

Nasby on Odor.

Mr. Nasby has been taking a retrospective view of the political situation, and is horrified in discovering that the New York World, the organ of the Democracy, asserts that the odor of the negro is not more offensive than that of the white man. He thus discourses:

But what marks the demoralization of the Democracy the most, is the folio extract which I cut from the New York World, wuz not our trusted organ. I have not the heart to re-write it. I paste the slip onto the paper, hence I am not responsible for such errors in orthography and grammar as may be discovered into it. Here it is:

"As regards the popular notion of the odor of the negro, it may be positively stated that he, in this respect, is like the white—a clean negro being free from it, and a foul one cursed by it."

It is he who is the nigger don't stink, then Noah got tite and Ham wuz cast in vane—then Paul sent back Onesimus for nothin and Hagar is of no more interest to the Democracy than any other female who hez bin ded several thousand years. The Democratic party wuz built upon this stink, and of that corner-stink is knocked out, the temple falls and bu ries all beneath its ruins who are shelter ed under it, uv whom I am the chiefest and the loveliest among ten thousand— At one fell swoop the wind is knocked out of the sales uv the Northern Democracy. Wat is the nigger now to them if he does not stink? "Popler noshen," indeed! Truly it wuz a popler noshen. That stink led hundreds uv thousand uv Democrats by the nose. That "odor"—ez the writer styles it—wuz our best hold, and one which wuz everything to us— That stink wuz all that elevated the Dem ocrat over the nigger—that wuz our mark of superiority. Wuz, at times, wuz not uv the precise odor uv Nitobloomin se rious. A Democratic mass convenshen when in a tite room, with two stoves in it, wuz not the most odorous gatherin in the world, but we thanked God contin ually that the smell which ariz ez the room got hot, wuz not the peccoliar aroma uv the nigger, and we wuz comforted— But the writer redoeses the whole thing—the whole difference between the nigger and a Democrat—to a matter of color and cleanliness. Wat heresy! Wat incon clusion! (This last word meanin, I be lieve, idol breakin, or suthin uv that sort.)

It is he who, in the nite time, a nigger with his feet washed is better than a Democrat! For one now I care not ef Cummins's "Last Warin Cry" be truly the last. I'm sorry that he rented his house for ninety-nine years, ez it hez a tendency to destroy my faith in his belief that the world is about peegin out. The sooner Gabriel blows his horn, the better I shal be sooted.

A Strange Transaction.—Sale of a Wife. Wives are variously estimated as re gards their value. Some are deemed "priceless jewels," others as "worth their weight in gold," most of them are held as "worth keeping," while only a few are abandoned as "good for nothing." It is seldom, however, that in this enlightened age, a man deliberately puts a merchant able price upon his wife, and makes her over to another by a regular bill of sale. Such a transaction actually occurred in Fulton county a few weeks since, as ap pears from the following "article of agree ment," which the Chambersburg Reposi tory gives as a true copy from the orig inal. Read, all ye discontented wives:

BELFAST TOWNSHIP, Feb. 14, '67. Article of agreement made and fully agreed upon this year and date above written, between Paul M. Dishong & wife and James Wilson, the conditions of this agreement are such: Paul M. Dishong doth agree to bind and obligate him self that he will not disturb his wife and family, nor Wilson (the chura pedler) and is willing that Mary Ann Dishong, his wife and children, go with James Wilson; and Paul W. Dishong is willing to give her what Property she claims in the house, and also agrees for them to get away on or before the first day of April, 1869, and also to get away the best way they can. Paul M. Dishong is to have his oldest Daughter in the spring of 1869, when calling for her, Mary Catherine and his wife doeth agree to let him have her, & the aforesaid Wilson is not to go far a way that but what Paul M. Dishong can cum and see them, and will be treated with respect. Paul M. Dishong is to have seventeen dollars in money for a foresaid Wife and Children, or the amount of a bill of accounts, or to have the Cow, and also to have his Bed & Plate, & Bucket, & Lamp. And if the aforesaid Wilson Can manage the Children without abusing them, he has privilege to come and get them at any time and is welcome to all of them. Paul M. Dishong doth agree that Mary Ann, his wife, can sell the Cow to Enny one she pleases, only not to make sale to Enny of the Hesses, in Presence of William Fehner.

PAUL M. DISHONG, MARY ANN DISHONG, JAMES WILSON, which is the Chura Pedler mentioned in the afore said Article of Agreement, and is now Proprietor of Mary Ann Dishong. Attested—WILLIAM FOHNER, Obediah Mellott.

