

Denouement of the White Haven Burglary.

Our readers will recollect the daring burglary which was perpetrated in White Haven, on the 9th of July last, by which the Lehigh Coal & Navigation Company lost something like \$40,000 from the safe in their office at that place—the particulars of which appeared in the Gazette at that time. The robbery took place just at the time when the Company had forwarded to White Haven the above specified amount for the purpose of paying their employees on that Division of their railroad, and was perpetrated by means of false keys while two men were asleep in the room. Since the commission of the theft the Company have been on the alert for the detection of the guilty parties, and it now appears that the act was committed by a party of some four or five individuals and was the result of a regularly organized conspiracy. One of these men who had not been dealt fairly with by the others, let fall some hints regarding the affair some days since, and he was at once arrested by the Company's detectives, and intimidated into divulging the whole secret. His statement sets forth that some parties from New York planned the burglary and induced a landlord, named Stark at whose hotel they were staying, to join them.—The keys of the safe were stolen from the coat pocket of the Superintendent, Mr. Crelin, impressions taken, and the keys returned without their absence having been noticed. With false keys made from these impressions one of the parties entered the office four different times and searched the safe, but there not being sufficient money in it to warrant a robbery he left it unmolested until the time arrived for the reception of the money to pay the employees for June. Then the deed was perpetrated and the money divided—some \$4,500, it is stated, being the share of Stark. As soon as these facts were made known, the landlord was arrested and lodged in jail at Wilkes-Barre, but released on bail. The others have not yet been apprehended, but will probably be reached before many days.—We trust they may be, and the whole party dealt with to the extent of the law.—Mauch Chunk Gazette.

A man should know when to laugh or smile in company. It shows much more stupidity to be grave at a good thing than to be merry at a bad one.

Dr. WISTARS BALM OF WILD CHERRY.

In the whole history of medical discoveries no remedy has performed so many of such remarkable cures as the numerous affections of the Throat, Lungs, and Chest, as this long-cherished and justly celebrated Balm. So generally acknowledged is the superior excellence of this remedy that but few of the many who have tested its virtues by experience fail to keep at hand a speedy and certain cure for sudden attacks of Cold—fully believing that its remedial powers are comprehensive enough to embrace every form of disease, from the slightest cold to the most dangerous symptoms of pulmonary complaint.

UNSOLICITED TESTIMONY.

From Rev. Francis Lobdell, pastor of the South Congregational Church, Bridgeport, Connecticut.
"I consider it a duty which I owe to suffering humanity to bear testimony to the virtues of Dr. Wistars' Balm of Wild Cherry. I have used it—when I have had occasion for any remedy of Coughs, Cold or Sore Throat—for many years, and never has any single instance been failed to relieve and cure me. I have frequently been very hoarse on Saturday, and looking forward to the delivery of the sermon on the following day with sad misgivings, but by a liberal use of the Balm my hoarseness has invariably been removed, and I have preached without any interruption."—
"I recommend it to my brethren in the ministry, and to public speakers generally, as a certain remedy for the hoarse and throaty voice, and as a really very effective."—

GRACE'S CELEBRATED SALVE.

From Mr. Foster, Deputy Sheriff of Salisbury, Mass.
"I have been troubled for years with a bad humor, sometimes outwardly and sometimes inwardly. During the past summer it manifested itself more than usual, and I used your Salve. All signs of it have since disappeared, without affecting me in any way. I am, therefore, highly satisfied with the efficacy of your Salve."

WHAT EVERY ONE WANTS.

A good reliable medicine that will be on hand when required, and never fails when called on. That is now to be obtained in Dr. Tobias's Celebrated Venetian Liniment. Many thousands call it the Wonder of the Age, as it does all that is represented and more. It cures Diarrhea, Dysentery, Colic, Spasms, Vomiting, Croup, and Sea-sickness as surely as it is used, and is perfectly innocuous to take internally, even in double the quantity named in the directions; and as an external remedy for Chronic Rheumatism, Cuts, Bruises, Old Sores, Mumps, Toothache, Headache, Sore Throat, Sprains, Insect Stings, Pains in the Back, Chest, and Limbs, thousands have testified to, and their certificates can be seen by any one at the Doctor's Depot, 56 Cortlandt Street, New York.—Hundreds of physicians use it in their practice. It has been introduced since 1847, and hundreds who now have it in their houses, say they would not be without it even if it was \$10 per bottle. Every drop is mixed by Dr. Tobias himself, and can be depended on. Only 50 cts. and \$1 per Bottle Sold by Druggists. Depot, 56 Cortlandt St., N. Y. [Sept. 26.—1m.]

DR. SCHENCK'S PULMONIC SYRUP.

