 RESPECTFULLY ANNOUNCE TO the public that they have opened, at their new Ware-Rooms, on Main street, in Stroudsburg, adjoining the Race, a very superior assortment of Furniture, embracing complete

 both of their own and city manufacture which they will dispose of at the lowest possible prices for cash.

They are also prepared to manufacture to order, any and every thing in their line, from a single piece of furniture up to a complete outfit from garret to cellar, all of the best seasoned timber, and by the best of workmen. They do not claim to be "the only Furniture dealer in Stroudsburg who has a license to sell Furniture," but having paid a license and established themselves in business they are determined to do full justice to all who patronize them. Their stock of lumber embraces all the kinds of wood employed in cabinet-making, and was selected with regard to quality than to price.

Remember that we can supply full suites either of our own or of city manufacture, though we prefer filling the former, because a greater justice can be done thereby to purchasers.

**UNDERTAKING! UNDERTAKING!**  
 Having provided ourselves with a new, neat, and elegant Hearse, a full supply of the latest styles of Coffins and burial Caskets, and all the appliances of a first-class establishment, we are prepared to conduct the business of Undertaking, in all its branches, to the perfect satisfaction of all who favor us with orders in this line.

They respectfully solicit a call from the public. Furniture cheerfully shown without charge, and prices as low as the lowest.

**J. LANTZ, DENTIST.**  
 Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far. Hence the necessity of obtaining the services of a dentist near home. All work warranted.
