For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single dose has been known to relieve the most urgent symptoms.

Are you troubled with that distressing pain in the small of the back and through the hips? A teaspoonful a day of Helmbold's Buchu will relieve you.

PHYSICIANS AND OTHERS PLEASE NOTICE.

I make no secret of ingredients. Helmbold's Extract Buchu is composed of Buchu, Cubeb, and Juniper Berries, selected with great care, prepared in *vacuo* and according to rules of

PHARMACY AND CHEMISTRY.

These ingredients are known as the most valuable Diuretics afforded.

DIURETIC

Is that which acts upon the kidneys. HELMBOLD'S EXTRACT BUCHU ACTS GENTLY.

Is pleasant in taste and odor, free from all injurious properties, and immediate in its action.

FOR THE SATISFACTION OF ALL.

See Medical Properties contained in Dispensatory of the U. S., of which the following is a correct copy:

"Buchu.—Its odor is strong, diffusive, and somewhat aromatic, its taste bitterish, and analogous to that of mint. It is given chiefly in complaints of the Urinary Organs, such as Gravel, Chronic Catarrh of the Bladder, Morbid Irritation of the Bladder and Urethra, Discharges of the Prostate, and Retention or the Incontinence of Urine, from a loss of tone in the parts concerned in its evacuation. It has also been recommended in Dyspepsia, Chronic Rheumatism, Cutaneous Affections, and Dropsy."

FROM THE

LARGEST Manufacturing Chemist IN THE WORLD.

I am acquainted with H. T. Helmbold; he occupied the drug store opposite my residence, and was successful in conducting the business where others had not been equally so before him. I have been favorably impressed with his character and enterprise.

WM. WRIGHTMAN,
Manufacturing Chemist,
Ninth and Brown Streets, Philadelphia.

[From the Philadelphia Evening Bulletin, March 10th.]

We are gratified to hear of the continued success in New York, of our townsmen, Mr. H. T. Helmbold, Druggist. His store, next to the Metropolitan Hotel, is 25 feet front, 230 feet deep, and five stories in height. It is certainly a grand establishment, and speaks favorably of the merit of his articles. He retains his Office and Laboratory in this city, which are also model establishments of their class.

The proprietor has been induced to make this statement from the fact that his remedies, although advertised, are

GENUINE PREPARATIONS.

And, knowing that the intelligent refrain from using any thing pertaining to Quackery, or the Patent Medicine order—most of which are prepared by self-styled Doctors, who are too ignorant to read a physician's simplest prescription, much less competent to prepare pharmaceutical preparations.

These Parties Resort

to various means of effecting sales, such as copying parts of advertisements of popular remedies, and finishing with certificates.

The Science of Medicine stands SIMPLE, PURE, MAJESTIC,—having FACT for its Basis, Induction for its Pillar, Truth alone for its Capital.

A WORD OF CAUTION.

Health is most important; and the afflicted should not use an advertised medicine, or any remedy, unless its contents or ingredients are known to other besides the manufacturer, or until they are satisfied of the qualifications of the party so offering.

Ayer's Sarsaparilla.

A compound remedy, in which we have labored to produce the most effectual alternative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from almost complaints, and that one who will not accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:

SCROFULA AND SCROFULOUS COMPLAINTS, Eruptions and Eruptions, DISEASES OF THE SKIN, Pimples, Blisters, TONSILS, SALT RHEUM, SCALD HEAD, SYRILIA AND SYRILIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR TIC DOULOUREUX, DEBILITY, DYSPEPSIA AND INDIGESTION, ERYSIPELAS, ROSE, OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the four humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Malignant can, by the use of this remedy, spare themselves from the entrance of foul eruptions and ulcersous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this habit of life disorder, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the name of Sarsaparilla is the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quantity of Sarsaparilla for one dollar. Most of these have been found upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which are sold in the market, and the name itself is despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irretrievably lost by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

PREPARED BY
DR. J. C. AYER & CO.,
LOWELL, MASS.

Price, 25 cents per Bottle; Six Bottles for \$1.50.

Ayer's Cherry Pectoral

has won for itself such a name for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to repeat the evidence of its virtues, wherever it has been employed. As it has been used so constantly throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

Ayer's Cathartic Pills,

FOR THE CURE OF
Constipation, Jaundice, Dyspepsia, Indigestion, Dropsy, Headache, Rheumatism, Hemorrhoids, Piles, Eruptions, Eruptions and Skin Diseases, Liver Complaint, Dropsy, Tetters, Tumors and Salt Rheum, Worms, Gravel, Neuritis, as a Diarrhetic, and for Purifying the Blood.

They are sugar-coated, so that the most sensitive can take them pleasantly, and they are the best aperient in the world for all the purposes of a family physic.

Price 25 cents per Box; Five Boxes for \$1.00.

Great numbers of Clergymen, Physicians, Statesmen, and eminent personages, have lent their names to certify the unparalleled usefulness of these remedies, but our space here will not permit the insertion of them. The Agents below named furnish gratis our AMERICAN ALMANAC in which they are given; with also full descriptions of the above compounds, and the treatment that should be followed for their cure. Do not be put off by unprincipled dealers with other preparations they make more profit on. Demand Ayer's, and take no others. The sick want the best and there is for them, and they should have it.

FOR THE PRESERVATION OF ALL KINDS OF

Fruits, Vegetables, Jellies, Wines, Cider, Etc., Etc., Etc.

Without Sugar, and Without Expensive Sealing or Air-Tight Jars.—One Bottle will preserve 128 Pounds of Fruit, or 48 Gallons of Wine or Cider.

This Solution when properly used, effectually prevents fermentation or decay of Fruits, and by the most simple and inexpensive process, every variety may be kept in a fresh and perfectly wholesome condition the year round. It is no new and uncertain experiment, but has been in practical use for the past eight years, yet has been, for the most part, kept from the public for the purpose of ascertaining the result of a series of experiments, all of which have proved the validity of all that is now confidently claimed for it.

Fruits preserved by this Solution are as good as the best "canned" fruits, while the use of the Solution avoids the trouble of sealing, costly jars or cans, keeping from the air and light, frequent examinations, and the many other troubles and annoyances well known to every housewife.

[From JAMES R. CHILTON & Co., the Celebrated Analytical Chemists, New York.]

Having made numerous experiments with Mr. Lewis H. Spear's Fruit-Preserving Solution, we are enabled to state that it will prevent the decomposition of fruits when used in the manner described by him. The prepared fruits upon which we experimented had been mixed with the Solution, and were found to resist all attempts to generate fermentation. There is nothing in the nature of this Solution which, when absorbed by the fruits, can act in a manner to render them unwholesome.
