

REDUCTION IN PRICE
OF THE
AMERICAN WATCHES,
MADE AT WALTHAM, MASS.

In consequence of the recent great decline in gold and silver and all the materials used in the manufacture of our goods, and in anticipation of a still further decline, we have reduced our prices to as low a point as they can be placed.

With Gold at Par,
so that no one need hesitate to buy a watch now from the expectation that it will be cheaper at some future time. The test of ten years and the manufacture and sale of more than 200,000 Watches, have given our productions the very highest rank among timekeepers. Commencing with the determination to make thoroughly excellent watches, our business has steadily increased as the public became acquainted with their value, until for months together, we have been unable to supply the demand. We have repeatedly enlarged our factory buildings until they now cover over three acres of ground, and give accommodation to more than eight hundred workmen.

We are fully justified in stating that we now make MORE THAN ONE-HALF OF ALL THE WATCHES SOLD IN THE UNITED STATES. The different grades are distinguished by the following trademarks engraved on the plate:

1. "American Watch Co." Waltham, Mass.
2. "Appleton, Tracy & Co." Waltham, Mass.
3. "P. S. Bartlett." Waltham, Mass.
4. "Wm. Ellery." Waltham, Mass.
5. "OUR LADIES' WATCH" of the first quality is named "Appleton, Tracy & Co." Waltham, Mass.
6. "Our next quality of Ladies' Watch is named "P. S. Bartlett," Waltham, Mass. These watches are furnished in a great variety of sizes and styles of cases.

The American Watch Co., of Waltham, Mass., authorize us to state that without distinction of trade marks or price, ALL THE PRODUCTS OF THEIR FACTORY ARE FULLY WARRANTED to be the best time-keepers of their class ever made in this or any other country. Buyers should remember that unlike the guarantee of a foreign maker who can never be reached, this warranty is good at all times against the Company or their agents, and that if after the most thorough trial, any watch should prove defective in any particular, it may always be exchanged for another. As the American Watches made at Waltham, are for sale by dealers generally throughout the country, we do not solicit orders for single watches.

CAUTION.—The public are cautioned to buy only of respectable dealers. All persons selling counterfeit watches will be prosecuted.

AGENTS WANTED
FOR THE MOST POPULAR
And best selling Subscription Book published!

We are the most extensive publishers in the United States, (having six houses,) and therefore can afford to sell books cheaper and pay agents a more liberal commission than any other company.

Our books do not pass through the hands of General Agents (as nearly all other subscription works do) therefore we are enabled to give our extra per cent. which is usually allowed to General Agents. Experienced canvassers will see the advantages of dealing directly with the publishers.

Our series embraces the most popular works on all subjects of importance, and is selling rapidly both North and South. Old agents, and all others, who want the best paying agencies, will please send for circulars and see our terms, and compare them and the character of our works with those of other publishers. Address, NATIONAL PUBLISHING CO., Philadelphia, Pa., Boston, Mass., Cincinnati, Ohio, Chicago, Ills., St. Louis, Mo., or Richmond, Va. Jan. 10, 1867.

To the Public in General.
PATENT WHITE WIRE FOR Clothes Lines.

LEAVE to call your attention to an entirely new quality of Wire, known as White Wire, possessing a coating which prevents it from even corroding, or turning from its uniform whiteness, during any number of years, and on which Letters Patent have been secured. It has been found to be the only article suitable for a clothes line, except the old fashioned rope or cord, which always gives so much trouble and annoyance, by breaking, rotting out and discoloring clothes, and by being obliged to put it up and take it down every time used. With this Wire Clothes Line you have none of these annoyances, as when it is once put up it gives you no more trouble until the stakes or posts to which it is attached rot down. After using it, we are confident you will fully corroborate the statements of thousands of others in its praise. Over 160,000 families have already been sold, and every family should and will have one. It will not change though you may keep it under water for any length of time, hence you see it cannot discolor clothes like a rope or cord.

Sold, Wholesale and Retail, by T. W. CUTLER, Agent for the White Wire Company, Stroudsburg, January 3d, 1867.—1f.

New Goods at Stormville.

THE subscriber takes pleasure in informing the public, that he has just opened the largest and best selected stock of Goods, at his old stand in Stormville, Pa., ever brought into Monroe county, and that he has determined to dispose of them at prices, much cheaper than they can be bought at any other establishment, whether in town or country. His stock comprises, in almost endless variety, and of the best quality, DRY GOODS,

NOTIONS,
HARDWARE,
QUEENSWARE,
GROCERIES,
DRUGS, MEDICINES, &c., &c.

He has, also, on hand a very large assortment of new and fashionable

Boots and Shoes,
both city and home-made, all of which he will dispose of at prices which will make purchasers wonder. Look at a few of the prices at which I am really giving away goods, and you cannot fail to be convinced that my store, in Stormville, is the place at which to secure real bargains:

PRINTS from 10 to 22 cents per yard.
MUSLINS from 15 to 25 " yard.
DE LANES from 25 to 35 " yard,
and all Woolen goods at figures proportionately low.

Boots and Shoes very low—home-made at least 50 per cent. below Stroudsburg prices.

SUGARS from 10 to 17 cents per pound, MOLASSES from 50 cts. to \$1 per gal. In short, all articles in my line far below the monopoly prices which have heretofore prevailed.

The excitement growing out of these great reductions has already begun, but come one, come all, my stock will always be found full up to the demand.

BUTTER, EGGS, and country produce generally will not be refused in exchange for goods; and the highest market prices allowed.

MANHOD:
HOW LOST, HOW RESTORED
Just published, a new edition of
Dr. Culverwell's Celebrated Essay
on the radical cure (without medicine) of SPERMATORRHOEA, or seminal Weakness, Involuntary Seminal Losses, IMPOTENCY, Mental and Physical Incapacity, Impediments to Marriage, &c.; also CONSUMPTION, EPILEPSY, and FRS induced by self-Indulgence or sexual extravagance.

Price, in a sealed envelope, only 6 cents.

The celebrated author in this admirable essay clearly demonstrates, from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife—pointing out a mode of cure once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically.

This lecture should be in the hands of every youth and every man in the land.
