PATENT WHITE WIRE FOR
Clothes Lines.

I BEG leave to call your attention to an entirely new quality of Wire, known as White Wire, possessing a coating which prevents it from even coroding, or turning from its uniform whiteness, during any number of years, and on which Letters Patent have been secured. It has been found to be the only article suitable for a clothes line, except the old fashioned rope or cord, which always gives so much trouble and annoyance, by breaking, rotting out and discoloring clothes, and by being obliged to put it up and take it down every time used. With this Wire Clothes Line you have none of these annoyances. When it is once put up it gives you no more trouble until the stakes or posts to which it is attached rot down. After using it, we are confident you will fully corroborate the statements of thousands of others in its praise. Over 160,000 lines have already been sold, and every family should and will have one. It will not change though you may keep it under water for any length of time, hence you see it cannot discolor clothes like a rope or cord.

ASTROLOGY.

The World Astonished

AT THE WONDERFUL REVELATIONS
MADE BY THE GREAT ASTROLOGIST.
Madame H. A. PERRIGO.

She reveals secrets no mortal ever knew. She restores to happiness those who, from doleful events, catastrophes, crosses in love, loss of relation and friends, loss of money, &c., have become despondent. She brings together those long separated, gives information concerning absent friends of lovers, restores lost or stolen property, tells you the business you are best qualified to pursue and in what you will be most successful, causes speedy marriages and tells you the very day you will marry, gives you the name, likeness and characteristics of the person. She reads your very thoughts, and by her almost supernatural powers unveils the dark and hidden mysteries of the future. From the stars we see in the firmanent—the malefic stars that overcome or predominate in the configuration—from the aspects and positions of the planets and the fixed stars in the heavens at the time of birth, she deduces the future destiny of man. Fail not to consult the greatest Astrologist on earth. It costs you but a trifle, and you may never again have so favorable an opportunity. Consultation fee, with likeness and all desired information $1. Parties living at a distance can consult the Madame by mail with equal safety and satisfaction to themselves, as if in person. A full and explicit chart, written out, with all inquiries answered and likeness enclosed, sent by mail on receipt of price above mentioned. The strictest secresy will be maintained, and all correspondence returned or destroyed. References of the highest order furnished those desired them. Write plainly the day of the month and year in which you were born, enclosing a small lock of hair. Address,

Golden Periodical Pills,

FOR FEMALES.

Infallible in Correcting Irregularities, Removing Obstructions of the Menses, from Whatever Cause, and

ALWAYS SUCCESSFUL AS A PREVENTIVE.

It is now over thirty years since the above celebrated Pills were first discovered by Dr. DUPONCO of Paris, during which time they have been extensively and successfully used in most of the public institutions, as well as in private practice, of both hemispheres, with unparalelled success in every case, and it is only at the "urgent request" of the thousands of Ladies who have used them, that he is induced to make the Pills public for the alleviation of those suffering from any Irregularities whatever, as well as to prevent an increase of family where health will not permit it.

ONE PILL IS A DOSE.

Females peculiarly situated, or those supposing themselves so, are cautioned against using these Pills while in that condition lest they "invite miscarriage," after which admonition, the *Proprietor* assumes no responsibility, although their mildness would prevent any mischief to health, otherwise the Pills are recommended as a

MOST INVALUABLE REMEDY

for all those afflicting complaints so peculiar to the sex, viz.: *Distressing and Painful Menstruation, Retention, Pain in the Back and Loins, Pressing-Down Pains, Rush of Blood to the Head, Dizziness, Dimness of Sight, Green Sickness, Heaviness, Fatigue on any Slight Exertion, Palpitation of the Heart*, and all the various distressing complaints, particularly that most annoying weakening, and the beginning of all other female weaknesses,

The Leucorrhœa, or Whites.

At the same time, there is nothing in these pills that can do injury to life or health.—*Let the directions be strictly followed*, and you will find them to be *all they are represented*.

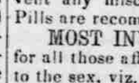
J. LANTZ, DENTIST.



Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far. Hence the necessity of obtaining the services of a dentist near home. All work warranted.
