**A VALUABLE SLATE PROPERTY FOR SALE.**

WILL BE SOLD AT PUBLIC SALE, on Wednesday, the 12th day of June, 1867, at the Public House of Samuel I. Berger, Lehigh Gap Depot, Lehigh County, Penn., at (1) one o'clock, P. M., the following described Property:— A tract of Land containing about 21 ACRES, on which is one of the most valuable SLATE QUARRIES now in operation. The material is particularly adapted for School Slates, Mantles and Billiard Tables, and is the most extensive deposit of that class of Slate that has yet been developed in this country. The improvements thereon are: First, A SCHOOL SLATE FACTORY, 60x30, with all the necessary Out-Buildings and Machinery for manufacturing, now in operation and in good order, which is run by a never-failing water-power, and capable of producing 3,000 cases of Slates annually. Second, A Frame Dwelling and Store House, 24x46, with Kitchen and Ware-room attached. The Store sales amount to \$10,000 annually. Adjoining the Factory is a first-class site for a Tannery, with sufficient water-power to do a large business. The above described property is situated near Kresgeville, Monroe County, Penn., and is ten miles from Rail Road. This subject the Slate manufactured here to 15 cents per case cartage, in excess of the cartage paid by the manufacturers on the Lehigh. The advantages of this Property are: 1st. The body of Slate is inexhaustible. 2d. Slate can be Quarried here and split at the Factory door for one-half the price paid for Slate on the Lehigh. 3d. The lumber used for frames and for boxing the Slates, costs 33 1/2 per cent. less than other manufacturers have to pay. This arises from the proximity of the works to the Lumber Country. This is a rare chance for Capitalists and active business men to purchase a valuable property. One-fifth of said property was sold in 1863 for \$12,000, before the improvements were erected. Persons desirous of purchasing, are solicited to visit the Works before the day of Sale, and examine for themselves. Every courtesy will be extended and information given by L. E. WILLS, the present Superintendent. Terms and conditions made known on the day of Sale by H. W. HARPER, L. E. WILLS, ALLEN CRAIG, Administrator of Thos. Craig, Deceased. May 23, 1867-31.

**THE AMERICAN COOKING STOVE.**

Another Great Improvement. SIFTING ASHES MADE EASY. Every housekeeper knows that the process of sifting Coal Ashes is attended with much inconvenience and annoyance from dust, &c., and unless the ashes are sifted much coal will be wasted that can be used after sifting. In the American Cooking Stove this disagreeable process is entirely overcome by the ingenious arrangement of an ash sifter, in the hearth or ash box, of the stove, by means of which after the grate is dumped into the ash box the ashes can be sifted in a moment, with the ash box all closed, and without any dust in the room, and the coal and cinders are all retained in a separate apartment, and can be returned to the fire chamber, or be removed elsewhere, and the ash pan can then be removed containing the ashes without any dust whatever. This arrangement does away with the old fashioned ash sifters, and must commend itself to all, and is another long stride towards perfection, and must add largely to the already extended reputation of this deservedly popular stove. This improvement is fully secured by letters patent. SHEAR, PACKARD & CO., 17 and 19 Green St., Albany. For sale by FLORY & BROTHER, Stroudsburg, Pa. March 21-3m.]

NOTICE is hereby given, that an Appeal will be held at the Commissioners' Office, at Stroudsburg, on SATURDAY, the 22nd day of JUNE, 1867, at 9 o'clock, a. m., where all persons who feel themselves aggrieved by the foregoing Appraisement can attend. PETER GRUVER, Appraiser. May 30, 1867.]
