### THE AMERICAN COOKING STOVE.

Another Great Improvement.  
SIFTING ASHES MADE EASY.  
Every housekeeper knows that the process of sifting Coal Ashes is attended with much inconvenience and annoyance from dust, &c., and unless the ashes are sifted much coal will be wasted that can be used after sifting. In the American Cooking Stove this disagreeable process is entirely overcome by the ingenious arrangement of an ash sifter, in the hearth or ash box, of the stove, by means of which after the grate is dumped into the ash box the ashes can be sifted in a moment, with the ash box all closed, and without any dust in the room, and the coal and cinders are all retained in a separate apartment, and can be returned to the fire chamber, or be removed elsewhere, and the ash pan can then be removed containing the ashes without any dust whatever. This arrangement does away with the old fashioned ash sifters, and most commend itself to all, and is another long stride towards perfection, and must add largely to the already extended reputation of this deservedly popular stove. This improvement is fully secured by letters patent. SHEAR, PACKARD & CO., 17 and 19 Green St., Albany.

### Rheumatism Shorn of its Terrors.

#### THE LAME MADE TO WALK!

THE undersigned announces to those afflicted with Rheumatism, no matter of how long standing, that he has discovered a sovereign cure for that painful complaint, no matter in what form it attacks the patient. His remedy consists of a combination of herbs, which, prepared and used according to direction, will be sure to drive the disease out of the system, and affect a speedy and permanent cure. It has been tried by a number of persons in this section of country with invariable success, as certificates in his possession will show. Afflicted, you have now a means of relief on which you may safely rely. Try it and be convinced that hopelessness is no longer a word rightfully to be used in connection with Rheumatic complaints.

I will furnish the herbs, with full directions for the preparation and application of the remedy, or I will call on the afflicted at their homes and apply it for them as they may desire. For particulars apply, in person or by letter, to

**JACOB H. BUTTS, Stroudsburg, Pa.**

### Read the following Certificate.

**STROUDSBURG, Pa. } March 19, 1866. }**

I, JOHN NIXON, do certify, that, about the 1st of September, 1864, I was attacked with Rheumatism, and was confined to the house, and most of the time to my bed, for seven months, suffering great pain all the while. During the time I decried with three Doctors without receiving any relief. I had suffered all that it was possible for mortal to suffer, and had about made up my mind that my case was hopeless, when Mr. JACOB H. BUTTS called to see me and offered me a cure of his own discovering. I tried his remedy with the following result:—I commenced using it on a Thursday evening, repeated the trial on Friday, and, to my great joy and relief, was able, on Saturday, to walk half a mile and back. Since then I have enjoyed good health.

**JOHN NIXON.** March 21, 1867.

### DR. W. H. WITMORE,

HAS BEEN IN SUCCESSFUL PRACTICE for a number of years, with the experience of the different hospitals in Europe; also, a member of the Analytical Medical Institute of New York, continues to attend to all professional cases at his office, No. 928 Filbert Street, Philadelphia.

**NO PATENT MEDICINES** are used or recommended; the remedies administered are those which will not break down the constitution, but renovate the system from all it has sustained from mineral medicines, and leave the system in a healthy and perfectly cared condition.

### DYSPEPSIA,

That distressing disease and fell destroyer of health and happiness, undermining the constitution and yearly carrying thousands to untimely graves, can most emphatically be cured.

### Reparator Capilli.

Throw away your false frizzes, your switches, your wig—Destructive of comfort, and not worth a fig! Come aged, come youthful, come ugly and fat. And rejoice in your own luxuriant hair.

#### REPARATOR CAPILLI.

For restoring hair upon bald heads (from whatever cause it may have fallen out) and forcing a growth of hair upon the face, it has no equal. It will force the hair to grow upon the smoothest face in from five to eight weeks, or hair upon bald heads in from two to three months. A few ignorant practitioners have asserted that there is nothing that will force or hasten the growth of the hair or beard. Their assertions are false, as thousands of living witnesses (from their own experience) can bear witness. But many will say, how are you to distinguish the genuine from the spurious! It certainly is difficult, as nine-tenths of the different Preparations advertised for the hair and beard are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say, try the Repurator Capilli; it will cost you nothing unless it fully comes up to our representations. If you Druggist does not keep it, send us one dollar and we will forward it, postpaid, together with a receipt for the money, which will be returned you on application, providing entire satisfaction is not given.
