THE HISTORY OF THE SECRET SERVICE DURING THE REBELLION. By L. C. Baker, late Provost Marshal and Chief Detective of the War Department .--Jones Brothers & Co., Philadelphia, Pa., Cincinnati, Ohio, and Davenport, lowa.

This is the most interesting and valuable contribution that has yet been made to the eventful history of the late war .-It was not generally supposed that the public would ever be favored with able Dry Goods, &c., from the cities last knowledge of the operations of the Secret Bureau of the War Department. But here we have a full and authentic history

Do not neglect that Cough to of its rise, progress, means of information, methods of work, by the Chief of the Bustrange and startling revelations - each dozen romances. The experience of General Baker throw in the shade all the relations made by the chiefs of the secret police of the European Governments .-This narration will probably startle a great many staid people from their propriety, for he places numerous high of ficials in curious predicaments. Ilis bold 1866, to April 1, 1867, and fearless course will doubtless gain

We would call the attention of him friends among the people, who hithcaptalists and others, to the advertisement erto knew him only as the implacable headed "A valuable slate property for agent of a secret, swift, stern, and resale." The property possesses all the ad merseless power. Now he quietly shows vantages claimed for it by the advertisers; the public all the springs and intricate and either for speculative or business machinery of the great power which he purpose, its purchase would prove a directed for five years. The work is complete in 700 octavo pages, excellently printed on fine white paper, and embel-

lished with seventeen engravings. Sold skunks, 5 coons and 10 crows.

### A Substitute for Cotton.
