UNION STATE TROKET

FOR GOVERNOR.

Major General JOHN W. GEARY,

OF CUMBERLAND COUNTY.

New Postmaster. Michael R. Smith, Esq., has been appointed Postmaster at New Mt. Pleasant, in this county, to fill the vacancy occa sioned by the death of Gerard L. Staples, the late incumbent.

The Soldiers' Convention held at Pittsburgh, Pa., on the 5th instant, was largely attended, and its proceedings were marked by the utmost harmony and enthusiasm. Resolutions strongly endorsing the nomination of General Geary were unanimously adopted, and the spirit of the whole proceedings plainly manifest that the soldiers have no love for treason, and desire to have no complicity with next week.

Deputy Collector for satisfaction to the tax payers of this section, whose experience in transacting business with Mr. S., is of the most pleasant character.

Revival of the Band.

An effort, which promises to be suc cossful, is now being made to resuscitate the defunct "Stroudsburg Cornet Band." Liberal subscriptions for the purpose of purchasing new instruments, and repair ing old ones, have been made by our cit izens, and will, doubtless, continue to be made, until the Band with all its former excellence, is again a fixed institution of Stroudsburg. Edwin Rees, Esq. a superior musician, and whose four years experience as leader of the 67th Regi ment Band, eminently fits him for the position, is leader and teacher of the "Stroudsburg Cornet."

Runaway.

A horse belonging to Philip Shafer, and attached to a truck wagon, took it into his head to enjoy a free tramp, through our town on Monday last .-He started from the Factory, and dashed up street at the top of his speed, to the wagon hooked fast to a post, when the horse, tearing loose, took a two-forty pace toward home. He was caught, however before leaving town, and soon reduced to a more sober style of conduct.