Efface the Cigar Stamps. As many business men are subjecting themselves to a heavy penalty by their ignorant violation of the thirty-second section of the revenue law passed at the close of the Thirty ninth Congress, it is stated for the information of all concerned, that the section in question enacts— "That any person who shall sell, give away or otherwise dispose of any empty cigar box or boxes which have been stamped, without first defacing or destroy ing such stamp, shall, on conviction of either offense, be liable to a penalty of one hundred dollars, or to imprisonment not exceeding sixty days, or both, at the discretion of the court, with the costs of the trial; and it shall be lawful for any cigar inspector or revenue officer to destroy any empty cigar box upon which a cigar stamp shall be found.

ASTROLOGY.

The World Astonished AT THE WONDERFUL REVELATIONS MADE BY THE GREAT ASTROLOGIST, Madame H. A. PERRIGO.

She reveals secrets no mortal ever knew. She restores to happiness those who, from doleful events, catastrophes, crosses in love, loss of relation and friends, loss of money, &c., have become despondent. She brings together those long separated, gives information concerning absent friends of lovers, restores lost or stolen property, tells you the business you are best qualified to pursue and in what you will be most successful, causes speedy marriages and tells you the very day you will marry, gives you the name, likeness and characteristics of the person. She reads your very thoughts, and by her almost supernatural powers unveils the dark and hidden mysteries of the future. From the stars we see in the firmament—the malefic stars that overcome or predominate in the configuration—from the aspects and positions of the planets and the fixed stars in the heavens at the time of birth, she deduces the future destiny of man. Fail not to consult the greatest Astrologist on earth. It costs you but a trifle, and you may never again have so favorable an opportunity. Consultation fee, with likeness and all desired information \$1. Parties living at a distance can consult the Madame by mail with equal safety and satisfaction to themselves, as if in person. A full and explicit chart, written out, with all inquiries answered and likeness enclosed, sent by mail on receipt of price above mentioned. The strictest secrecy will be maintained, and all correspondence returned or destroyed. References of the highest order furnished those desired them. Write plainly the day of the month and year in which you were born, enclosing a small lock of hair. Address,

MADAME H. A. PERRIGO, P. O. DRAWER 293, BUFFALO, N. Y. Feb. 14, 1867.-1y.

A CARD TO THE LADIES. Dr. DUPONCO'S Golden Periodical Pills, FOR FEMALES.

Infalible in Correcting Irregularities, Removing Obstructions of the Meneses, from Whatever Cause, and ALWAYS SUCCESSFUL AS A PREVENTIVE.

It is now over thirty years since the above celebrated Pills were first discovered by Dr. DUPONCO of Paris, during which time they have been extensively and successfully used in most of the public institutions, as well as in private practice, of both hemispheres, with unparalleled success in every case, and it is only at the "urgent request" of the thousands of Ladies who have used them, that he is induced to make the Pills public for the alleviation of those suffering from any Irregularities whatever, as well as to prevent an increase of family where health will not permit it.

ONE PILL IS A DOSE. Females peculiarly situated, or those supposing themselves so, are cautioned against using these Pills while in that condition lest they "invite miscarriage," after which admission, the Proprietor assumes no responsibility, although their mildness would prevent any mischief to health, otherwise the Pills are recommended as a MOST INVALUABLE REMEDY for all those afflicting complaints so peculiar to the sex, viz.: Distressing and Painful Menstruation, Retention, Pain in the Back and Loins, Pressing-Down Pains, Rush of Blood to the Head, Dizziness, Dimness of Sight, Green Sickness, Heaviness, Fatigue on any Slight Exertion, Palpitation of the Heart, and all the various distressing complaints, particularly that most annoying weakening, and the beginning of all other female weaknesses.

The Leucorrhoea, or Whites. At the same time, there is nothing in these pills that can do injury to life or health.— Let the directions be strictly followed, and you will find them to be all they are represented.

ONE BOX IS SUFFICIENT. 50,000 Boxes have been Sold Within Two Years. Ten Thousand Boxes sent by Letter, both by myself and Agents, to all parts of the world, to which answers have been returned, in which ladies say, nothing like the above pills have been known since the SCIENCE OF MEDICINE DAWNED UPON THE WORLD, In Removing Obstructions and Restoring Nature to its Proper Channel, QUETING THE NERVES and bringing back the "Rosy color of Health" to the cheek of the most delicate.

PRICE \$1 PER BOX. SIX BOXES \$5. Sold in Stroudsburg, Pa., by DREHER & BROTHER, Sole Agent. Ladies by sending \$1.00 to DREHER & BROTHER, Stroudsburg Post-Office can have the pills sent (confidentially), by Mail, to any part of the country, "free of postage." Nov. 22, 1866.-1y.

J. LANTZ, DENTIST. Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant, as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance it is frequently put off until it is too late to save the tooth or teeth as it may be, other wise the inconvenience and trouble of going so far. Hence the necessity of obtaining the services of a dentist near home. All work warranted. Stroudsburg, March 27, 1862.

MCCARTY is the only Furniture dealer in Stroudsburg who has a License to sell FURNITURE. [August 2, 1866.
