

Reparator Capilli.
Throw away your false frizzes, your switches, your wig—
Destructive of comfort, and not worth a fig: Come aged, come youthful, come ugly and fair, And rejoice in your own luxuriant hair.
REPARATOR CAPILLI.
For restoring hair upon bald heads (from whatever cause it may have fallen out) and forcing a growth of hair upon the face, it has no equal. It will force the hair to grow upon the smoothest face in from five to eight weeks, or hair upon bald heads in from two to three months. A few ignorant practitioners have asserted that there is nothing that will force or hasten the growth of the hair or beard. Their assertions are false, as thousands of living witnesses (from their own experience) can bear witness. But many will say, how are we to distinguish the genuine from the spurious? It certainly is difficult, as nine-tenths of the different Preparations advertised for the hair and beard are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say, try the Reparator Capilli; it will cost you nothing unless it fully comes up to our representations. If your Druggist does not keep it, send us one dollar and we will forward it, postpaid, together with a receipt for the money, which will be returned you on application, providing entire satisfaction is not given. Address,
W. L. CLARK & CO., Chemists, No. 3 West Fayette Street, Syracuse, N. Y. Feb. 13, 1867.—ly.

ASTROLOGY.
The World Astonished AT THE WONDERFUL REVELATIONS MADE BY THE GREAT ASTROLOGIST, Madame H. A. PERRIGO.
She reveals secrets no mortal ever knew. She restores to happiness those who, from doleful events, catastrophes, crosses in love, loss of relation and friends, loss of money, &c., have become despondent. She brings together those long separated, gives information concerning absent friends of lovers, restores lost or stolen property, tells you the business you are best qualified to pursue and in what you will be most successful, causes speedy marriages and tells you the very day you will marry, gives you the name, likeness and characteristics of the person. She reads your very thoughts, and by her almost supernatural powers unveils the dark and hidden mysteries of the future. From the stars we see in the firmament—the malefic stars that overcome or predominate in the configuration—from the aspects and positions of the planets and the fixed stars in the heavens at the time of birth, she deduces the future destiny of man. Fail not to consult the greatest Astrologist on earth. It costs you but a trifle, and you may never again have so favorable an opportunity. Consultation fee, with likeness and all desired information \$1.
Parties living at a distance can consult the Madame by mail with equal safety and satisfaction to themselves, as if in person. A full and explicit chart, written out, with all inquiries answered and likeness enclosed, sent by mail on receipt of price above mentioned. The strictest secrecy will be maintained, and all correspondence returned or destroyed. References of the highest order furnished those desired them. Write plainly the day of the month and year in which you were born, enclosing a small lock of hair. Address,

A CARD TO THE LADIES.
Dr. DUPONCO'S Golden Periodical Pills, FOR FEMALES.
Infallible in Correcting Irregularities, Removing Obstructions of the Menstrues, from Whatever Cause, and ALWAYS SUCCESSFUL AS A PREVENTIVE.
It is now over thirty years since the above celebrated Pills were first discovered by Dr. DUPONCO of Paris, during which time they have been extensively and successfully used in most of the public institutions, as well as in private practice, of both hemispheres, with unparalleled success in every case, and it is only at the "urgent request" of the thousands of Ladies who have used them, that he is induced to make the Pills public for the alleviation of those suffering from any irregularities whatever, as well as to prevent an increase of family where health will not permit it.
ONE PILL IS A DOSE.
Females peculiarly situated, or those supposing themselves so, are cautioned against using these Pills while in that condition lest they "invite miscarriage," after which admission, the Proprietor assumes no responsibility, although their mildness would prevent any mischief to health, otherwise the Pills are recommended as a
MOST INVALUABLE REMEDY for all those afflicting complaints so peculiar to the sex, viz.: *Distressing and Painful Menstruation, Retention, Pain in the Back and Loins, Pressing-Down Pains, Rush of Blood to the Head, Dizziness, Dimness of Sight, Green Sickness, Heaviness, Fatigue on any Slight Exertion, Palpitation of the Heart,* and all the various distressing complaints, particularly that most annoying weakening, and the beginning of all other female weaknesses.
The Leucorrhoea, or Whites.
At the same time, there is nothing in these pills that can do injury to life or health.—Let the directions be strictly followed, and you will find them to be all they are represented.
ONE BOX IS SUFFICIENT. 50,000 Boxes have been Sold Within Two Years.
Ten Thousand Boxes sent by Letter, both by myself and Agents, to all parts of the world, to which answers have been returned, in which ladies say, nothing like the above pills have been known since the SCIENCE OF MEDICINE DAWSED FROM THE WORLD, In Removing Obstructions and Restoring Nature to its Proper Channel, QUIETING THE NERVES and bringing back the "Rosy color of Health" to the cheek of the most delicate.
Price \$1 per Box. Six Boxes \$5. Sold in Stroudsburg, Pa., by DREHER & BROTHER, Sole Agent.
Ladies by sending \$1.00 to DREHER & BROTHER, Stroudsburg Post-Office can have the pills sent (confidentially), by Mail, to any part of the country, "free of postage" Nov. 22, 1866.—ly.

J. LANTZ, DENTIST.
Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far. Hence the necessity of obtaining the services of a dentist near home. All work warranted.
