UNION STATE TICKET.
FOR GOVERNOR,
Major General JOHN W. GEARY,
OF CUMBERLAND COUNTY.

Our advertising friends have drawn largely upon our columns this week.

John Palmer has sold his house and lot of about four acres, in Stroud township, near the Fair Ground, to Chas. Troch for \$2,000.

The dwelling house of Simpson Lee, with its contents, in Polk township, was destroyed by fire on Saturday last. Mr. L. was at work in the field, at the time the fire was discovered. The fire caught on the roof. Loss over \$1,000.—No insurance.

Charles Waters & Son have just received from the head of the market a new lot of Boots and Shoes, Sole-leather, and a general assortment of Findings, which they will sell at very low rates for cash.

The Post office at Bartonville in this county, which was discontinued some two years ago, has been re-established by the Postmaster-General, and Rufus Kistler, Esq., appointed Postmaster. The office will be opened for the transaction of business in a few days, and supply a want badly needed in that locality.

American Manufactures—the American Watch Co. of Waltham, Mass.
Every one knows that the mechanism of the best manufactures of this country is unequalled in any other part of the world. The genius of American mechanics produced the cotton gin, the mechanical reaper and mower, the sewing machine, and last but not least, the wonderful machinery of the American Watch Company of Waltham.

Special Notices.

Cholera, Diarrhea, and Dysentery!
A CURE IS WARRANTED BY DR. TOBIAS' CELEBRATED VENETIAN LINIMENT, if used when first taken by persons of temperate habits. This medicine has been known in the United States over 20 years. Thousands have used it, and found it never failed to cure any complaint for which it was recommended, and all those who first tried it, are now never without it. In the Cholera of 1848, Dr. Tobias attended 40 cases and lost 4, being called in late to do any good.
DIRECTIONS.—Take a teaspoonful in a wine-glass of water every half hour for two hours, and rub the abdomen and extremities well with the Liniment. To stave the thirst, take a lump of ice in the mouth, about the size of a marble every ten minutes. It is warranted perfectly innocuous to take internally. Sold by all drug-gists, price 40 and 20 cents. Depot, 55 Centilanti St., New York. (May 10, 1866.—lm.)

A SINGLE BOX OF BRANDRETH'S PILLS Contains more vegetable extractive matter than twenty boxes of any pills in the world besides; fifty-five hundred physicians use them in their practice to the exclusion of other purgatives. The first letter of their value is yet scarcely predicted. When they are better known, sudden death and continued sickness will be of the past. Let those who know them speak, right out in their favor. It is a duty which will save life.
Our race are subject to a red indigestion of vitiated bile at this season, and it is as dangerous as it is prevalent; but Brandreth's Pills afford an invaluable and efficient protection. By their occasional use we prevent the collection of those impurities which, when in sufficient quantities, cause so much danger to the body's health. They soon cure Liver Complaint, Dyspepsia, Loss of Appetite, Pain in the Head, Headache, Pain in the Breast-bone, Sudden Faintness and Convulsions.—Sold by all respectable Dealers in Medicines.

DEAD HEADS.

CRISTADORO'S HAIR DYE.

REDUCTION IN PRICE

OF THE

AMERICAN WATCHES,

MADE AT WALTHAM, MASS.

In consequence of the recent great decline in gold and silver and all the materials used in the manufacture of our goods, and in anticipation of a still further decline, we have reduced our prices to as low as as possible as they can be placed.

WITH GOLD AT PAR,
so that no one need hesitate to buy a watch now from the expectation that it will be cheaper at some future time. The test of ten years and the manufacture and sale of

MORE THAN 200,000 WATCHES
have given our productions the very highest rank among timekeepers. Commencing with the determination to make only thoroughly excellent watches, our business has steadily increased as the public became acquainted with their value, until for months together, we have been unable to supply the demand. We have repeatedly enlarged our factory buildings until they now cover over three acres of ground, and give accommodation to more than eight hundred workmen. We are fully justified in stating that we now make

MORE THAN ONE-HALF OF ALL THE WATCHES SOLD IN THE UNITED STATES. The different grades are distinguished by the following trade-marks engraved on the plate:

1. "American Watch Co." Waltham, Mass.
2. "Appleton, Tracy & Co." Waltham, Mass.
3. "W. B. Butler." Waltham, Mass.
4. "Wm. Elbery."

5. OUR LADIES' WATCH of first quality is named "Appleton, Tracy & Co." Waltham, Mass.

6. Our next quality of Ladies' Watch is named "P. S. Bartlett," Waltham, Mass. These watches are furnished in a great variety of sizes and styles of cases.

The American Watch Co. of Waltham, Mass. authorize us to state that without distinction of trade marks or price.

ALL THE PRODUCTS OF THEIR FACTORY ARE FULLY WARRANTED

to be the best time-keepers of their class ever made in this or any other country. Buyers should remember that unlike the guarantee of a foreign maker who can never be reached this guarantee is at all times against the Company or their agents, and that if after the most thorough trial, any watch should prove defective in any particular, it may as well be exchanged for another. As the American watch made at Waltham, are for sale by dealers generally throughout the country, we do not solicit orders for single watches.

CAUTION.—The public are cautioned to buy only of respectable dealers. All persons selling counterfeit watches will be prosecuted.
