THE GREATEST PAIN-RELIEVER IN THE WORLD.

Certificates enough to fill a dozen newspapers have been received by Dr. Tobias. His medicine, the Venetian Lintment, will do all that is stated, and more. No one will regret trying it. Those residing at a distance from a physician, will find it a reliable medicine to have on hand in case of accidents. Ask for Dr. Tobias' Venetian Lintment, and take care. Price 50 cents and 1/2. IN THE CORAL CAVES

sea-green is said to be the prevailing hair color, and the FISH-TAILED MAIDENS sit on the rocks and comb their green locks assiduously. But the BELLES OF EARTH prefer glossy browns and shining blacks to any other tinges, and if nature has not given their fair heads these beautiful hues, or if chance has robbed them of their once exquisite beauty, they don't cry about it, but resort at once to CRISTADORO'S HAIR DYE, which in five minutes does all that nature ever did for any head in her happiest mood. Manufactured by J. CRISTADORO, 68 Maiden Lane, New York. Sold by all Druggists. Applied by all Hair Dressers. July 18, 1867.-1m.

Dr. SCHEENCK'S PULMONIC SYRUP. This great medicine cured Dr. J. H. SCHEENCK, the Proprietor, of Pulmonary Consumption, when it had assumed its most formidable aspect, and when speedy death appeared to be inevitable. His physicians pronounced his case incurable, when he commenced the use of this simple but powerful remedy. His health was restored in a very short time, and no return of the disease has been apprehended for all the symptoms quickly disappeared, and his present weight is more than two hundred pounds.

Since his recovery, he has devoted his attention exclusively to the cure of Consumption, and the diseases which are usually complicated with it, and the cures effected by his medicines have been very numerous and truly wonderful. Dr. SCHEENCK makes professional visits to several of the larger cities weekly, where he has a large concourse of patients, and it is truly astonishing to see poor consumptives that have to be lifted out of their carriages, and in a few months healthy, robust persons. Dr. SCHEENCK'S PULMONIC SYRUP, SEAWEEED TONIC, and MANDRAKE PILLS are generally all required in curing Consumption. Full directions accompany each, so that any one can take them without seeing Dr. SCHEENCK, but when it is convenient it is best to see him. He gives advice free, but for a thorough examination with his Respirometer his fee is three dollars.

Please observe, when purchasing, that the two likenesses of the Doctor—one when in the last stage of Consumption, and the other as he now is, in perfect health—are on the Government stamp.

Sold by all Druggists and Dealers. Price \$1.50 per bottle, or \$7.50 the half dozen.—Letters of advice should always be directed to Dr. Scheenck's Principal Office, No. 15 North 6th Street, Philadelphia, Pa.

HELMBOLD'S EXTRACT BUCHU and IMPROVED ROSE WASH cure secret and delicate disorders in all their stages, at little expense, little or no change in diet, no inconvenience and no exposure. It is pleasant in taste and odor, immediate in its action, and free from all injurious properties. Feb. 28, 1867.

There is no disease which experience has so amply proved to be remediable by the PERUVIAN SYRUP. (A protected solution of the Protoxide of Iron), as Dyspepsia. The most inveterate forms of this disease have been completely cured by this medicine, as ample testimony of some of our citizens proves.

FROM THE VENERABLE ARCHDEACON SCOTT, DD. Dunham, Canada East. "I am an inevitable Dyspeptic of more than 25 years standing."

"I have been so wonderfully benefited in the three short weeks during which I have used the Peruvian Syrup, that I can scarcely persuade myself of the reality. People who have known me are astonished at the change. I am widely known, and can but recommend to others that which has done so much for me."

ANOTHER CLERGYMAN WRITES AS FOLLOWS: "My voyage to Europe is indefinitely postponed. I have discovered the 'Fountain of Health' on this side of the Atlantic. Three bottles of Peruvian Syrup have restored me from the fangs of the fiend Dyspepsia."

A pamphlet of 32 pages, containing a history of this remarkable remedy, with a treatise on "Iron as a medicine," will be sent free to any address. The genuine has "Peruvian Syrup" blown in the glass. J. P. DINSMORE, Proprietor. Sold by all Druggists. 26 Dey Street, New York.

SCROFULA—CONSUMPTION. Dr. LUGOL, of Paris, one of the most eminent Chemists of Europe, said: "The most astounding results may be anticipated when Iodine can be dissolved in pure water." Dr. H. Anders, after fifteen years of scientific research and experiment, has succeeded in dissolving out of water, and the most astonishing results have followed its use, particularly in Scrofula and kindred diseases. Circulars free.

