THURSDAY, OCTOBER 25, 1866.

It is rumored that Judge DeYoung has sold the Monroe Democrat office, to A. O. Greenawald, Esq , of Allentown .-The new proprietor will take possession on the 1st of January.

The directors of the Strondsburg Bank are about bringing to market, the valuable Tannery and Farm property of Dupue S. Miller, in Middle Smithfield township. The sale is advertised to take place at the Court House, in this bor ough, at three o'clock P. M., on Thursday, the 15th of November. Capitalists should attend the sale.

In a notice of the trial of Ruth Ann Starner, which we copied from the Belvidere Intelligencer, a couple of weeks ago, J. G. Shipman was the only attorney named in connection with the defence .-The Warren Journal says:

Gen. C. Burnett, of Stroudsburg, and J. Shipman, Esq , of Belvidere. We hear Gen. Burnett's argument highly spoken of by those who were present."

Protecting the toes of childrens' Shoes from wear by Metal Tips, has proved a most important and useful invention. But until lately a great mistake has been made in applying them chiefly to the coarser grades of shoes. For the higher the cost of the shoes the more there is saved by protecting the toe from wear, which can only be done by a Metal-Tip. Gentcel Metal-Tipped shoes are now being made and worn by the best families in this city. Manufacturers could not have conferred a greater public favor than by supplying this want. - Boston Journal.
