

DIED.

At his residence, in this borough, on Monday last, Mr. FERDINAND DUTOT, Esq., in the 70th year of his age.

In Middle Smithfield, on the 3d inst., at the late residence of the Hon. M. W. Cough, PRINCE (colored), aged about 101 years.

At his residence, in Hamilton township, on Monday morning last, Mr. BALTZER FETTERMAN, in the 82nd year of his age.

Mr. Fetterman was a native of Lehigh County, and settled on the farm on which he died, some sixty-one years ago, when the country was comparatively a howling wilderness.

At Stroudsburg, on the 31st ult., ANNE, wife of Andrew J. Sies, of Philadelphia, and eldest daughter of Augustus and Mary A. Carmer, of the same place, aged 23 years, 2 months and 27 days.

"Oh! no, she is not lost, the loved and cherished. Tho' slumbering deep beneath the churchyard sod."

"She is not lost; in youth's bright, sunny morning She gave her heart with all its hopes to God."

"She is not lost: her lamp was trimmed, and burning When rang the midnight cry — Behold He's here!"

"And bright as dawn of the eternal morning It shone in death's lone vale serene and clear."

"She is not lost; for with a love undying She gently hovers o'er the friends left here, And towards the pearl gate is ever striving To draw the wandering feet of those so dear."

"Oh! no, she is not lost, the loved and cherished: She lives in heaven, to fade and die no more, And when this tempest of clay has perished, My soul will greet her on the eternal shore." (Milled paper please copy.)

PROOFS OF THE SUPERIOR QUALITY OF THE AMERICAN WATCH

MADE AT WALTHAM, MASS. The American Watch Company, of Waltham, Mass., respectfully submit that their Watches are cheaper, more accurate, less complex, more durable, better adapted for general use, and more easily kept in order and repaired than other watches in the market.

They are stronger, and less likely to be injured than the majority of foreign watches, which are composed of from 125 to 300 pieces, while in an old English watch there are more than 700 parts. How they run under the hardest trial watches can have, is shown by the following letter:

PENN. RAILROAD COMPANY, OFFICE OF THE GENERAL SUPERINTENDENT, ALTOONA, PA., 15 Dec., 1866. Gentlemen: The watches manufactured by you have been in use on this railroad for several years by our engineers, to whom we furnish watches as part of our equipment.

There are now some three hundred of them carried on our line, and we consider them good and reliable time-keepers. Indeed, I give great satisfaction in saying your watches give us less trouble, and have worn and do wear much longer without repairs than any watches we have ever had in use on this road.

As you are aware, we formerly trusted those of English manufacture, of acknowledged good reputation; but as a class they never kept time as correctly, nor have they done so good service, as yours.

In these statements I am sustained by my predecessor, Mr. Lewis, whose experience extended over a series of years.

Respectfully, EDWARD H. WILLIAMS, General Superintendent, American Watch Co., Waltham.

We now make five different grades of watches, named respectively as follows: Appleton, Tracy & Co., Waltham, Mass. Waltham Watch Company, Waltham, Mass. P. S. Bortlett, Waltham, Mass. Wm. Ellery, Boston, Mass. Home Watch Company, Boston, Mass.

All of these, with the exception of the Home Watch Company, are warranted by the American Watch Company to be of the best material, on the most approved principle, and to possess every requisite for a reliable time-keeper. Every dealer selling these Watches is provided with the Company's printed card of guarantee, which should accompany each Watch sold, so that buyers may feel sure that they are purchasing the genuine article.

There are numerous counterfeits and imitations of our Watches sold throughout the country, and we would caution purchasers to be on their guard against imposition. Any grades of Waltham Watches may be purchased of Watch Dealers throughout the country.

THE UNION PACIFIC RAIL ROAD CO.

THEIR FIRST MORTGAGE BONDS As an Investment.

The rapid progress of the Union Pacific Railroad, now building west from Omaha, Nebraska, and forming, with its western connections, an unbroken line across the continent, attracts attention to the value of the First Mortgage Bonds which the Company now offer to the public.

The first question asked by prudent investors is, "Are these bonds secure?" Next, "Are they a profitable investment?" To reply in brief:—

1st. The early completion of the whole great line to the Pacific is as certain as any future business event can be. The Government grant of over twenty million acres of land and fifty million dollars in its own bonds practically guarantees it. One-fourth of the work is already done, and the tract continues to be laid at the rate of two miles a day.

2nd. The Union Pacific Railroad bonds are issued upon what promises to be one of the most profitable lines of railroad in the country. For many years it must be the only line connecting the Atlantic and Pacific; and being without competition, it can maintain remunerative rates.

3d. 425 miles of this road are finished, and fully equipped with depots, locomotives, cars, &c., and two trains are daily running each way. The materials for the remaining 92 miles to the eastern base of the Rocky Mountains are on hand, and it is under contract to be done in September.

