FROM THE LARGEST Manufacturing Chemist IN THE WORLD.

I am acquainted with H. T. Helmbold; he occupied the drug store opposite my residence, and was successful in conducting the business where others had not been equally so before him. I have been favorable impressed with his character and enterprise.

[From the Philadelphia Evening Bulletin, March 10th.]

We are gratified to hear of the continued success, in New York, of our townsman, Mr. H. T. Helmbold, Druggist. His store, next to the Metropolitan Hotel, is 28 feet front, 230 feet deep, and five stories in height. It is certainly a grand establishment, and speaks favorably of the merit of his articles. He retains his Office and Laboratory in this city, which are also model establishments of their class.

The proprietor has been induced to make this statement from the fact that his remedies, although advertised, are

GENUINE PREPARATIONS.

And, knowing that the intelligent refrain from using any thing pertaining to Quackery, or the Patent Medicine Order—most of which are prepared by self-styled Doctors, who are too ignorant to read a physician's simplest prescription, much less competent to prepare pharmaceutical preparations.

These Parties Resort

to various means of effecting sales, such as copying parts of advertisements of popular remedies, and finishing with certificates. The Science of Medicine stands SIMPLE, PURE, MAJESTIC,—having Fact for its Basis, Induction for its Pillar, Truth alone for its Capital.

A WORD OF CAUTION.

Health is most important; and the afflicted should not use an advertised medicine, or any remedy, unless its contents or ingredients are known to other besides the manufacturer, or until they are satisfied of the qualifications of the party so offering.

Ayer's Sarsaparilla.

A compound remedy, in which we have labored to produce the most effectual alternative to the common medicine. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Scrofulous complaints, and that one which will accomplish their cure must possess a firmness of action to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:

SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERECTIVE DISEASES, SALTS, PIMPLES, BLOTCHES, TUBERCLES, SALT RHEUM, SCALD HEAD, SPITHEADS AND STRATEGIC AFFECTIONS, MERCURIAL DIARRHEA, Dropsy, Nephritis, THE DOUBTFUL SWEAT, DEBILITY, DYSPEPSIA AND INDIGESTION, ERYSIPLAS, ROSE, OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which foster in the blood at that season of the year. By the timely expulsion of them many fatal disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruption, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for the timely expulsion of the blood impurities, and all is well; but with this pulsation of life disorder, there can be no lasting health. Sooner or later something must go wrong, and the greater machinery of life is disordered or overturned.

Sarsaparilla has, and deserves much, the reputation of accomplishing the cure. But the way it has been prepared for some years, and the result of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large quantities of cheap, and of a quality of Sarsaparilla for one dollar. Most of these have been found upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, after and painful disappointment has followed the use of the various extracts of Sarsaparilla which have been marketed, until the name itself is fairly contemptible, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall restore the name from the load of obliquity which rests upon it. And we think we have ground for believing it has virtues which are inestimable by the ordinary run of the diseases it is fitted to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

PREPARED BY
DR. J. C. AYER & CO.,
LOWELL, MASS.
Price, 25 cents per Bottle; Six Bottles for \$5.

Ayer's Cherry Pectoral

was used for its efficacy as a remedy for the cure of every variety of Croup and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use, we can assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

Ayer's Cathartic Pills,

FOR THE CURE OF
Constipation, Jaundice, Dyspepsia, Erysipelas, Pimples, Headaches, Rheumatism, Dropsy, Dropsical Swellings, Hemorrhoids, Piles, Strangury, Hemiplegia and Scurvy, Dropsical Swellings, Dropsy, Tetters, Tenons and Salt Rheum, Uremia, Gout, Neuralgia, as a Dinner Pill, and for Purifying the Blood.

They are sugar-coated, so that the most sensitive can take them pleasantly; and they are the best in the world for all the purposes of a family physic.

Price 25 cents per Box; Five Boxes for \$1.00.

Great numbers of Clergymen, Physicians, Surgeons, and eminent persons, have testified their names to the unparelleled usefulness of these remedies, but our space here will not permit the insertion of them. The Agents below named furnish gratis our AMERICAN ALMANAC, in which they are given; with other full descriptions of the above complaints, and the treatment that should be followed for their cure.

Do not be put off by unprincipled dealers with other preparations that make more profit than demand. Ayer's, and takes no others. The sick want the best, and there is for them, and they should have it.

All our remedies are for sale by
William Hollinshead, Dreher & Bro. Stroudsburg, Pa., also, by Druggists and dealers in Medicine everywhere. At wholesale by J. M. Maris & Co., Philadelphia.

DOCT. D. E. BREINIG

Desires to call the attention of the consumers of Paints and Linseed Oil, of Stroudsburg and vicinity, to an article manufactured by Bigelow & Holms, of New York city, under the supervision of D. E. Breinig, Chemist, from pure Linseed Oil, called

BREINIG'S IMPROVED LINSEED OIL.

The inventor of this improvement for many years studied and experimented upon the nature and properties of Linseed Oil, and it gives him great pleasure that his labors have been in vain. He has succeeded in greatly increasing these properties, which render Linseed Oil the only

True and Efficient Paint Oil.

Breinig's Improved Linseed Oil is a SELF-DRYING OIL, and readily united with white Lead, Zincs, and all colored paints in the same proportion as Linseed Oil.

Paints ground in pure Linseed Oil, and thinned with this oil will never CRACK, PEEL or SHELL OFF. It will wear better, and last longer than the ordinary Linseed Oil.

I can assure my friends that I have tested it in every possible way and manner, side by side with both raw and boiled oil, and it has proved far superior in every respect.

For a further description of this valuable article, parties will please call at Dreher & Bro's. Drug Store, Stroudsburg, where it is kept for sale.
