A. L. ETNIER. Sept. 19, 1867.-1yr.

The peculiar taint or infection which we call SCHOFTLA lurks in the constitutions of multitudes of men. It either produces or is produced by an enfeebled, vitiated state of the blood, wherein "that fluid becomes in-AVERSI competent fo sustain is succed the vital forces in their vigorous action, and fall into disorder and

decay. The scrofulous contamination is variously caused by mercurial disease, low living, disordered digestion from unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever Le its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children." The diseases it originates take various names, according to the organs it attacks. In the lungs, Scrofula produces tubercles, and finally Consumption; in the bowels, derangements which produce indigestion, dyspepsia, and liver complaints; on the skin, cruptive and cutaneous affections. These, all having the same origin, require the same remedy, viz., purification and invigoration of the blood. Purify the blood, and these dangerous distempers leave you. With feeble, foul, or corrupted blood, you cannot have health; with that "life of the flesh" healthy, you cannot have scrofulous disease.

Ayer's Sarsaparilla

is compounded from the most effectual antidotes that medical science has discovered for this stillicting distemper, and for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, ta known by all who have given it a trial. That it does combine virtues truly extraordinary in their effect upon this class of complaints, is indisputably proven by the great multitudeof publicly known and remarkable rares it has made of the following diseases: King's Evil, or Glandular Swellings, Tumors, Eruptions, Pimples, Blotches and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tuberculous deposits in the lungs, White. Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Elercurial Diseases, Female Weaknesses, and, indeed, the whole series of complaints that arise from impurity, of the blood. Minute reports of individual cases may be found in Aven's AMERICAN ALMANAC, which is furnished to the druggistefor gratuitous distribution, wherein may belearned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief. Those cases are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak to him of its benefits from personal experience. Scrofula depresses thevital energies, and thus leaves its victims farmore subject to discase and its fatal resultsthan are healthy constitutions. Hence it tends to shorten, and does greatly shorten,. the average duration of human life. Thevast importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of AYER's SARSAPARHIA, although it is composed of ingredients, some of which exceed the best of Sarsaparilla in alterative power. By its aid you may protect yourself from the suffer-ing and danger of these disorders. Purge out the foul corruptions that rot and fester in the blood, purge out the causes of disease, and vigorous health will follow. By its peculiar virtues this remedy stimulates the vital We know the public have been deceived by many compounds of Sarsaparilla, that promised much and did nothing; but they will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been. available to them.

## SCHENCK'S SEAWEED TONIC.

This medicine, invented by Dr. J. H. SCHENCE, of Philadelphia, is intended to dis- a candidate for the office of solve the food and make it into chyme, the first process of digestion. By cleansing the sto- should he be elected, he pledges himself to mach with Schenck's Mandrake Pills, the perform the duties of the office faithfully and Long, in said township. Tonic soon restores the appetite, and food that could not be eaten before using it will be easily digested.

Consumption cannot be cured by Schenck's Pulmonic Syrup unless the stomach and liver is made healthy and the appetite restored, hence the Tonic and Pills are required in nearly every case of consumption. A half ODD-FELLOWS' HALL, MAIN ST. dozen bottles of the SEAWEED TONIC and three or four boxes of the MANDRAKE PILLS will cure any ordinary case of dyspepsia.

Dr. SCHENCK makes professional visits in New York, Boston, and at his principal Office in Philadelphia every week. See daily FURNITURE, CARPETS, papers of each place, or his pamphlet on consumption for his days for visitation.

Please observe, when purchasing, that the two likenessess of the Doctor, one when in the last stage of Consumption, and the other as he now is, in perfect health, are on the Government stamp.

Sold by all Druggists and Dealers, price \$1.50 per bottle, or \$7.50 the half dozen .-All letters for advice should be addressed to Dr. SCHENCK's Principal Office, No. 15 North 6th Street, Philadelphia, Pa.
