

**REDUCTION IN PRICE**  
OF THE  
**AMERICAN WATCHES,**  
MADE AT WALTHAM, MASS.

In consequence of the recent great decline in gold and silver and all the materials used in the manufacture of our goods, and in anticipation of a still further decline, we have reduced our prices to as low a point as they can be placed.

With Gold at Par, so that no one need hesitate to buy a watch now from the expectation that it will be cheaper at some future time. The test of ten years and the manufacture and sale of more than 200,000 Watches,

have given our productions the very highest rank among timekeepers. Commencing with the determination to make thoroughly excellent watches, our business has steadily increased as the public became acquainted with their value, until for months together, we have been unable to supply the demand. We have repeatedly enlarged our factory buildings until they now cover over three acres of ground, and give accommodation to more than eight hundred workmen.

We are fully justified in stating that we now make MORE THAN ONE-HALF OF ALL THE WATCHES SOLD IN THE UNITED STATES. The different grades are distinguished by the following trademarks engraved on the plate:

1. "American Watch Co." Waltham, Mass.
2. "Appleton, Tracy & Co." Waltham, Mass.
3. "P. S. Bartlett." Waltham, Mass.
4. "Wm. Ellery." Waltham, Mass.
5. "OUR LADIES' WATCH" of the first quality is named "Appleton, Tracy & Co." Waltham, Mass.
6. "Our next quality of Ladies' Watch" is named "P. S. Bartlett." Waltham, Mass. These watches are furnished in a great variety of sizes and styles of cases.

The American Watch Co., of Waltham, Mass., authorize us to state that without distinction of trade marks or price, ALL THE PRODUCTS OF THEIR FACTORY ARE FULLY WARRANTED to be the best time-keepers of their class ever made in this or any other country. Buyers should remember that unlike the guarantee of a foreign maker who can never be reached, this guarantee is good at all times against the Company or their agents, and that if after the most thorough trial, any watch should prove defective in any particular, it may always be exchanged for another. As the American Watches made at Waltham, are for sale by dealers generally throughout the country, we do not solicit orders for single watches.

**CAUTION.**—The public are cautioned to buy only of respectable dealers. All persons selling counterfeits will be prosecuted. **ROBBINS & APPLETON,** AGENTS FOR THE AMERICAN WATCH COMPANY 152 BROADWAY, N. Y.

**A CARD TO INVALIDS.**

A Clergyman, while residing in South America as a missionary, discovered a safe and simple remedy for the Cure of Nervous Weakness, Early Decay, Diseases of the Urinary and Seminal Organs, and the whole train of disorders brought on by baneful and vicious habits. Great numbers have been already cured by this noble remedy. Prompted by a desire to benefit the afflicted and unfortunate, I will send the recipe for preparing and using this medicine, in a sealed envelope, to any one who needs it, *Free of Charge.*

Please inclose a post-paid envelope, addressed to yourself.

**TO OWNERS OF HORSES AND CATTLE.**

**TOBIAS' DERBY CONDITION POWDER** is warranted superior to any others, or no pay, for the cure of Distemper, Worms, Bots, Coughs, Hiccough, Colds, &c., in Horses; and Colds, Coughs, Loss of Milk, Black Tongue, Horn Distemper, &c., in Cattle. These Powders were formerly put up by Simpson I. Tobias, son of Dr. Tobias, and, since his death, the demand has been so great for them, that Dr. Tobias has continued to manufacture them. They are perfectly safe and innocent; no need of stopping the working of your animals. They increase the appetite, give a fine coat, cleanse the stomach and urinary organs; also increase the milk of cows. Try them, and you will never be without them. Hiram Woodruff, the celebrated trainer of trotting horses, has used them for years, and recommends them to his friends. Col. Phil. P. Bush, of the Jerome Race Course, Fordham, N. Y., would not use them until he was told of what they are composed, since which he is never without them. He has over 20 running horses in his charge, and for the last three years has used no other medicine for them. He has kindly permitted me to refer any one to him. Over 1,000 other references can be seen at the depot. Sold by Druggists and Saddlers. Price 25 cents per box. Depot, 56 Cortlandt Street, New York. [Nov. 29, 1866.—7w.]

**PATENT WHITE WIRE FOR Clothes Lines.** I beg leave to call your attention to an entirely new quality of Wire, known as White Wire, possessing a coating which prevents it from even corroding, or turning from its uniform whiteness, during any number of years, and on which Letters Patent have been secured. It has been found to be the only article suitable for a clothes line, except the old fashioned rope or cord, which always gets so much trouble and annoyance, by breaking, rotting out and discoloring clothes, and by being obliged to put it up and take it down every time used. With this Wire Clothes Line you have none of these annoyances, as when it is once put up it gives you no more trouble until the stakes or posts to which it is attached rot down. After using it, we are confident you will fully corroborate the statements of thousands of others in its praise. Over 160,000 lines have already been sold, and every family should and will have one. It will not change though you may keep it under water for any length of time, hence you see it cannot discolor clothes like a rope or cord.

Sold, Wholesale and Retail, by T. W. CUTLER, Agent for the White Wire Company, Stroudsburg, January 3d, 1867.—1f.

His stock comprises, in almost endless variety, and of the best quality, DRY GOODS, NOTIONS, HARDWARE, QUEENSWARE, GROCERIES, DRUGS, MEDICINES, &c., &c.

He has, also, on hand a very large assortment of new and fashionable Boots and Shoes, both city and home-made, all of which he will dispose of at prices which will make purchasers wonder. Look at a few of the prices at which I am really giving away goods, and you cannot fail to be convinced that my store, in Stormville, is the place at which to secure real bargains:

PRINTS from 10 to 22 cents per yard, MUSLINS from 15 to 25 " yard, DE LANES from 25 to 35 " yard, and all Woolen goods at figures proportionately low.

Boots and Shoes very low—home-made at least 50 per cent. below Stroudsburg prices. SUGARS from 10 to 17 cents per pound, MOLASSES from 50 cts. to \$1 per gal.

In short, all articles in my line far below the monopoly prices which have heretofore prevailed.
