

STRANGE, BUT TRUE.
Every young lady and gentleman in the United States can hear something very much to their advantage by return mail (free of charge), by addressing the undersigned. Those having fears of being humbugged will oblige by not noticing this card. All others will please address their obedient servant,

CONTAGIOUS DISEASES.
Water must be adapted to the nature of the fish, or there will be no increase; the soil must be adapted to the seed, or there will be small returns; and the human body must contain impurities, or there will be no sickness. The man whose bowels and blood have been cleansed by a few

BRANDRETH'S PILLS
may walk through infected districts without fear. "The life of the flesh in the blood." To secure health we must USE BRANDRETH'S PILLS, because we cannot be sick but from unhealthy accumulations in the bowels or of the blood, which Brandreth's Pills remove; this method is following nature and is safe, and has stood the TEST OF TIME. See B. Brandreth in white letters in the Government stamp. Sold by all Druggists.

A HUMBUG.
HOW OFTEN WE HEAR EXPRESSIONS from persons reading advertisements of Patent Medicines, and in nine cases out of ten they are right. It is over 19 years since I introduced my medicine, the VENETIAN LINIMENT, to the public. I had no money to advertise it, so I let it be sold with a few druggists and storekeepers through a small section of the country, many taking it with great reluctance; but I told them to let any one have it, and if it did not do all I stated on my pamphlet, no one need pay for it. In some stores two or three bottles were taken on trial by persons present. I was, by many, thought crazy, and that would be the last they would see of me. But I knew my medicine was no humbug. In about two months I began to receive orders for more Liniment, some calling it my valuable Liniment, who had refused to sign a receipt when I left it at their store. Now my sales are millions of bottles yearly, and all for cash. I warrant it superior to any other medicine for the cure of Croup, Diarrhoea, Dysentery, Colic, Vomiting, Spasms, and Sea sickness, as an internal remedy. It is perfectly innocent to take internally, see each accompanying each bottle,—and externally for Chronic Rheumatism, Headache, Mumps, Frosted Feet, Burises, Sprains, Old Sores, Swellings, Sore Throats, &c., &c. Sold by all the Druggists. Depot, 56 Cortlandt Street, New York.

DR. SCHENCK'S PULMONIC SYRUP.
This great medicine cured Dr. J. H. SCHENCK, the Proprietor, of Pulmonary Consumption, when it had assumed its most formidable aspect, and when speedy death appeared to be inevitable. His physicians pronounced his case incurable, when he commenced the use of this simple but powerful remedy. His health was restored in a very short time, and no return of the disease has been apprehended for all the symptoms quickly disappeared, and his present weight is more than two hundred pounds.
Since his recovery, he has devoted his attention exclusively to the cure of Consumption, and the diseases which are usually complicated with it, and the cures effected by his medicines have been very numerous and truly wonderful. Dr. SCHENCK makes professional visits to several of the larger cities weekly, where he has a large concourse of patients, and it is truly astonishing to see poor consumptives that have to be lifted out of their carriages, and in a few months healthy, robust persons. Dr. SCHENCK'S PULMONIC SYRUP, SEAWEED TONIC, and MANDRAKE PILLS are generally all required in curing Consumption. Full directions accompany each, so that any one can take them without seeing Dr. SCHENCK, but when it is convenient it is best to see him. He gives advice free, but for a thorough examination with his Respirometer his fee is three dollars.
Please observe, when purchasing, that the two likenesses of the Doctor—one when in the last stage of Consumption, and the other as he now is, in perfect health—are on the Government stamp.

Sold by all Druggists and Dealers. Price \$1.50 per bottle, or \$7.50 the half dozen.— Letters of advice should always be directed to Dr. Schenck's Principal Office, No. 15 North 6th Street, Philadelphia, Pa.

SNOW POWDER
Patented May 29, 1866.
This is an article for washing without rubbing, except in very dirty places, which will require a very slight rub, and unlike other preparations offered for a like purpose, WILL NOT ROT THE CLOTHES, but will leave them much whiter than ordinary methods, without the usual wear and tear.
It removes grease spots as if by magic, and softens the dirt by soaking, so that rinsing will in ordinary cases entirely remove it.
This powder is prepared in accordance with chemical science, and upon a process peculiar to itself, which is secured by Letters Patent. It has been in use for more than a year, and has proved itself an universal favorite wherever it has been used. Among the advantages claimed are the following, viz.—
It saves all the expense of soap usually used on cotton and linen goods.
It saves most of the labor of rubbing, and wear and tear.
Also, for cleaning windows it is unsurpassed. With one quarter the time and labor usually required it imparts a beautiful gloss and lustre, much superior to any other mode. No water required except to moisten the powder.
Directions with each package.
And can be readily appreciated by a single trial. The cost of washing for a family of five or six persons will not exceed THREE CENTS.
The manufacturers of this powder are aware that many useless compounds have been introduced to the public which have rotted the cloth, or failed in removing the dirt, but knowing the intrinsic excellence of this article, they confidently proclaim it as being adapted to meet a demand which has long existed, and which has heretofore remained unsupplied.
