in every possible way and manner, side by side with both raw and boiled oil, and it has proved far superior in every respect.

For a further description of this valuable article, parties will please call at Dreher & Bro's. Drug Store, Stroudsburg, where it is kept for sale.
