

New Cabinet Ware-Rooms!

NEW FURNITURE!

OPPOSITION TO HUMBUGGERY!

Philip Miller & Son
RESPECTFULLY ANNOUNCE TO the public that they have opened, at their new Ware-Rooms, on Main street, in Stroudsburg, adjoining the Race, a very superior assortment of Furniture, embracing complete PARLOR,

CHAMBER, and DINING-ROOM SUITES, both of their own and city manufacture which they will dispose of at the lowest possible prices for cash.

They are also prepared to manufacture to order, any and every thing in their line, from a single piece of furniture up to a complete outfit from garret to cellar, all of the best seasoned timber, and by the best of workmen. They do not claim to be the only Furniture dealer in Stroudsburg who has a license to sell Furniture, but having paid a license and established themselves in business they are determined to do full justice to all who patronize them. Their stock of lumber embraces all the kinds of wood employed in cabinet-making, and was selected with regard to quality than to price.

Remember that we can supply full suites either of our own or of city manufacture, though we prefer filling the former, because greater justice can be done thereby to purchasers.

UNDERTAKING! UNDERTAKING!
Having provided ourselves with a new, neat, and elegant Hearse, a full supply of the latest styles of Coffins and burial Caskets, and all the other appliances of a first-class establishment, we are prepared to conduct the business of Undertaking, in all its branches, to the perfect satisfaction of all who favor us with orders in this line.

Machine Sewing, Turning, Plaining, &c.
Their factory being fitted up with superior Turning, Sawing, and Planing Machinery, all driven by a powerful steam engine, orders from cabinet-makers, carpenters, and others, for work in these lines will be promptly and satisfactorily filled.

They respectfully solicit a call from the public. Furniture cheerfully shown without charge, and prices as low as the lowest.

J. LANTZ, DENTIST.
Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance it is frequently put off until it is too late to save the tooth or teeth as it may be, other wise the inconvenience and trouble of going so far. Hence the necessity of obtaining the services of a dentist near home. All work warranted.

AYER'S Sarsaparilla.
THE WORLD'S GREAT REMEDY FOR
Scrofula and Scrofulous Diseases,
From Emery's Edes, a well-known merchant of New York.

"I have sold large quantities of your Sarsaparilla, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as one comes in, they agree there has been no medicine like it before."—Dr. J. C. Ayer & Co., Lowell, Mass.

"Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin."
From Rev. Dr. Stratton, Boston, England.
"I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your Sarsaparilla. My daughter, aged ten, had an afflictive humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your Sarsaparilla. She has been well for some months."
From Mrs. Jane E. Rice, a very respectable and well-esteemed lady of Danvers, Mass. U. S. A.
"My daughter has suffered for years past with a scrofulous eruption which has covered her face. Nothing afforded any relief until we tried your Sarsaparilla. It immediately improved her face, and you took care it might be a time before in a few weeks, her skin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the disease. I know of it, I enjoy perfect health and without a doubt owe it to your Sarsaparilla."
Erysipelas—General Debility—Purify the Blood.

From Dr. Bell, Albany, N. Y.
"Dr. Ayer's Sarsaparilla has removed Scrofulous and Scrofulous Sores by the perspiration of your Sarsaparilla, and I have never procured any other of Maligant Scrofulous with it. No alternative was possible, equals him Sarsaparilla. You have supplied me with the medicine as fast as it was required."
From J. E. Johnson, Esq., Waterson, Ohio.
"For twelve years, I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicine. The ulcers were so bad that the veins became visible, and the doctors decided that my arm must be amputated. I began taking your Sarsaparilla. Took two bottles, and some of your Pills. Together they have cured me. I can now use my arm as well as my body. Being in a public place, my cure is known to every body in this community, and excites the wonder of the blood."

From Hon. Henry May, M. P. of Newcastle, C. B., a leading member of the Canadian Parliament.
"I have used your Sarsaparilla in my family, for general debility and for purifying the blood, with very happy results. I can not but commend it as commending it to the afflicted."

From Dr. J. H. Smith, Esq., New York.
"Our only child, about three years of age, was attacked by pimples on his face. They rapidly spread until his face was covered with a sore, which covered his face, and actually blinded his eyes for some days. A skillful physician applied nitrate of silver and iodine to the face, with the usual result. For three days we guarded his hands, lest they should touch upon the face, and covering the sores with ointment, but with no effect. Having tried every thing else we had any hope from, we began giving your Sarsaparilla, and applying the local iodine and nitrate, as you direct. The cure began to show itself on the first bottle, and was well when we had finished the second. The child's eyes, which had become out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

From Dr. J. H. Smith, Esq., New York.
"I find your Sarsaparilla a more effectual remedy for the secondary symptoms of Syphilis and for syphilitic diseases than any other we possess. The profession are indebted to you for some of the best medicines we have."
From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts.
"Dr. Ayer. My dear Sir I have found your Sarsaparilla an excellent medicine, and with both of the primary and secondary types, and also in some cases that were too chronic to yield to other remedies. I do not know what you employ with more certainty of success, where a powerful alternative is required."

From Mr. C. H. Van Hook, Esq., New York.
"I had a dreadful attack of Erysipelas, which was cured by your Sarsaparilla, which gave me more relief and recovery in a few days, than I have ever experienced before. I have been using your Sarsaparilla for some time, and I believe it to be the best medicine for the cure of this disease."
From the well-known and widely-celebrated Dr. Jacob Morrell, of Cincinnati.
"I have found your Sarsaparilla an excellent alternative in the cure of Syphilis. Many cases of Erysipelas, Erysipelas, Erysipelas, and local debility, arising from the scrofulous diathesis, have yielded to it, and I believe it to be the best when its effect is properly aided by local treatment."
A fully authentic copy of the publication of her

"My daughter and myself have been cured of a very distressing Erysipelas of long standing, by two bottles of your Sarsaparilla. Many cases of Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia, when caused by Scrofula in the system, are rapidly cured by this EXT. Sarsaparilla."

AYER'S CATHARTIC PILLS
possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done.
