

REASONS WHY THE AMERICAN WATCH Made at WALTHAM, Mass. IS THE BEST.

It is made on the best principle. Its frame is composed of SOLID PLATES. No jar can interfere with the harmony of its working and no sudden shock can damage its mechanism. Every piece is made and finished by machinery (itself famous for its novelty, as well as for its effectiveness) and is therefore properly made. The watch is what all mechanism should be—ACCURATE, SIMPLE, STRONG and ECONOMICAL.

At the beginning of our enterprise, more than ten years ago, it was our first object to make a thoroughly good low-priced watch for the million, to take the place of these foreign imitations—the refuse of foreign factories—which were entirely unsuitable at home and perfectly worthless everywhere.

Now we have accomplished this, we may be pardoned from the fact, that after so many years of trial, we now make MORE THAN ONE-HALF OF ALL THE WATCHES SOLD IN THE UNITED STATES and that no other have ever given such universal satisfaction. While this department of our business is continued with increased facilities for perfect work, we are at present engaged in the manufacture of watches of the HIGHEST GRADE KNOWN TO CHRONOMETRY.

Unimpaired by anything hitherto made by our country, and unimpaired by anything made in the world, for this purpose we have the amplest facilities. We have erected an addition to our main buildings expressly for this branch of our business, and have fitted it with the best workmen in our service. New machines and appliances have been constructed, which perform their work with consummate delicacy and exactness. The choicest and most approved materials only are used and we challenge comparison between this grade of our work and the finest imported chronometers.

We do not pretend to sell our watches for less money than foreign watches, but we do assert without fear of contradiction that for the same money our product is incomparably superior. All our watches, of whatever grade, are fully warranted, and this warranty is good at all times against us or our agents in all parts of the world.

CAUTION.—The public are cautioned to buy only of respectable dealers. All persons selling counterfeits will be prosecuted.

Dr. SCHEENCK'S PULMONIC SYRUP.

This great medicine cured Dr. J. H. SCHEENCK, the Proprietor, of Pulmonary Consumption, when it had assumed its most formidable aspect, and when speedy death appeared to be inevitable. His physicians pronounced his case incurable, when he commenced the use of this simple but powerful remedy. His health was restored in a very short time, and no return of the disease has been apprehended for all the symptoms quickly disappeared, and his present weight is more than two hundred pounds.

Since his recovery, he has devoted his attention exclusively to the cure of Consumption, and the diseases which are usually complicated with it, and the cures effected by his medicines have been very numerous and truly wonderful. Dr. SCHEENCK makes professional visits to several of the larger cities weekly, where he has a large concourse of patients, and it is truly astonishing to see poor consumptives that have to be lifted out of their carriages, and in a few months healthy, robust persons. Dr. SCHEENCK'S PULMONIC SYRUP, SEAWED TONIC, and MANDRAKE PILLS are generally all required in curing Consumption. Full directions accompany each, so that any one can take them without seeing Dr. SCHEENCK, but when it is convenient it is best to see him. He gives advice free, but for a thorough examination with his Respirometer his fee is three dollars.

Please observe, when purchasing, that the two likenesses of the Doctor—one when in the last stage of Consumption, and the other as he now is, in perfect health—are on the Government stamp.

Sold by all Druggists and Dealers. Price \$1.50 per bottle, or 87 1/2 the half dozen.—Letters of advice should always be directed to Dr. Scheenck's Principal Office, No. 15 North 6th Street, Philadelphia, Pa. General Wholesale Agents: Demas Barnes & Co., N. Y.; S. S. Hance, Baltimore, Md.; John D. Park, Cincinnati, Ohio; Walker & Taylor, Chicago, Ill.; Collins Bros., St. Louis, Mo. [3d w. ea. mo. 1 yr.]

TO OWNERS OF HORSES AND CATTLE.

