Pennsylvania Agricultural Land Scrip For Sale.  
The Board of Commissioners now offer for sale 520,000 acres of Agricultural College Land Scrip, being the balance of the Scrip granted to the Commonwealth of Pennsylvania for the endowment of Agricultural Colleges in this State.  
Proposals for the purchase of this Land Scrip, addressed to "The Board of Commissioners of Agricultural Land Scrip," will be received at the Surveyor General's office, at Harrisburg, until 12 o'clock, M., on Wednesday, April 10, 1867.  
This land may be located in any State or Territory, by the holders of the scrip, upon any of the unappropriated lands (except mineral lands) of the United States, which may be subject to sale at private entry. Bids must be made as per acre, and no bids will be received for less than one quarter section.  
The Scrip will be issued immediately on the payment of the money to the Surveyor General. On all bids for a less quantity than 40,000 acres, one-third of the purchase money must be paid within ten days, and the remaining two-thirds within thirty days after notification of the acceptance of the bid or bids by the Board of Commissioners.

**TO THE PUBLIC IN GENERAL.**  
PATENT WHITE WIRE FOR Clothes Lines.  
I BEG leave to call your attention to an entirely new quality of Wire, known as White Wire, possessing a coating which prevents it from even corroding, or turning from its uniform whiteness, during any number of years, and on which Letters Patent have been secured. It has been found to be the only article suitable for a clothes line, except the old fashioned rope or cord, which always gives so much trouble and annoyance, by breaking, rotting out and discoloring clothes, and by being obliged to put it up and take it down every time used. With this Wire Clothes Line you have none of these annoyances, as when it is once put up it gives you no more trouble until the stakes or posts to which it is attached rot down. After using it, we are confident you will fully corroborate the statements of thousands of others in its praise. Over 100,000 lines have already been sold, and every family should and will have one. It will not change though you may keep it under water for any length of time, hence you see it cannot discolor clothes like a rope or cord.  
Sold, Wholesale and Retail, by  
T. W. CUTLER, Agent for the White Wire Company,  
Stroudsburg, January 3d, 1867.-4c.
