

Schuylkill County.

For some years past Schuylkill county has not been governed by Pennsylvania, but by the "Miner's Union." Exception should be made of a few months, when the United States interposed, and sent Gen. Sigle there with a regiment or two of troops. The strong hand of military discipline reduced the members of the "Union" to some sort of outward respect for the rights of their fellow citizens. Coal having receded very greatly in price, the "Union" men are on a strike. So far, well. Men who have labor to sell, and if they do not see fit to part with it on the terms offered, have an undoubted right to keep it, so long as they pay their way, and do not get on the pauper lists. But this is not the point at which they stopped. A notice was posted through the county, in these words:

"Take notice from this time, if you want to live, for I think your time will be very short, so you must look out for all you get, and any man on the colliery until the 20 cents is put on."

[Diagram of a coffin and pistol.] Higher wages, or death to the employers who refuse! Four Superintendents of mines have been personally warned to leave under penalty of death for non-compliance. Several murders have been committed, and a number of houses robbed. These same miscreants have committed a hundred murders in that same county, during that last few years, for which none of them have been brought to punishment. Governor Geary has now been appealed to for aid, and the suggestion has been made that the general government be solicited to make Pottsville a regular military post. As the case stands the "Union" has complete "jurisdiction." It is high time the penitentiary and the gallows received their dues.

General Sheridan, in command of the Fifth Military District, issued an official order on Wednesday last removing from their respective positions Andrew S. Heron, Attorney-General of Louisiana; John T. Monroe, Mayor of New Orleans, and Edmund Abell, Judge of the First District Court of New Orleans. These are the men who encouraged and protected the Rebels who committed the bloody massacre of Unionists last July, and who were then recognized by Andrew Johnson as the proper authorities of the State. General Sheridan has filled their places by appointing well known Union men, whose authority will be strictly enforced. This the kind of "reconstruction" which Johnson and the Copperheads so bitterly oppose, knowing that under its operation their rebel friends will be shorn of power.

The pay and allowances of the gentlemen who wear stars and shoulder-straps in our Army on its peace footing are reported to be as follows: Gen. Grant, \$18,120; Lieut.-Gen. Sherman, \$14,814; Major-Gen. Halleck, \$7,717; Major-Gen. Meade, \$7,717; Major-Gen. Sheridan, \$7,717; Major-Gen. Thomas, \$7,717; Brig.-Gen. McDowell, \$5,517; Brig.-Gen. Rosecrans, \$5,517; Colonels, \$4,500; Lieutenant Colonels, \$3,994; Majors, \$2,765; Captains, \$2,049; First Lieutenants, \$2,713; and Second Lieutenants, \$2,653.

The notorious Isham G. Harris writes, from Mexico, where he is living in exile, and doing penance for his active part in the rebellion, a doleful letter to the Memphis *Advertiser*, in which he depicts that country as anything but a pleasant place where to dwell. He has left in search of a new home. He will roam the world over and found no dwelling place so comfortable as that one he has forfeited by treason and infidelity to the Government.

Grain Trade of Davenport.

The Davenport (Iowa) Democrat makes up a statement from the principal grain dealers of that city, footing up for the year 1866, an aggregate of 3,484,059 bushels. Of this amount there were of wheat, 1,406,532 bushels; barley, 1,009,996; corn, 687,035; oats, 379,060; rye, 21,436.

It is stated as a fact, that where oak forests have existed ever since the first settlement of the country, if the trees are cut down, there at once spring up on the spot pine saplings, covering all the ground. If, in turn, the pine trees are cut down, oak trees, in turn, succeed them.

A CARD TO THE LADIES. Dr. DUPONCO'S

Golden Periodical Pills, FOR FEMALES.

Infallible in Correcting Irregularities, Removing Obstructions of the Menstrues, from Whatever Cause, and ALWAYS SUCCESSFUL AS A PREVENTIVE.

It is now over thirty years since the above celebrated Pills were first discovered by Dr. DUPONCO of Paris, during which time they have been extensively and successfully used in most of the public institutions, as well as in private practice, of both hemispheres, with unparalleled success in every case, and it is only at the "urgent request" of the thousands of Ladies who have used them, that he is induced to make the Pills public for the alleviation of those suffering from any Irregularities whatever, as well as to prevent an increase of family where health will not permit it.

ONE PILL IS A DOSE. Females peculiarly situated, or those supposing themselves so, are cautioned against using these Pills while in that condition lest they "invite miscarriage," after which admission, the Proprietor assumes no responsibility, although their mildness would prevent any mischief to health, otherwise the Pills are recommended as a

MOST INVALUABLE REMEDY for all those afflicting complaints so peculiar to the sex, viz.: Distressing and Painful Menstruation, Retention, Pain in the Back and Loins, Pressing-Down Pains, Rush of Blood to the Head, Dizziness, Dimness of Sight, Green Sickness, Headaches, Fatigue on any Slight Exertion, Palpitation of the Heart, and all the various distressing complaints, particularly that most annoying weakening, and the beginning of all other female weaknesses.

The Leucorrhoea, or Whites. At the same time, there is nothing in these pills that can do injury to life or health. Let the directions be strictly followed, and you will find them to be all they are represented.

ONE BOX IS SUFFICIENT. 50,000 Boxes have been Sold Within Two Years.

Ten Thousand Boxes sent by Letter, both by myself and Agents, to all parts of the world, to which answers have been returned, in which ladies say, nothing like the above pills have been known since the SCIENCE OF MEDICINE DAWNED UPON THE WORLD.

In Removing Obstructions and Restoring Nature to its Proper Channel, QUIETING THE NERVES and bringing back the "Rosy color of Health" to the cheek of the most delicate.

PRICE \$1 PER BOX. Six Boxes \$5. Sold in Stroudsburg, Pa., by DREHER & BROTHER, Sole Agent.

Ladies by sending \$1.00 to DREHER & BROTHER, Stroudsburg Post-Office can have the pills sent (confidentially), by Mail, to any part of the country, "free of postage" Nov. 22, 1866.-lyr.

J. LANTZ, DENTIST.

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant and of low the traveling dentist. It matters not how much experience a person may have, he is liable to have some failure out of a number of cases, and if the dentist lives at a distance it is frequently put off until it is too late to save the tooth or teeth as it may be, other wise the inconvenience and trouble of going so far. Hence the necessity of obtaining the services of a dentist near home. All work warranted. Stroudsburg, March 27, 1866.

McCarty is the only Furniture dealer in Stroudsburg who has a License to sell FURNITURE. [August 2, 1866]
