**PROOFS OF THE SUPERIORITY OF THE AMERICAN WATCHES.**

This country has reason to be proud of this splendid specimen of American enterprise and genius. That it will work a revolution in the watch manufacturing of the world no one can doubt who examines the operations of the Waltham establishment, for it turns out watch movements at just about one-half the cost of imported movements—beside the uniform reliability of the machine-made watches must give them a great advantage over all others wherever known. A poor time-piece of the machine-made will be as rare in the future as a good one of hand make has been heretofore, for machinery is arbitrary in its performance, and can make a perfect article just as easy as one that is worthless. It will be a cause of congratulation if this highly useful American Enterprise shall have the effect of driving out of market the thousands of trashy foreign articles mis-called timekeepers, by furnishing so excellent and economical a substitute. — N. Y. Times.

"We have had one of the works of this Company in a case for some considerable time, and, comparing them with former first-class works of different manufacture possessed by us, they have established in our opinion their superiority over any ever introduced for correctness as time pieces." — The World.

"We notice with regret (writing of the Paris Exposition) the absence of specimens American manufacture, which, although only comparatively recent birth among us, is already producing results of the most satisfactory character. The watches manufactured by the Waltham Company are certainly, so far as strength, durability, and excellence as time-keepers are concerned, as good as anything produced by the French or Swiss manufacturers." — N. Y. Herald.

"The beauty, the precision, the greater clearness, the uniform excellence of a watch constructed by machinery so exquisite that the mere spectacle of its operation is poetic, gradually give the American Watches a public preference which will not be deceived." — Harper's Weekly.

**BOILS.**

Like the vole-no. Boils give issue to the foul and fiery contents of the deep interior. To remove the cause of such suffering it is only necessary to vitalize the Blood by supplying it with its Life Element, Iodine.

**THE PERUVIAN SYRUP,**  
(a protected solution of the Protoxide of Iron) will do this effectually, and give strength, vigor and new life to the whole system.

Extract of a Letter from Rev. RICHARD S. EDDES, of Bolton, Mass.

"For years I was a sufferer from Boils, so that my life became wearisome through their frequent and persistent recurrence; finally a carbuncle formed in the small of my back. During its progress large pieces of decomposed flesh were every day or two cut away, and the prostration and general disturbance of the system were great. Before I had recovered from this attack two smaller carbuncles broke out higher up, and I was again threatened with a recurrence of the sufferings to which I had so long been subjected. It was at this time that I commenced taking the PERUVIAN SYRUP. I continued taking it until I had used five bottles; since then I have had nothing of the kind. For years I was one of the greatest sufferers. Other medicines gave me partial and temporary relief, but this remarkable remedy, with a kind and invincible sense, went directly to the root of the evil, and did its work with a thoroughness worthy of its established character."

A 32 page Pamphlet sent free. The genuine has "PERUVIAN SYRUP" blown in the glass. J. P. DINSMORE, Proprietor, No. 36 Dey St., New York. Sold by all druggists.

The best known remedy for SCORFULA, in all its manifold forms, including Ulcers, Cancer, Syphilis, Salt Rheum, Constipation, etc., is Dr. ALEXANDER'S WATSON'S pure solution of Iodine without a solvent, discovered after many years of scientific research and experiment. For eradicating humors from the system it has no equal. Circulars sent free. J. P. DINSMORE, 36 Dey Street, New York. Sold by Druggists generally. March 5, 1868.—1m.

**ADDRESS TO THE NERVOUS AND** debilitated whose sufferings have been protracted from hidden causes, and whose cases require prompt treatment to render existence desirable. If you are suffering or have suffered from involuntary discharges, what effect does it produce upon your general health? Do you feel weak, debilitated, easily tired? Does a little extra exertion produce palpitation of the heart? Does your liver, or urinary organs, or your kidneys, get out of order? Is your urine sometimes thick, milky, or frothy, or is itropy on settling? Or does a thick scum rise to the top? Is it a sediment at the bottom after it has stood awhile? Do you have spells of short breathing or dyspnea? Are your bowels constipated? Do you have spells of fainting or rushes of blood to the head? Is your memory impaired? Is your mind constantly dwelling upon this subject? Do you feel dull, listless, mooping, tired of company, of life? Do you wish to be left alone, to get away from everybody? Does a little thing make you start or jump? Is your sleep broken or restless? Is the lustre of your eye as brilliant? The bloom on your cheek as bright? Do you enjoy yourself in society as well? Do you pursue your business with the same energy? Do you feel as much confidence in yourself? Are your spirits dull and flabby, given to fits of melancholy? If so, do not lay it to your liver or dyspnea. Have you restless nights? Your back weak, your knees weak, and have but little appetite, and you attribute this to dyspepsia or liver complaint?

Now, reader, self-abuse, venereal diseases badly cured, and sexual excesses, are all capable of producing a weakness of the generative organs. The organs of generation, when in perfect health, make the man—Did you ever think of those bold, defiant, energetic, persevering, successful business men, are always those whose generative organs are in perfect health? You never hear such men complain of being melancholy, of nervousness, of palpitation of the heart. They are never afraid they cannot succeed in business; they don't become sad and discouraged; they are always polite and pleasant in the company of ladies, and look you and them right in the face—none of your downcast looks or any other meanness about them. I do not mean those who keep the organs inflamed by running to excess. These will not only ruin their constitutions, but also those they do business with or for.

How many men from badly-cured excesses, from the effects of self-abuse and excesses, have brought about that state of weakness in those organs that has reduced the general system so much as to induce almost every other disease—idiotcy, lunacy, paralysis, spinal affections, suicide, and almost every other form of disease which humanity is heir to, and the real cause of the trouble scarcely ever suspected, and have doctored for all but the right one.

Diseases of these organs require the use of a diuretic. HELMBOLD'S FLUID EXTRACT BUCHU is the great Diuretic, and is a certain cure for diseases of the Bladder, Kidneys, Gravel, Dropsy, Organic Weakness, Female Complaints, General Debility, and all diseases of the Urinary Organs, whether existing in Male or Female, from whatever cause originating and no matter of how long standing.

If no treatment is submitted to, Consumption or Inanity may ensue. Our flesh and blood are supported from these sources, and the health and happiness, and that of Posterity, depends upon prompt use of a reliable remedy.

Helmbold's Extract Buchu, established upwards of 18 years, prepared by H. T. HOLMBOLD, Druggist, 504 Broadway New York, and 104 South 10th St., Philadelphia, Pa. Price—\$1.25 per bottle, or 6 bottles for \$6.50, delivered to any address. Sold by all druggists everywhere. [Feb. 28, '67.]
