### New Cabinet Ware-Rooms! **NEW FURNITURE! OPPOSITION TO HUMBUGGERY!**

Philip Miller & Son DESPECTFULLY ANNOUNCE TO It the public that they have opened, at their new Ware-Rooms, on Main street, in Stroudsburg, adjoining the Race, a very su- lie generally, that he was just received a perior assortment of Furniture, embracing general assortment of complete PARLOR,

CHAMBER, and

both of their own and city manufacture articles, wiz. : which they will dispose of at the lowest pos- Calicoes, sible prices for cash.

They are also prepared to manufucture to order, any and every thing in their line, from a single piece of furniture up to a complete outfit from garret to cellar, all of the best seasoned timber, and by the best of workmen. They do not claim to be " the only Furniture dealer in Stroudsburg who has a license to sell Furniture," but having paid a license and established themselves in business they are determined to do full justice to all who patronize them. Their stock of lumber embraces all the kinds of wood employed in cubinet-making, and was selected Flannel and Cloth, with regard to quality than to price.

Remember that we can supply full suites either of our own or of city manufacture, though we prefer filling the former, because greater justice can be done thereby to purchasers.

### J. LANTZ, DENTIST

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, where he is fully prepared to treat

the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in tye latest and most improved manner. Most persons know the danger and folly of trust ing their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance it is frequently put off until it is too late to save the tooth or teeth as it may be, other wise the inconvenience and trouble of going so far. Hence the necessity of obtaining the services of a dentist near home. All work warranted.

THE WOLLD'S CREAT REMEDY FOR

Scrofula and Scrofulous Diseases.

From Emery Edes, a well-known merchant of Ox-ford, Maine. "I have sold large quantities of your SARSAPA-nitles, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."

Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin. From Rev. Robt. Stratton, Britelet, England.

From Rev. Robt. Stratton, Eristel, England, "I only do my duty to you and the public, when I add my testimony to that you publish of the me-dicinal virtues of your SARSATABILA. My daugh-ter, aged ten, had an afflicting honory in her cars, eyes, and hair for years, which we were unable to cure until we tried your SARSATABILAS. She has been well for some months."

From Mrs. Jane E. Rice, a well known and mick-estemail lay of Demisrille, Cape May Co., N.J.
" My daughter has suffered for a year past with a scrothlous eruption, which was very troublesome. Nothing afforded any reliaf until we tried yours. Nothing afforded any reliaf until we tried yours. "Substratulat, which soon completely cured her."
From Churles P. Gage, Eag., of the widely known Gage, Micray & Co., manufacturers of caamelled papers in Names, N.H.
"T had for several years a very troublesome hanker in my face, which grew constantly worse until it disfured my features and became an intol-erable affliction. I tried almost every thing a man could of both advice and medicine, but without any relief whatever, until T took your SARSATAMILLA. It might for a time; but in a few weeks the new skip began to form under the blotches, and con-tinued until my face is as smooth as my body"s, and I am rithout any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSATAMILLA."

#### Erysipelas-General Debility-Purify the Blood.

From Dr. Robt. Sawin, Houston St., New York. "DR. AYER. 1 seldom fail to remove Eruptione and Scrufalous Sores by the persevering use of your SARAPARITIA, and I have just now eared an attack of Malignant Erysipelas with it. No alterative we possess equals the SARSEPARILLA you have sup-

possess equals the SARSAPARILLA you have sup-plied to the profession as well as to the people." From J. E. Johnston, Esq., Wakeman, Ghio, "For twelve years, I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hun-dreds of dollars worth of medicines. The ulsers were so had that the cords became visible, and the doctors decided that my arm must be amputated. I becam taking your SAUSTERIA. Took two hat began taking your SAUSAPARILLA. Took two bot-tles, and some of your Pills. Together they have cured me. I am now as well and sound as any body. From Hon. Henry Monro, M. P. P., of Newcastle, C. W., a leading member of the Canadian Parlia-

ment. "I have used your SARSAPARHLLA in my family, for general debility, and for parifying the blood, with very beneficial results, and feel confidence in commending it to the afflicted."

St. Anthony's Fire, Rose, Sait Rheum, Scald Head, Sore Eyes.

From Harvey Sickler, Esq., the able editor of the

Tunkhannock Democrat, Pennsylvania. "Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skillful physician applied, nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lost with them he should tear open the fea-tering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your SARSAPARILLA, and applying the iodide of potsch lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's cyclashes, which he come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die." Syphilis and Mercurial Disease. From Dr. Hiram Slout, of St. Louiz, Missouri. "I find your SARSAPARILLA a more effectual remedy for the secondary symptoms of Syphilia and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicines we have." From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massichusetts.
" DR. AYER. My dear Sir : I have found your SARSAPARILLA an excellent remedy for Syphiliz, both of the primary and secondary type, and effec-tual in some cases that were too obstituate to yield to other remedies. I do not know what we can em-ploy with more certainty of success, where a power-ful alterative is required."
Wr. Chas. S. Low Line of New Press, New York, New York From A. J. French, M. D., an emineut physician of ful alterative is required." Mr. Chas. S. Fan Lieve, of New Ermannics, N.J., had dreadful alters on his legs, caused by the abase of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of AYER'S SAUSAPARTILLA relieved him. Few cases can be found more invetorate and distressing than this, and it took several dozen bottles to cure him. Loucorrhon, Whites, Female Weakness, are generally produced by internal Scrafalous (7-contion, and are very often cared by the alterative effect of this SARSAPARIALA. Some cases require, however, in aid of the SAESTPARILLA, the skillul application of local remedies. From the well-known and widely-celebrated Dr. Jacob Morrill, of Conciunati. 4 I have found your SARSAPARILLA an excellent alterative in diseases of females. Many cases of Irregularity, Lencorrhees, Internal Fleeration, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment." A lady, unwilling to allow the publication of her "My daughter and myself have been cured of a very debilitating Lencorrheen of long standing, by two bottles of your SARSAPARILLA." Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia, when caused by Scrafula in the system, are rapidly cured by this Exr. SARSAPARILLA.