4th. The net earnings of the sections already finished are several times greater than the gold interest upon the First Mortgage Bonds upon such sections, and if not another mile of the road were built, the profit already completed would not only pay interest and expenses, but be profitable to the Company.

5th. The Union Pacific Railroad bonds can be issued only as the road progresses, and therefore can never be in the market unless they represent a bona fide property.

6th. Their amount is strictly limited by law to a sum equal to what is granted by the U. S. Government, and for which it takes a second lien as its security. This amount upon the first 517 miles west from Omaha is only \$16,000 per mile.

7th. The fact that the U. S. Government considers a second lien upon the road a good investment, and that some of the shrewdest railroad builders of the country have already paid in five million dollars upon the stock (which is to them a third lien), may well inspire confidence in a first lien.

8th. Although it is not claimed that there can be any better securities than Government bonds, there are parties who consider a first mortgage upon such a property as this the very best security in the world, and who sell their Governments to re-invest in these bonds — thus securing a greater interest.

9th. As the Union Pacific Railroad bonds are offered for the present at 90 cents on the dollar and accrued interest, they are the cheapest security in the market, being more than 15 per cent. less than U. S. Stocks.

10th. At the current rate of premium on gold, they pay OVER NINE PER CENT. INTEREST.

The daily subscriptions are already large, and they will continue to be received in New York by the Continental National Bank, No. 7 Nassau St.,

Clark, Dodge & Co., Bankers, No. 51 Wall St.,

John J. Cisco & Son, Bankers, No. 33 Wall St.,

and by BANKS and BANKERS generally throughout the United States, of whom maps and descriptive pamphlets may be obtained. They will also be sent by mail from the Company's Office, No. 20 Nassau Street, New York, on application. Subscribers will select their own Agents in whom they have confidence, who alone will be responsible to them for the safe delivery of the bonds.

JOHN J. CISCO, Treasurer, NEW YORK, June 13.—3m.

Ayer's Sarsaparilla, THE WORLD'S GREAT REMEDY FOR Scrofula and Scrofulous Diseases.

"I have used large quantities of your Sarsaparilla, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."

"My daughter has suffered for your last with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your Sarsaparilla, which soon cured her."

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction, and I had almost given up all hope of relief whatever, until I took your Sarsaparilla. It immediately made my face as smooth as when it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your Sarsaparilla."

"From Dr. Robt. Smith, Houston St., New York. 'DR. AYER'S Sarsaparilla for the perserving use of your Sarsaparilla, and I have just now cured an attack of Malignant Syphilis with it. No alternative was given to me, as the Sarsaparilla you have supplied to be done in September.'"

"I have used your Sarsaparilla in my family, for general debility, and for purging the blood, with very beneficial results, and feel confident in commending it to the afflicted."

St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes, From Harvey Steble, Esq., the able editor of the Pottsville Democrat, Pennsylvania. "Our only child, about the age of 12, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his forehead, and blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days he lay on his hands, lost with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else, we had any hope from you, we began giving your Sarsaparilla, and applying the juice of potash iodide, as you direct. The sore began to heal, and he was cured the first bottle, and was well when we had finished the second. The child's eyes, which had come out, grew again, and he is now as healthy as any other child. The whole neighborhood predicted that the child must die."

"I have used your Sarsaparilla in my family, for general debility, and for purging the blood, with very beneficial results, and feel confident in commending it to the afflicted."

From Hon. Henry Moore, M. P. of Newcastle, 'C. B., a leading member of the Canadian Parliament. 'I have used your Sarsaparilla in my family, for general debility, and for purging the blood, with very beneficial results, and feel confident in commending it to the afflicted.'"

From Dr. Hiram Shaw, of St. Louis, Missouri. 'I find your Sarsaparilla cures a great remedy for the secondary symptoms of Syphilis and for syphilitic diseases than any other I possess. The profession are indebted to you for some of the best medicines we have.'"

"I have used your Sarsaparilla as an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts. 'I DR. AYER. My dear Sir: I have found your Sarsaparilla an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not mean to say that I employ with more certainty of success, where a powerful alternative is required.'"

"My daughter and myself have been cured of a very debilitating Leucorrhoea of long standing, by two bottles of your Sarsaparilla."

Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia, when caused by Scrofula in the system, are rapidly cured by this EXT. SARSAPARILLA.

Leucorrhoea, Whites, Femal Weakness, are generally produced by internal Scrofulous Taint, and are very often cured by the purgative effect of this SARSAPARILLA. Some cases require, however, in aid of the SARSAPARILLA, the skilful application of local remedies."

"I have found your Sarsaparilla an excellent alternative in diseases of females, many cases of Irregularity, Leucorrhoea, Internal Emission, and local debility, arising from the scrofulous diathesis, have yielded to it, and where it has not done so, when its effect is properly aided by local treatment."

"A lady, unwilling to allow the publication of her name, writes, 'My daughter and myself have been cured of a very debilitating Leucorrhoea of long standing, by two bottles of your Sarsaparilla.'"