Dr. H. Anders' Iodine Water is for sale by J. P. DINSMORE, 26 Dey Street, New York, and all Druggists. [June 29, 1867.-1m.]

GEORGE L. WALKER, REAL ESTATE AGENT! A large number of Farms wanted.— Residence at John Kern's, Main street, Stroudsburg, Pa. [June 27, 1867.]

THE peculiar taint of infection which we call SCROFULA lurks in the constitutions of multitudes of men. It either produces or is produced by an enfeebled, vitiated condition of the blood, wherein that fluid becomes incompetent to sustain the vital forces in their vigorous action, and leaves the system to fall into disorder and decay.

The scrofulous contamination is variously caused by anorexia, disease, low living, disordered digestion from unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Ilm who says, "I will visit the iniquities of the fathers upon their children." The disease it originates take various names, according to the organs it attacks. In the lungs, Scrofula produces tubercles, and finally Consumption; in the glands, swellings which suppurate and become ulcerous sores; in the stomach and bowels, derangements which produce indigestion, dyspepsia, and liver complaints; on the skin, eruptive and cutaneous affections. These, all having the same origin, require the same remedy, viz., purification and invigoration of the blood. Purify the blood, and these dangerous distempers leave you. With feeble, foul, or corrupted blood, you cannot have health; with that "life of the body" healthy, you cannot have scrofulous disease.

Ayer's Sarsaparilla is compounded from the most effective antidotes that medical science has discovered for this afflicting distemper, and for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does combine virtues truly extraordinary in their effect upon this class of complaints, is indisputably proven by the great multitude of publicly known and remarkable cures it has made of the following diseases: King's Evil, or Glandular Swellings, Tumors, Eruptions, Pimples, Blotches and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tuberculous deposits in the lungs, White Swellings, Debility, Dropsy, Nephritis, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Mercurial Diseases, Female Weaknesses, and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in AYER'S AMERICAN ALMANAC, which is furnished to the druggists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief. Those cases are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak to him of its benefits from personal experience. Scrofula depresses the vital energies, and thus leaves its victims far more subject to disease and its fatal results than all other healthy constitutions. Hence it tends to shorten, and does greatly shorten, the average duration of human life. The vast importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of AYER'S SARSAPARILLA, although it is composed of ingredients, some of which exceed the best of Sarsaparilla in alterative power. By its aid you may protect yourself from the suffering and danger of these disorders. Purge out the foul corruptions that rot and fester in the blood, purge out the causes of disease, and vigorous health will follow. By its peculiar virtues this remedy stimulates the vital functions, and thus expels the distempers which lurk within the system or burst out on any part of it.

We know the public have been deceived by many compounds of Sarsaparilla, that promised much and did nothing; but they will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been available to them.

AYER'S CHERRY PECTORAL. The World's Great Remedy for Coughs, Colds, Incipient Consumption, and for the relief of Consumptive patients in advanced stages of the disease.

This has been so long used and so universally known, that we need do no more than assure the public that its quality is kept up to the best it ever has been, and that it may be relied on to do all it has ever done. Prepared by Dr. J. C. AYER & Co., Lowell, Mass. Sold by all druggists every where.

MAKE WAY! GOOD NEWS FOR ALL IN SHAPE OF New Goods at Stormsville.

THE subscriber takes pleasure in informing the public, that he has just opened the largest and best selected stock of Goods, at his old stand in Stormsville, Pa., ever brought into Monroe county, and that he has determined to dispose of them at prices, much cheaper than they can be bought at any other establishment, whether in town or country. His stock comprises, in almost endless variety, and of the best quality. DRY GOODS, NOTIONS, HARDWARE, QUEENSWARE, GROCERIES, DRUGS, MEDICINES, &c., &c. He has, also, on hand a very large assortment of new and fashionable Boots and Shoes, both city and home-made, all of which he will dispose of at prices which will make purchasers wonder. Look at a few of the prices at which I am really giving away goods, and you cannot fail to be convinced that my store, in Stormsville, is the place at which to secure real bargains: PRINTS from 10 to 22 cents per yard, MUSLINS from 15 to 25 " yard, DE LANES from 25 to 35 " yard, and all Woolen goods at figures proportionately low. Boots and Shoes very low—home-made at least 50 per cent. below Stroudsburg prices. STIGARS from 10 to 17 cents per pound, MOLASSES from 50 cts. to \$1 per gal. In short, all articles in my line far below the monopoly prices which have heretofore prevailed. The excitement growing out of these great reductions has already begun, but come all, my stock will always be found full up to the demand. BUTTER, EGGS, and country produce generally will not be refused in exchange for goods, and the highest market prices allowed. CASPER METZGAR, Stormsville, Pa., Nov. 22, 1866.-1f.
