A CARD TO THE LADIES. Dr. DUPONCO'S Golden Periodical Pills, FOR FEMALES.

Infallible in Correcting Irregularities, Removing Obstructions of the Menstrue, from Whatever Cause, and ALWAYS SUCCESSFUL AS A PREVENTIVE.

It is now over thirty years since the above celebrated Pills were first discovered by Dr. DUPONCO of Paris, during which time they have been extensively and successfully used in most of the public institutions, as well as in private practice, of both hemispheres, with unparalleled success in every case, and it is only at the "urgent request" of the thousands of Ladies who have used them, that he is induced to make the Pills public for the alleviation of those suffering from any Irregularities whatever, as well as to prevent an increase of family where health will not permit it.

ONE BOX IS A DOSE. Females peculiarly situated, or those supposing themselves so, are cautioned against using these Pills while in that condition lest they "invite miscarriage," after which admission, the Proprietor assumes no responsibility, although their mildness would prevent any mischief to health, otherwise the Pills are recommended as a MOST INVALUABLE REMEDY for all those afflicting complaints so peculiar to the sex, viz.: Distressing and Painful Menstruation, Retention, Pain in the Back and Loins, Pressing-Down Pains, Rush of Blood to the Head, Dizziness, Dimness of Sight, Green Stools, Headaches, Fatigue on any Slight Exertion, Palpitation of the Heart, and all the various distressing complaints, particularly that most annoying weakening, and the beginning of all other female weaknesses.

The Leucorrhoea, or Whites. At the same time, there is nothing in these pills that can do injury to life or health. Let the directions be strictly followed, and you will find them to be all they are represented.

ONE BOX IS SUFFICIENT. 50,000 Boxes have been Sold Within Two Years. Ten Thousand Boxes sent by Letter, both by myself and Agents, to all parts of the world, to which answers have been returned, in which ladies say, nothing like the above pills have been known since the SCIENCE OF MEDICINE DAWDED UPON THE WORLD, In Removing Obstructions and Restoring Nature to its Proper Channel.

Price \$1 per Box. Six Boxes \$5. Sold in Stroubsburg, Pa., by DREHER & BROTHER, Sole Agent.

Ladies by sending \$1.00 to DREHER & BROTHER, Stroubsburg Post-Office can have the pills sent (confidentially), by Mail, to any part of the country, "free of postage" Nov. 22, 1866.—1yr.

New Foundry AND MACHINE SHOP.

The undersigned having completed his new Foundry and Machine Shop would respectfully inform his old friends, and the public generally, that he is fully prepared to fill all orders in his line with promptness, and in a style superior even to what he was able to do in the old establishment destroyed by the flood.

Having a full assortment of patterns made of the best material, he is prepared to supply all demands for Mill Work, Bark Mills, Flaw Castings and Sash Weights, STEAM ENGINES, MACHINE WORK, &c., &c. Being an experienced workman himself, and employing none but the best hands and the best material, the public may rest assured that all work coming from his shop will be fully equal, if not superior, to that produced by any other establishment in the country.

The new Foundry and Machine Shop is located on Walton street, near Elizabeth street, in the borough of Stroubsburg, where the orders of old friends as well as new one are solicited. Orders from a distance may be addressed, per mail, to F. LANDERS, Stroubsburg, Monroe Co., Pa. September 4th, 1862.

J. LANTZ, DENTIST.

Has permanently located himself in Stroubsburg, and moved his office next door to Dr. S. Walton, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner.

Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far. Hence the necessity of obtaining the services of a dentist near home. All work warranted. Stroubsburg, March 27, 1862.
