THE AMERICAN COOKING STOVE.

Another Great Improvement. SIFTING ASHES MADE EASY. Every housekeeper knows that the process of sifting Coal Ashes is attended with much inconvenience and annoyance from dust, &c., and unless the ashes are sifted much coal will be wasted that can be used after sifting. In the American Cooking Stove this disagreeable process is entirely overcome by the ingenious arrangement of an ash sifter, in the hearth or ash box, of the stove, by means of which after the grate is dumped into the ash box the ashes can be sifted in a moment, with the ash box all closed, and without any dust in the room, and the coal and cinders are all retained in a separate apartment, and can be returned to the fire chamber, or be removed elsewhere, and the ash pan can then be removed containing the ashes without any dust whatever. This arrangement does away with the old fashioned ash sifters, and must commend itself to all, and is another long stride towards perfection, and must add largely to the already extended reputation of this deservedly popular stove. This improvement is fully secured by letters patent. SHEAR, PACKARD & CO., 17 and 19 Green St., Albany. For sale by FLORY & BROTHER, March 21.—3m.] Stroudsburg, Pa.

WONT USE ANY OTHER. WEBSTER'S Vegetable Hair Invigorator is not made from some picked up recipe, nor do we claim to import roots and herbs from some un-inhabited country; but we do claim (and we have the testimony of thousands who are using it) that it will restore Gray Hair to its natural color in our weeks, and is the best Hair Dressing in the market. J. WEBSTER & CO., Proprietors, NASHUA, N. H. Wm. Hollishead, Agent, Stroudsburg, Pa. [Oct. 25, 1866.—1yr.]

Rheumatism Shorn of its Terrors! THE LAME MADE TO WALK! THE undersigned announces to those afflicted with Rheumatism, no matter of how long standing, that he has discovered a sovereign cure for that painful complaint, no matter in what form it attacks the patient. His remedy consists of a combination of herbs, which, prepared and used according to direction, will be sure to drive the disease out of the system, and affect a speedy and permanent cure. It has been tried by a number of persons in this section of country with invariable success, as certificates in his possession will show. Afflicted, you have now a means of relief on which you may safely rely. Try it and be convinced that hopelessness is no longer a word rightfully to be used in connection with Rheumatic complaints.

I will furnish the herbs, with full directions for the preparation and application of the remedy, or I will call on the afflicted at their homes and apply it for them as they may desire. For particulars apply, in person or by letter, to JACOB H. BUTTS, Stroudsburg, Pa.

Read the following Certificate. Stroudsburg, Pa., March 19, 1866. I, JOHN NIXON, do certify, that, about the 1st of September, 1864, I was attacked with Rheumatism, and was confined to the house, and most of the time to my bed, for seven months, suffering great pain all the while. During the time I doctored with three Doctors without receiving any relief. I had suffered all that it was possible for mortal to suffer, and had about made up my mind that my case was hopeless, when Mr. Jacob H. Butts called to see me and offered me a cure of his own discovering. I tried his remedy with the following result.—I commenced using it on a Thursday evening, repeated the trial on Friday, and, to my great joy, and relief, was able, on Saturday, to walk half a mile and back. Since then I have enjoyed good health. JOHN NIXON. March 21, 1867.

Dr. W. H. WITMORE, HAS BEEN IN SUCCESSFUL practice for a number of years, with the experience of the different hospitals in Europe; also, a member of the Analytic Medical Institute of New York, continues to attend to all professional cases at his office, No. 925, Filbert Street, Philadelphia.

Radically removed; Salt Rheum and every description of ulceration; Piles and Scrofulous diseases which have baffled all previous medical skill, can be cured by my treatment; and I do say all diseases of the system can be cured by wearing my Medical Jacket, which is a protection to the lungs against changes of weather in all climates, having investigated for years the cause and character of intermittents (fever and ague) in all parts of the United States—will cure permanently all chronic or acute cases of Ague and malarial diseases in a few days.

CANCER CURED WITHOUT THE KNIFE OR DRAWING BLOOD. Tape Worms, that dread to the Human Family for years, can be removed with two or three doses of my newly discovered remedy, warranted in all cases.
