Scrofula and Scrofulous Diseases. From Emery Edes, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your SARSAFA-RILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."

Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin. From Rev. Rolt. Stratton, Bristol, England.

"I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting hamor in her cars, eyes, and hair for years, which we were unable to

cure until we tried your SARSAPARILLA. She has been well for some months." been well for some months."

From Mrs. Jane E. Rice, a well-known and muchesteemed lady of Dennisville, Cape May Co., N. J.

"My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your Sansaranially, which soon completely cared her."

From Charles P. Gage, Esq., of the widely-known Gage, Marray & Co., manufacturers of enamelted papers in Nashua, N. H.

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my fortures and became an intolerable affliction. I tried almost every thing a man could of both advice and medicine, but without any

erable affliction. I tried almost every thing a man could of both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any hody's, and I am without any symptoms of the discuse that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

From Dr. Rolt. Sancia, Houston St., New York.

"DR. Ayen. I seldom fail to remove Eruptions and Scrofulous Sores by the persevering use of your Sarsarantal. A, and I have just now cured an attack of Malignant Erysipelas with it. No alterative we possess equals the Saksarantal. A you have supplied to the profession as well as to the people."

From J. E. Johaston, Esq., Wakeman, Ohio,

"For twelve years, I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicines. The ulers were so bad that the cords became visible, and took doctors decided that my arm must be amputated. I began taking your Saksarantal. A. Took two bottles, and some of your Pills. Together they have cured me. I am now as well and sound as any body, being in a public place, my coas is known to every body in this community, and excites the wonder of all."

From Hon. Heavy Monro, M. P. P., of Newcostle, C. W., a leading member of the Canadian Parliament.

"I have used your SARSAPARILLA in my family, for general debility, and for purifying the blow, with very beneficial results, and feel confidence in commending it to the afflicted."

Scald Head, Sore Eyes.

From Harrey Sickler, Esq., the able editor of the Tankhannock Democrat, Feansylvania.

"Our only child, about three years of age, was attacked by pimples on his forchead. They rapidly spread until they formed a loathsome and varient sore, which covered his face, and actually binded his eyes for some days. A skilful physician applied nitrate of silver and other remodies, without any apparent effect. For fifteen days we guarded his hands, lost with them he should tear open the featering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your SABSAFARILLA, and applying the todale of potash lotion, as you direct. The sore began to heal when we had failed the second. The child's eyelasines, which had come out, grow again, and he is now as healthy and fair as any other. The whole neighborhood predicted Scald Head, Sore Eyes.

My dear Sir: I have found your SARSAPARILLA an excellent remests for Sephilia, both of the primary and secondary type, and effectual in some cases that were too obelinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alterative is required."

effect of this Sansapantella, Some cases require. however, in gid of the Bandapantella, the sall-si application of local remedies.
