Druggists sell it.

### THE TICKET.

The Convention held at Philadelphia, n the 11th inst., a synopsis of whose proceedings we present in our columns this week, did its work up nobly and bravely. In obedience to the demands of the Republican masses of Pennsylvania, it gave us those noble men, whose names were never born to die, Gen. Ulysses S. Grant, Pennsylvania, but, also, in every section of the Union, upon which stands a body containing a loyal, Union loving heart .-The work thus far been well done, and our earnest hope and prayer is that well doing may continue to mark the footsteps of Republicanism, until the elevation of Phiha: Thomas M. Marshall, Pittsburgh. will attest that in the settlement of the be secured. No matter about the political suffering of rebels who attempted to destroy us as a nation. They threw the indeed would be the great loyal majority North and South, if it did not, in treating the conquered make sure work in securing itself. Let but the Chicago Convenof Pennsylvania, and another winter will see us all again in the bonds of National Owing to the lateness of the day Unity, with greater power for good, and

Another excellent job, excellently man ipulated by the Convention, was the re Jacob Campbell for Surveyor General .-Both gentlemen won unfading laurels in their efforts on behalf of the Union in the war of the Rebellion; and by their genments, by their close attention to business, their strict integrity, and watchful care over the interests of the Common wealth, they have clearly established the fact that, whether in the pursuits of war Messrs. Brown & Keller, we learn or the pursuits of peace, they are the men of the people and for the people. Such tion will be triumphantly sustained.

We would invite attention to the Convention, was the adoption of the platcard in another column, headed " Charles form of principles. The Resolutions breathe the true spirit of Republicanism, are weighed down with no superfluous has maintained the majesty of the law will be made until after the trial is over. a nail omitted which should rightfully attempted invasions of faithless Execuhave been placed there. The issues in the canvass are all plainly and squarely made up; and though Democracy may, perience of the rebellion gives us renewand doubtless will, howlover the absence ed confidence in the pledges and precepts of what it would have put there, if it had of the Declaration of Independence, and been invited to build the platform for us; Republicans will stand firmly upon it. and, on the arrival of the proper times, in presented as that between the loud pro-October and November, sustain it with such thundering majorities that bewilder ed Democracy will hardly believe even other deals in acts that convince, and the evidence of its own esistence.

the results will prove it to have been a big day for the party, for the people and for the country; because those results wrong-another victory of those who the nation, is a sacred obligation, binding (a protected solution of the Protoxide of fought the battles of our Country's life over those who fought the battles of rebellion-a triumph of liberty over despo- ments of produduce and judgment are Our citizens, remembering the most tism of so great a magitude, as to cause still required, and should, as far as atexcellent exhibition and concert given rejoicing wherever the idea of liberty has tainable, be employed, at once to mainby Mrs. James Carr, jr., last Spring, will made an impression on the heart of man.
