# Scrofula, or King's Evil,

is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy. The scrofulous taint is variously caused by mercurial disease, low living, disordered or unhealthy food, impure air, filth, and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending from parents to children into the third and fourth generations; and, indeed, it is the root of him who says, "I will visit the iniquities of the fathers upon their children."

Its effects commence by deposition of the blood of corrupt or vitiated matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, eruptions or sores. This final corruption, which renders in the blood, deprives the energies of life, so that scrofulous constitutions not only suffer from scrofulous complaints, but they have far less power to withstand the attacks of other diseases: consequently, vast numbers perish by diseases which, although not scrofulous in their nature are still rendered fatal by this taint in the system. Most of the consumption which decimates the human family has its origin directly in this scrofulous contamination; and many destructive diseases of the liver, kidneys, brain, and, indeed, of all the organs, arise from or are aggravated by the same cause.

## AYER'S Compound Extract of Sarsaparilla.

The most effectual remedy which the medical skill of our times can devise for this every-where prevailing and fatal malady. It is combined from the most active remedials that have been discovered for the expurgation of this foul disorder from the blood, and the resuscitation of the system from its destructive consequences. Hence it should be employed for the cure of not only scrofula, but also those other affections which arise from it, such as ERUPTIVE AND SKIN DISEASES, ST. ANTHONY'S FIRE, ROSE, OR ERYSIPELAS, PIMPLES, PUSTULES, BLOTCHES, BLAINS and BOILS, TUMORS, TETTER, and SALT RHEUM, SCALD HEAD, RINGWORM, RHEUMATISM, SYPHILITIC and MERCURIAL DISEASES, DROPSY, DYSPYPSIA, DEBILITY, and, indeed, ALL COMPLAINTS ARISING FROM VITIATED OR IMPURE BLOOD. The popular belief in "impurity of the blood," is founded in truth, for scrofula is a degeneration of the blood. The remedial properties search, and cleanse, and invigorate every portion of the human organism, correcting its diseased action, and restoring its healthy vitality. As a consequence of these properties, the scrofulous system is cleared down with pain or physical debility is astonishing to find his health or energy restored by a remedy at once so simple and inviting.

Not only do they cure this every-day complaint of every body, but also many formidable and dangerous diseases. The agent below named is pleased to furnish gratis my American Almanac, containing certificates of their cures, and directions for their use in the following complaints: Constipation, Heartburn, Headache arising from a disordered Stomach, Nausea, Indigestion, Pain in and Morbid Laction of the Breasts, Flatulency, Loss of Appetite, Jaundice, and other kindred complaints, arising from a diseased state of the body or obstruction of its functions.

## Ayer's Cathartic Pills,

FOR ALL THE PURPOSES OF A FAMILY PHYSIC, as so composed that disease within the range of their action can rarely withstand or evade them. Their penetrating properties search, and cleanse, and invigorate every portion of the human organism, correcting its diseased action, and restoring its healthy vitality. As a consequence of these properties, the scrofulous system is cleared down with pain or physical debility is astonishing to find his health or energy restored by a remedy at once so simple and inviting.

## J. LANZ, DENTIST.

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far. Hence the necessity of obtaining the services of a dentist near home. All work warranted.

Stroudsburg, March 27, 1862.

## MASON TACK, HOUSE PAINTER, Glazier, and Paper Hanger.

Will attend to, and promptly execute, all orders with which he may be favored. From his long experience in the various branches of his business, he feels confident of rendering entire satisfaction in his work. He may be found at his shop, on Simpson street, Stroudsburg, Pa.
