A compound remedy, in which we have labored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative tower as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumons complaints, and that one which will accomplish their cure must prove of immense ser- THE FULL GRADUATING COURSE vice to this large class of our afflicted fellowcitizens. Muhitudes can, by the aid of thisremedy, spare themselves from the endurance of foul cruptions and alcerous sores, through which the system will strive to rid itself of corruptions, channels of the body by an alterative medicine. Cleanse out the vitia ed blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and slurgish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. I'ven where no Keep the blood heartay, and all is well; but ant, with this pabulum of life disordered, there can ant. be no lasting health. Sooner or later something must go wrong, and the great machinery of life

is disordered or overricown. Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the

virtue of Sarsapari,la, or any thing else.

During late years the public have been misled by large buttles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain linle, if any, Sarsaparilla, but often no carative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supp'y secure their complete cradication from the system, the remedy should be judiciously taken according to directions on the bottle.