THOUSANDS OF HORSES DIE yearly from Colic. This need not be. Dr. Tobias's Venetian Horse Liniment will positively cure every case, if given when first taken. The cost is only one dollar.—Every owner of a horse should have a bottle in his stable, ready for use. It is warranted superior to anything else for the cure of Cuts, Wind Galls, Swellings, Sore Throats, Sprains, Bruises, Old Sores, &c. This Liniment is no new remedy. It has been used and approved of for 19 years by the first horsemen in the country. Given to an over-driven horse, it acts like magic. Orders are constantly received from the racing stables of England for it. The celebrated Hiram Woodruff, of trotting fame, has used it for years, and says it is far superior to any other he has tried. He kindly permits me to refer to him. His address is East New York, Long Island. Recollect, Dr. Tobias's Venetian Horse Liniment is put up in pint bottles. Take no other. Sold by the Druggists and Saddlers. Depot, 56 Cortland Street, New York. [Jan. 17, 1867.—1m.]

IMPORTANT QUALITIES.

BRANDRETH'S PILLS STIMULATE all the interior powers of the system that every poison or impurity is forced from the blood into the bowels, and thus passes off.—Recent cases of sickness will often be cured by the effect of 6 or 8 Brandreth's Pills, which, when the operation is full and complete, leave the blood as free from poisonous and unhealthy matter as that of a new-born babe. In colds, inflammatory diseases, and even in cholera, their use restores to health sooner than all other remedies, because they take from the blood and bowels those matters upon which pains, cramps, and aches depend for continuance.

Captain Isaac Smith, of Sing Sing, says thirty of Brandreth's Pills, taken according to directions, cured him of a very severe bronchial affection after other means had failed, and he wishes his numerous friends to know the fact.

Brandreth's Pills, Principal Office, Brandreth House, New York. Sold also by all Druggists. See my name on Government stamp, without which the pills are spurious.

AGENTS WANTED FOR THE MOST POPULAR AND BEST SELLING Subscription Book published!

We are the most extensive publishers in the United States, (having six houses), and therefore can afford to sell books cheaper and pay agents a more liberal commission than any other company.

Our books do not pass through the hands of General Agents (as nearly all other subscription works do), therefore we are enabled to give our extra per cent. which is usually allowed to General Agents. Experienced canvassers will see the advantages of dealing directly with the publishers.

Our series embraces the most popular works on all subjects of importance, and is selling rapidly both North and South.

Old agents, and all others, who want the best paying agencies, will please send for circulars and see our terms, and compare them and the character of our works with those of other publishers. PATENT WHITE WIRE FOR Clothes Lines.

I BEG leave to call your attention to an entirely new quality of Wire, known as White Wire, possessing a coating which prevents it from even corroding, or turning from its uniform whiteness, during any number of years, and on which Letters Patent have been secured. It has been found to be the only article suitable for a clothes line, except the old fashioned rope or cord, which always gives so much trouble and annoyance, by breaking, rotting out and discoloring clothes, and by being obliged to put it up and take it down every time used. With this Wire Clothes Line you have one of these annoyances, as when it is once put up it gives you no more trouble until the stakes or posts to which it is attached rot down. After using it, we are confident you will fully corroborate the statements of thousands of others in its praise. Over 260,000 lines have already been sold, and every family should and will have one. It will not change though you may keep it under water for any length of time, hence you see it cannot discolor clothes like a rope or cord.

Sold, Wholesale and Retail, by T. W. CUTLER, Agent for the White Wire Company. Stroudsburg, January 3d, 1867.—4t.

MANHOOD: HOW LOST, HOW RESTORED

Just published, a new edition of Dr. Culverwell's Celebrated Essay on the radical cure (without medicine) of SPERMATORRHOEA, or seminal Weakness, involuntary Seminal Losses, IMPOTENCY, Mental and Physical Incapacity, Impediments to Marriage, etc.; also CONSUMPTION, EPILEPSY, and FITS induced by self-Indulgence or sexual extravagance.