This great medicine cured Dr. J. H. SCHENCK, the Proprietor, of Pulmonary Consumption, when it had assumed its most formidable aspect, and when speedy death appeared to be inevitable. His physicians pronounced his case incurable, when he commenced the use of this simple but powerful remedy. His health was restored in a very short time, and no return of the disease has been apprehended for all the symptoms quickly disappeared, and his present weight is more than two hundred pounds.
Since his recovery, he has devoted his attention exclusively to the cure of Consumption, and the diseases which are usually complicated with it, and the cures effected by his medicines have been very numerous and truly wonderful. Dr. SCHENCK makes professional visits to several of the larger cities weekly, where he has a large concourse of patients, and it is truly astonishing to see poor consumptives that have to be lifted out of their carriages, and in a few months healthy, robust persons. Dr. SCHENCK'S PULMONIC SYRUP, SEAWEED TONIC, and MANDRAKE PILLS are generally all required in curing Consumption. Full directions accompany each, so that any one can take them without seeing Dr. SCHENCK, but when it is convenient it is best to see him. He gives advice free, but for a thorough examination with his Respirator his fee is three dollars.
Please observe, when purchasing, that the two likenesses of the Doctor—one when in the last stage of Consumption, and the other as he now is, in perfect health—are on the Government stamp.
Sold by all Druggists and Dealers. Price \$1.50 per bottle, or \$7 50 the half dozen.—Letters of advice should always be directed to Dr. Schenck's Principal Office, No. 15 North 6th Street, Philadelphia, Pa.

HELMBOLD'S EXTRACT BUCHU,

gives health and vigor to the frame and bloom to the pallid cheek. Debility is accompanied by many alarming symptoms, and if no treatment is submitted to, consumption, insanity or epileptic fits ensue.
Feb. 28, 1867.

The peculiar taint or infection which we call SCROFULA lurks

in the constitutions of multitudes of men. It either produces or is produced by an enfeebled, vitiated state of the blood, wherein that fluid becomes incompetent to sustain the vital forces in their vigorous action, and leaves the system to fall into disorder and decay. The scrofulous contamination is variously caused by mercurial disease, low living, disordered digestion from unhealthful food, impure air, fifth and filthly habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending from parents to children, and seems to be the rod of Ilia who says, "I will visit the iniquities of the fathers upon their children." The disease originates like various others, according to the organs it attacks. In the lungs, Scrofula produces tubercles, and finally Consumption; in the glands, swellings which suppurate and become ulcersous sores; in the stomach and bowels, derangements which produce indigestion, dyspepsia, and liver complaints; on the skin, eruptions and cutaneous affections. These, all having the same origin, require the same remedy, viz., purification and invigoration of the Blood. Purify the blood, and these dangerous distempers leave you. With feeble, foul, or corrupted blood, you cannot have health; with that "life of the flesh" healthily, you cannot have scrofulous disease.
Ayer's Sarsaparilla
is compounded from the most effective antidotes, that medical science has discovered for this afflicting disorder, and for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does combine virtues truly extraordinary in their effect upon this class of complaints, is indisputably proven by the great multitude of publicly known and remarkable cures it has made of the following diseases: King's Evil, or Glandular Swellings, Tumors, Eruptions, Pimples, Blotches and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tuberculous deposits in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia, or Indigestion, Syphilis and Syphilitic Infections, Mercurial Diseases, Female Weaknesses, and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cures may be found in AYER'S AMERICAN ALMANAC, which is furnished to the druggists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief. These cures are purposely taken from every section of the country, in order that every reader may have access to some one who can speak to him of its benefits from personal experience. Scrofula depresses the vital energies, and thus leaves its victims far more subject to disease and its fatal results than are healthy constitutions. Hence it tends to shorten and dwarf greatly the average duration of human life. The vast importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of AYER'S SARSAPARILLA, although it is composed of ingredients, some of which exceed the best of Sarsaparilla in alterative power. By its aid you may protect yourself from the suffering and danger of these disorders. Purge out the foul corruption that rot and fester in the blood, purge out the causes of disease, and vigorous health will follow. By its peculiar virtues this remedy stimulates the vital functions, and thus expels the distempers which lurk within the system or burst out on any part of it.
We know the public have been deceived by many compounds of Sarsaparilla, that promised much and did nothing; but they will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its superior excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been available to them.

AYER'S CHERRY PECTORAL.

The World's Great Remedy for Coughs, Colds, Incipient Consumption, and for the relief of Consumptive patients in advanced stages of the disease.
This has been so long used and so universally known, that we need do no more than assure the public that its quality is kept up to the best it ever has been, and that it may be relied on to do all it has ever done.
